Shattering The Myth Islam Beyond Violence:

Shattering the Myth Bruce B. Lawrence, 2000-04-30 Islam Bruce Lawrence argues is a complex international religious system that cannot be reduced to stereotypes As Lawrence demonstrates Islam is a religion shaped as much by its own postulates and ethical demands as by the specific circumstances of Muslim people in the modern world It is time Lawrence believes to replace inaccurate images of Islam with a recognition of the multifaceted character of this global religion and of its widely diverse adherents *Shattering the Myth* provides significant insights into the history of Islam and a greater understanding of the varied experiences of Muslims today *Shattering the Myth* Bruce B. Lawrence, 2000 On Violence Bruce B. Lawrence, Aisha Karim, 2007-12-06 An interdisciplinary collection of primary texts on the subject of violence from Freud to Gramsci to Foucault from Ghandi to Osama bin Laden The editors introductions frame the texts within questions of how violence is generated and perpetuated in so **The Bruce B. Lawrence Reader** Bruce B. Lawrence, 2020-12-18 Over the course of his career Bruce B Lawrence has explored the central elements of Islamic civilization and Muslim networks This reader assembles more than two dozen of Lawrence s key writings among them analyses of premodern and modern Islamic discourses practices and institutions and methodological reflections on the contextual study of religion Six methodologies serve as the organizing rubric theorizing Islam revaluing Muslim comparativists translating Sufism deconstructing religious modernity networking Muslims and reflecting on the Divine Throughout Lawrence attributes the resilience of Islam to its cosmopolitan character and Muslims engagement in cross cultural dialogue Several essays also address the central role of institutional Sufism in various phases and domains of Islamic history The volume concludes with Lawrence s reflections on Islam s spiritual and aesthetic resources in the context of global comity Modeling what it means to study Islam beyond political and disciplinary borders as well as a commitment to linking empathetic imagination with critical reflection this reader presents the broad arc of Lawrence s prescient contributions to the study of Islam **Young Islam** Avi Max Spiegel, 2017-03-14 How the competition for young recruits is creating rivalries among Islamists today Today two thirds of all Arab Muslims are under the age of thirty *Young Islam* takes readers inside the evolving competition for their support a competition not simply between Islamism and the secular world but between different and often conflicting visions of Islam itself Drawing on extensive ethnographic research among rank and file activists in Morocco Avi Spiegel shows how Islamist movements are encountering opposition from an unexpected source each other In vivid and compelling detail he describes the conflicts that arise as Islamist groups vie with one another for new recruits and the unprecedented fragmentation that occurs as members wrangle over a shared urbanized base Looking carefully at how political Islam is lived expressed and understood by young people Spiegel moves beyond the top down focus of current research Instead he makes the compelling case that Islamist actors are shaped more by their relationships to each other than by their relationships to the state or even to religious ideology By focusing not only on the texts of aging elites but also on the voices of diverse and

sophisticated Muslim youths Spiegel exposes the shifting and contested nature of Islamist movements today movements that are being reimagined from the bottom up by young Islam The first book to shed light on this new and uncharted era of Islamist pluralism in the Middle East and North Africa Young Islam uncovers the rivalries that are redefining the next generation of political Islam *Schooling Islam* Robert W. Hefner, Muhammad Qasim Zaman, 2010-12-16 Since the Taliban seized Kabul in 1996 the public has grappled with the relationship between Islamic education and radical Islam Media reports tend to paint madrasas religious schools dedicated to Islamic learning as medieval institutions opposed to all that is Western and as breeding grounds for terrorists Others have claimed that without reforms Islam and the West are doomed to a clash of civilizations Robert Hefner and Muhammad Qasim Zaman bring together eleven internationally renowned scholars to examine the varieties of modern Muslim education and their implications for national and global politics The contributors provide new insights into Muslim culture and politics in countries as different as Morocco Egypt Pakistan India Indonesia Iran and Saudi Arabia They demonstrate that Islamic education is neither timelessly traditional nor medieval but rather complex evolving and diverse in its institutions and practices They reveal that a struggle for hearts and minds in Muslim lands started long before the Western media discovered madrasas and that Islamic schools remain on its front line *Schooling Islam* is the most comprehensive work available in any language on madrasas and Islamic education **International Law and Islam** Ignacio de la Rasilla del Moral, Ayesha Shahid, 2018-12-10 *International Law and Islam* Historical Explorations offers a unique opportunity to examine the Islamic contribution to the development of international law in historical perspective The role of Islam in its various intellectual political and legal manifestations within the history of international law is part of the exciting intellectual renovation of international and global legal history in the dawn of the twenty first century The present volume is an invitation to engage with this thriving development after generations of prejudiced writing regarding the notable contribution of Islam to international law and its history **Global Responses to Terrorism** Mary Buckley, Rick Fawn, 2004-02-24 The terrorist attacks of September 11th and more recent atrocities in Russia Indonesia and Kenya have demonstrated that terrorism now poses the most dangerous threat to stability democracy and prosperity around the world This major new book examines how the world has reacted to and been affected by the attacks on September 11th ensuing war in Afghanistan and President George W Bush s declaration of a war on terror as the first war of the 21st century The contributions by distinguished specialists in the field examine the domestic implications of terrorism and counter terrorist initiatives across the world Few books can boast the quality and range of the contributions to this volume which locate the war on terror in a truly global and intellectual context Islam, Fundamentalism, and the Betrayal of Tradition, Revised and Expanded Joseph E.B. Lombard, 2009-08-16 This fully revised edition of the critically acclaimed book contains a series of essays that explain the misconceptions that lie at the heart of Western attitudes towards Islam Including a new essay on the role of women in Islam an updated chapter containing insights into the concept of Jihad and three fully revised

Can Islam Be French? John R. Bowen, 2011-11-06 Bowen asks not the usual question how well are Muslims integrating in France but rather how do French Muslims think about Islam In particular Bowen examines how French Muslims are fashioning new Islamic institutions and developing new ways of reasoning and teaching He looks at some of the quite distinct ways in which mosques have connected with broader social and political forces how Islamic educational entrepreneurs have fashioned niches for new forms of schooling and how major Islamic public actors have set out a specifically French approach to religious norms from publisher description
