**The Sharp Teeth of Love** Doris Betts, 1998 In a novel of stunning originality Betts introduces a touch of the supernatural to a tale set in an all too real world Fearing that her own impending nuptials promise to mirror those of her parents Luna Stone runs from the altar and takes refuge at an isolated camp near Donner Pass [The History of Southern Women's Literature](#) Carolyn Perry, Mary Weeks-Baxter, 2002-03-01 Many of America's foremost and most beloved authors are also southern and female Mary Chesnut Kate Chopin Ellen Glasgow Zora Neale Hurston Eudora Welty Harper Lee Maya Angelou Anne Tyler Alice Walker and Lee Smith to name several Designating a writer as southern if her work reflects the region's grip on her life Carolyn Perry and Mary Louise Weeks have produced an invaluable guide to the richly diverse and enduring tradition of southern women's literature Their comprehensive history the first of its kind in a relatively young field extends from the pioneer woman to the career woman embracing black and white poor and privileged urban and Appalachian perspectives and experiences The History of Southern Women's Literature allows readers both to explore individual authors and to follow the developing arc of various genres across time Conduct books and slave narratives Civil War diaries and letters the antebellum postbellum and modern novel autobiography and memoirs poetry magazine and newspaper writing these and more receive close attention Over seventy contributors are represented here and their essays discuss a wealth of women's issues from four centuries race urbanization and feminism the myth of southern womanhood preset images and assigned social roles from the belle to the mammy and real life behind the facade of meeting others' expectations poverty and the labor movement responses to Uncle Tom's Cabin and the influence of Gone with the Wind The history of southern women's literature tells ultimately the story of the search for freedom within an insidious tradition to quote Ellen Glasgow This teeming volume validates the deep contributions and pleasures of an impressive body of writing and marks a major achievement in women's and literary studies **A Novel Approach to Life** Coleen Grissom, 2012-08-31 As an administrator and teacher at San Antonio's Trinity University for five decades Coleen Grissom saw the rise of feminism the sexual revolution and the tragic deaths of students friends and family This varied collection assembles the best of her speeches probing these and other timely issues from drug use and freedom of speech to AIDS and racism More than the sum of its parts this book filigreed with pithy literary insights offers an astute chronicle of its times that gives readers good reasons to embrace literature and life **Southern Excursions** George Garrett, James Conrad McKinley, 2003-03-01 Few if any are better endowed than George Garrett to comment on the general and the particular the long and the short of southern letters in our time Garrett a prolific and internationally renowned author of fiction poetry drama and biography as well as a teacher editor critic and frequent jurist for literary competitions has been immersed in the writers and literature of his native region for almost a half century Southern Excursions contains more than fifty of the best essays reviews and other short pieces of his career For the connoisseur of good writing this book is a depository a treasure a veritable time capsule of southern

**Vale of Humility** George Hovis,2007 This is an inviting look at the influence of the yeoman s small farm on six modern southern writers In a deft analysis of works by Doris Betts Reynolds Price Fred Chappell Lee Smith Clyde Edgerton and Randall Kenan Vale of Humility explores the lives of the plain folk white and black who populate the worlds of contemporary North Carolina fiction Hovis explains that a wealthy planter elite was significantly less prominent in North Carolina than in neighboring regions and as such the state s plain folk did not develop a class identity based as deeply in relation to a superior planter class Instead the identification of the yeoman s small farm rather than the plantation as necessary to the ideal life has been a distinguishing feature of the state s literature In this first full length study of North Carolina s contemporary fiction Hovis examines the work of six representative writers from the state s three geographic regions Lee Smith and Fred Chappell from the mountains Doris Betts and Clyde Edgerton from the Piedmont and Reynolds Price and Randall Kenan from the coastal plain The work of these six writers is explored within the broader southern literary tradition with attention to how they have revised such modes as pastoral family saga and southwestern humor in order to portray their own regional experiences Although these writers celebrate the egalitarianism at the heart of the yeoman ideal they also expose the forms of racism sexism and classism that have also marked the state s history

**Miss Julia Takes Over** Ann B. Ross,2002-04-30 The follow up to Ann B Ross s beloved debut that kicked off the New York Times bestselling series Look out for Ann Ross s newest Miss Julia Raises the Roof coming April 2018 from Viking When Miss Julia burst on the scene in her fictional debut Miss Julia Speaks Her Mind this proper lady of a certain age found her orderly world turned upside down when Hazel Marie Puckett appeared with her nine year old son Little Lloyd who looked disturbingly similar to Miss Julia s late husband Now in Miss Julia Takes Over with her sharp tongue and iron backbone intact Miss Julia must tackle another disruption when Hazel

Marie doesn't return from a dinner date with a fund raiser who in Miss Julia's opinion wears his shorts too tight. Frantic and unable to persuade the local police that Hazel Marie is in danger, Miss Julia hires J. D. Pickens to investigate despite her reservations about his taste for beer and women. She and Little Lloyd help search for Hazel Marie, running into adventures ranging from a most indelicate display of fisticuffs to a high speed car chase on the track of a NASCAR Speedway, all the while standing strong because if Miss Julia doesn't take care of things, who will? Fast paced, funny and full of colorful characters you'll want to meet again and again. Miss Julia Takes Over is a zany race through the South you'll not soon forget.

Stephen Robbins should have been doing the same thing he'd been doing for years past. As a young boy, he'd fled his life in a secluded mountain cove and risen through the ranks to become the manager of the South's finest resort, the elegant Mountain Park Hotel. By all rights, he should have spent this summer as host to some of the wealthiest gentry on the East Coast. Hans Ruser, German Commodore of the world's largest and most luxurious cruise liner, *Vaderland*, should have been sailing yet again with his elite passengers to the far corners of the world. And Anna Ulmann, captivating and beautiful, should have been at home in her New York mansion, planning yet another lavish dinner party for her famous husband and his rich and powerful friends. She should have idled away her spare time by taking perfectly staged photographic portraits of the very same people. But war will change everything that should have been. In that summer of 1917, the U.S. enters WWI and the Mountain Park Hotel is pressed into service as an internment camp for over 2,000 German nationals, including Ruser and his men. This sudden collision of lives and cultures in the small town of Hot Springs, North Carolina, is both frightening and exhilarating. And the unlikely alliance that forms between Hans Ruser and Stephen Robbins will force each to decide just how far they are willing to go to keep peace in the beautiful and isolated mountains. Feisty Anna Ulmann, seeking to assert her independence in a male-dominated world, mysteriously flees south to devote her life to documentary photography. When she steps off the train at the Hot Springs depot one sultry summer day, she could not have imagined the passionate journey that will result when she matches wits with Stephen Robbins. Haunted by demons both past and present, they will face heartbreaking tragedy. Yet together they will discover the true meaning of imprisonment and escape. *Miss Julia Meets Her Match* Ann B. other matters that require her attention including a Holy Land theme park to be built on her property a possible affair between the mayor and the preacher's secretary and the arrival of her housekeeper Lillian's five year old pistol of a great granddaughter In the midst of all the commotion can her cool as a cucumber head help her heart make the decision of a lifetime
