

The background of the entire image is a dramatic, war-torn landscape. In the foreground, a large, tattered American flag is partially visible on the right side. In the center, several soldiers in silhouette are walking through a field of fire and smoke. The sky is filled with orange and yellow flames, suggesting a battlefield at night or during a major conflict. The overall tone is somber and intense.

Shattering the Gods Within David F Allen, 2018-12-23 In this book the second edition of the second book of his classic trilogy renowned Christian psychotherapist Dr David F Allen teaches us about the many false gods that are waiting to be raised up as deities within us We learn how to identify them and how they must be shattered so that we ultimately find our way into the worship of the true God The starting point in this journey is understanding this important truth Life is wounded This principle is the underlying explanation for our constant creation of false gods Unmanageable unbearable and seemingly inescapable pain is the reason we are forever shoving our faith aside and granting god like status to both our pleasures and our problems Life is wounded and in this book Dr Allen helps the reader understand the inextricable connection between our pain and our false gods These pseudo gods are false illusions of reality they must ultimately shatter or be shattered The shattering may be a result of illness disappointment death or some other tragedy or God himself might explode our box of illusions The shattering of one's pseudo gods is always painful leaving a hole in one's soul and an emptiness of heart We become vulnerable to depression suicide or other self destructive behaviors e.g. drugs or alcohol But at this point of extreme vulnerability we can also be open to true faith in God In a Christian context the coming of Christ the Holy Son of God is the most powerful antidote to idolatry or pseudo gods From the opening chapters on Life is Wounded and The Creation of a Pseudo God Dr Allen presents the reader with the false gods of modern culture Narcissism The God of Self Image Conformity The God of Fitting In Materialism The Visible God The Sacredness of the Affect Anger Addiction and Sexuality Extraordinary Illusions Facing the Wounded Self But the reader is not left in despair Out of more than four decades as a psychiatrist and a lifetime of understanding human nature through the stories in the Holy Scriptures Dr Allen brings hope in Broken Idols Coping with Defeat and Facing Giants Character Amidst Chaos Ultimately with Dr Allen as our guide we are led to God's

God: the Evidence Ronald W. Larsen PhD, 2022-09-19 The holy grail of physics is quantum gravity often called the theory of everything But any scientific theory will be incomplete without the God of the Bible Physicists claim the cosmos began with a big bang created from nothing But the word nothing is meaningless in physics Furthermore the big bang is an impenetrable barrier to whatever preceded it In addition a finite cosmos cannot contain within itself an explanation for its own existence To claim we are here by accident explains nothing and leads to a logical dead end The cause of the universe is information in the form of mathematical laws left behind for science to discover The fundamental properties of these laws have the same attributes as the Supreme Lawgiver of Genesis An intelligible cosmos is unmistakable evidence the Creator is an Intelligent Mind The Creator's Voice is a valid scientific theory confirming the truth of Genesis God spoke the laws creating the universe out of nothing *creatio ex nihilo* The foundation of the universe is ethereal cosmic waves which interact according to the laws to create and sustain the illusion of reality we experience Space time energy and matter are made from quantum information nothing else is needed By a process of elimination God is the only possible explanation for everything we know The human mind is evidence consciousness is endemic to the cosmos Cosmic waves interact with the human mind in mysterious ways The cosmos relates to humans more like a great Mind than a mindless machine The god-like nature of the human mind is evidence we are made *imago Dei* Even if God is included in a scientific theory it means little unless it can be shown God is a real Being alive present in the world and relevant to our lives

God's Conflict with the Dragon and the Sea John Day, 2020-04-20 The

Old Testament contains a number of interesting poetic references to God's conflict with a dragon called by names such as Leviathan Rahab or the twisting serpent and with the sea In this original contribution to the background and understanding of the Old Testament Dr Day undertakes a detailed and thorough examination of these allusions Building on the discovery of the Ugaritic texts he demonstrates a source for these references within Canaanite mythology His study further explores the associations of the imagery Sometimes in the Old Testament the dragon is associated with the creation of the world or it becomes a symbol of a foreign nation and in some references it is associated with divine conflict at the end of time
