Gavin, Christopher Routledge, 2001-02-20 The first book to assess critically mystery in children's literature this collection charts a development from religious mystery through rationally solved detective fictions to insoluble supernatural and horror mysteries Written by internationally recognised scholars in the field these thirteen original essays offer challenging and innovative readings of both classic and popular mysteries for children This volume will be essential and stimulating reading for anyone with an interest in children's literature or in mystery fiction

Double Exposure Susan Ford, Laura Hayden, 2003-06-16 Susan Ford daughter of Former President Gerald R Ford brings her White House insider perspective to this sparkling debut novel the first in a series of First Daughter mysteries In *Double Exposure* Ford introduces photographer Eve Cooper daughter of the newly elected President as she is swept into killer politics in Washington DC *Double Exposure* Eve and her family have barely settled into their new surroundings after the Inauguration when chaos and scandal erupt White House photographer Michael Cauffman is taking Eve's picture in the Rose Garden when they stumble upon a corpse in the snow It's one of the White House ushers and in his pocket is a torn photograph of an unclad and unidentified couple in the Lincoln bedroom clearly involved in very unofficial activities The story complete with photos is on the front page of *The Washington Post* and the press is in a feeding frenzy With the help of Michael Eve sets out to clear her father the President by discovering exactly who took those pictures and when and why As Eve closes in on the truth she opens a vast Pandora's box of new troubles both public and private As the body count rises Eve must race against the clock to find a killer who will stop at nothing to compromise the President Has charm sure to attract an audience Publishers Weekly Ford's debut offers some pleasant glimpses behind the scenes at the White House Kirkus Reviews

The Mystery of Things A.C. Grayling, 2010-12-09 Following the huge success of *THE MEANING OF THINGS* and *THE REASON OF THINGS* a third collection of bestselling essays from Britain's top philosopher Human genius has done much and promises much in the way of removing the mystery from many things in our world at the same time it recognises and honours the mystery in things too In this collection A C Grayling extends the range of his previous two books to show how much understanding people can gain about themselves and their world by reflecting on the lessons offered by science the arts including literature and history Covering subjects as diverse as Jane Austen's *EMMA* the Rosetta Stone Shakespeare the Holocaust quantum physics Galileo and even alien abductions A C Grayling's latest collection is a rich source for reflection and contemplation over the mysteries of life

Malachi's Child Hiram K. Myers, 2005-09-23

The holy land of Herod I the Great is a time of religious zealotry and turmoil a time of brutality of incest and of superstition Into this mix comes Mary daughter of Rebekah whose beauty and power of healing gives her unwanted power over all who come under her influence When her cousin Elisabeth is sold into marriage and her mother killed by the High Priest Marys loneliness drives her to seek forbidden love Soon she is with child but her lover dies and she is alone again with a secret she cannot tell Herod steals Mary to his bedside She must heal him If he dies she will be blamed but if he lives she will fall victim to his lust Joseph rescues her When the king discovers that Mary is gone he rages and offers a fortune for her return The hunted pair fall exhausted into a lonely cave near Bethlehem where Mary starts premature labor Can Elisabeth who rushes to Marys side save the dying girl and her child Malachis Child is a startling and provocative alternative to the traditional story of Mary and the birth of Jesus The Publishers Weekly ,1972 **2011 Children's Writer's And Illustrator's Market** Alice Pope,2010-07-12 Now includes a subscription to CWIM online the children s publishing area of writersmarket com The 2011 CWIM offers more than 650 listings for book publishers magazines agents art reps and more It s completely updated and is the most trusted source for children s publishing information CWIM also contains exclusive interviews with and articles by well respected and award winning authors illustrators and publishing professionals as well as nuts and bolts how to information Readers will learn what to do how to do it and get loads of information and inspiration **Forthcoming Books** Rose Army,2003-04 *Stellar Transformations* Steven Rybin,2022-01-14 *Stellar Transformations* Movie Stars of the 2010s explores stardom performance and their cultural contexts in ways that remind us of the alluring magic of stars while also bringing to the fore the changing ways in which viewers engaged with them during the last decade *Stellar Transformations* looks at the roles stars played in the complex and turbulent decade of the 2010s and in doing so will offer useful case studies for scholars and students engaged in the study of stardom celebrity and performance in cinema **The God Effect is Real** Sujith Ittan,2025-07-14 Something is really wrong with our reality It appears that our minds are being manipulated Synchronicities and the collective unconscious are clues about the mind manipulation mechanism This mechanism is the God effect according to the author The God effect implies that there is an intelligent entity controlling our minds Who is this intelligent entity manipulating our minds A God must be responsible for the God effect How exactly is this God manipulating our minds in this reality that is based on the principles of materialism that we know so well through our sciences We are unable to account for the God effect within the paradigm of materialism Are we in a reality based on idealism where consciousness is fundamental and an intelligent God exists in this context Or are we living inside a computer simulation What is the nature of our minds In order to account for God we have to question our understanding of our reality and we have to ask if we are truly in control of our minds thoughts and actions This is a gist of the God mind and reality problem that the author tries to discuss in this book In his first book the author wondered if a simulation accounts for the God effect In this book he wonders if idealism with consciousness first principles and an intelligent God solves the problem

In Search of Elena Ferrante Karen Bojar, 2018-07-17 Elena Ferrante named one of the 100 most influential people in 2016 by Time magazine is best known for her Neapolitan novels which explore such themes as the complexity of female friendship the joys and constraints of motherhood the impact of changing gender roles the pervasiveness of male violence the struggle for upward mobility and the impact of the feminist movement Ferrante's three novellas encompass similar themes focusing on moments of extreme tension in women's lives This study analyzes the integration of political themes and feminist theory in Ferrante's works including men's entrapment in a sexist script written for them from time immemorial Her decision to write under a pseudonym is examined along with speculation that Rome based translator Anita Raja and her husband Domenico Starnone are coauthors of Ferrante's books

Orbs and Beyond John Pickering, Katie Hall, 2015-03-27 This the second book in the Beyond Trilogy expands on John and Katie's experiences and photographs of the orb phenomena covered in their first book It reveals astounding new photographs and opens up exciting new questions about the whole nature of paranormal phenomena in general John and Katie's photographs of orbs angels and other apparitions have brought them into worldwide contact with other experiencers and researchers it is from this basis that they now take a major step beyond the visible photographable phenomena and current New Age notions about orbs to reveal new insights about the paranormal Could it be that orbs are the indicators of a wider beyond reality Is the symbology of orbs as images of oneness drawing our attention to the most important orb of all the orb of Earth on which we all live Their ongoing photographs personal experiences and the amazing synchronistic events they found themselves part of reveal a conscious purposeful phenomena that can interact with us as individuals whoever and wherever we are This inevitably leads to a spiritual perspective that crosses all religious and cultural boundaries helping us to see that this one blue orb of Earth on which we all live is greater than all that divides us Orbs Beyond is the vital visual link between Beyond Photography and the forthcoming Beyond Reality
