yet reasoned book draws on long forgotten ancient testimonies medieval histories colonial records anthropologist s reports and traveller s tales to explore the different types of jinn their behaviour society culture and long history of contact with humankind It documents their links with famous figures in history such as King Solomon and the Queen of Sheba and illustrates the varied and vivid portrayals of jinn in world literature In essence Legends of the Fire Spirits demonstrates the colourful diversity of human culture and the durability of faith and is a magnificent and indispensable portrayal of the rich folklore of the Islamic world
