Spiritual Growth Paul Steinberg,2018-09-30 This

book began with Paul Steinberg's realization that although religions are struggling to meet the needs and trends of our modern age spirituality is not. Its contemporary manifestations continue to thrive and Jews can be found throughout all varieties of spiritual leadership in America. Facing the fact that for whatever reason Jewish leaders simply have not done a good job of translating the ancient spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message. And so he has written it a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts, terms, and expressions from many other spiritual traditions. *Spiritual Growth: A Contemporary Jewish Approach* provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life as well as being deep and authentically real, i.e., not dumbed down for anyone. It is a work that emerged out of Rabbi Steinberg's own personal experiences, pains, and spiritual journey, the trials and growth documented in his highly successful book *Recovery: The 12 Steps and Jewish Spirituality*. There are not a lot of works like this. There are books on Jewish scholarship, history, and theology. But books on Jewish spirituality tend usually to focus on a particular motif, such as the feminine, grief, aging, or Kabbalistic biblical interpretations. *Spiritual Growth: A Contemporary Jewish Approach* presents its message through the psycho-spiritual world view of 2018 but without the language and narrative of a therapist. It is an important contribution to the spiritual seeking community at large, to Jews who have become alienated from their faith, and to anyone interested in learning more about what a historically vibrant spirituality can bring to today's troubled world.

Sabbatai Sevi Gershom Gerhard Scholem, 2016-09-20. Gershom Scholem stands out among modern thinkers for the richness and power of his historical imagination. A work widely esteemed as his magnum opus, *Sabbatai Sevi* offers a vividly detailed account of the only messianic movement ever to engulf the entire Jewish world. Sabbatai Sevi was an obscure kabbalist rabbi of seventeenth-century Turkey who aroused a fervent following that spread over the Jewish world after he declared himself to be the Messiah. The movement suffered a severe blow when Sevi was forced to convert to Islam, but a clandestine sect survived. A monumental and revisionary work of Jewish historiography, *Sabbatai Sevi* details Sevi's rise to prominence and stands out for its combination of philological and empirical authority and passion. This edition contains a new introduction by Yaacov Dweck that explains the scholarly importance of Scholem's work to a new generation of readers.
