Sharing Your Faith With A Muslim:

Sharing Your Faith With A Muslim Abdiyah Akbar Abdul-Haqq, 1980-08-01 This is the book for you if you are serious about communicating the truth of the Gospel to Muslims It is thorough It is authoritative It is written by a third world Christian whose father was a convert from Islam It is the contention of the author that an effective evangelistic approach to the adherents of Islam must be based upon a study of Christ as He is found in both Scripture and the Koran Christ then becomes the bridge between the two faiths Such a search is to Abdul Haqq the natural means of introducing the Savior Having seen Christ on the pages of the Bible he moves on to a presentation of the great issues of sin salvation and the nature of God as the final pressing points to raise in efforts to win Muslim friends and neighbors to Jesus **The Gospel for Muslims** Thabiti Anyabwile, 2018-01-02 How to meet a critical need sharing the gospel with Muslims There are over three million Muslims living in the United States today Soon if not already you will have Muslim neighbors and coworkers Does the thought of reaching out to them with the gospel make you nervous How can you effectively communicate the good news with such large theological differences The Gospel for Muslims can help make sharing your faith easier than you think Thabiti Anyabwile who is himself a convert from Islam to Christianity instructs you in ways to discuss the good news of Christ with your neighbors and friends The Gospel for Muslims allows you to focus on the people rather than the religious system Meant for the average Christian it is not an exhaustive apologetic or comparative study of Christianity and Islam Rather it compellingly stirs confidence in the gospel equipping you with the basics necessary to communicate clearly boldly and winsomely **Encountering the World of Islam** Keith E. Toward a Healthier Contextualization among Muslims Wonjoo Hwang,2019-01-23 Various ministry approaches have been utilized in Muslim nations in the past in order to lead lost souls into God s Kingdom One noticeable trend in recent years in the ministry is an increasing emphasis on contextualization While the evangelical missiological community searches for more effective contextualization models some ad hoc proposals have complicated the issue One representative case is the Insider Movement among Muslims whose

advocates contend that Muslim followers of Isa Jesus can remain within their own Islamic socio religious community while continuing in Islamic religious practices What is urgently needed in the contemporary discussion on contextualization is to develop a comprehensive analytical framework based on a sound biblical theological foundation for evaluating any missiological model After reviewing the historical development of Muslim evangelism models this study provides such an analytical framework for developing a healthier contextualization model among Muslims and applies this framework to the Insider Movement by critically evaluating the biblical interpretations and missiological reasonings of the Insider Movement advocates The writer calls for a healthier contextualization model among Muslims that is biblically authentic and culturally relevant

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
