The Collected Letters of Ellen Terry Dame Ellen Terry, 2010 **The Collected Letters of Ellen Terry, Volume 4** Katharine Cockin, 2016-05-23 Ellen Terry's correspondence was both exuberant and extensive. Her remaining letters provide a fascinating insight into the dynamics of the Victorian theatre and the difficulties of life for a woman maintaining a successful public persona whilst raising two illegitimate children **Bernard Shaw's Marriages and Misalliances** Robert A. Gaines, 2017-10-25 This book combines the insights of thirteen Shavian scholars as they examine the themes of marriage relationships and partnerships throughout all of Bernard Shaw's major works. It also connects Shaw's own experiences of love and marriage to the themes that emerge in his works, showing how his personal relationships in and out of matrimonial bonds change the ways his characters enter and exit marriages and misalliances. While providing a wealth of new analysis, this collection of essays also leaves lingering questions for the reader to spark continuing dialogue in both individual and academic settings **The Collected Letters of Ellen Terry, Volume 5** Katharine Cockin, 2016-06-03 Ellen Terry's correspondence was both exuberant and extensive. Her remaining letters provide a fascinating insight into the dynamics of the Victorian theatre and the difficulties of life for a woman maintaining a successful public persona whilst raising two illegitimate children **The Collected Letters of William Morris, Volume II, Part B** William Morris, 2014-07-14 These volumes continue the only complete edition of the surviving correspondence of William Morris 1834-1896, a protean figure who exerted a major influence as poet, craftsman, master printer, and designer. Covering the years 1881 through 1888, they treat the most dramatic period in another facet of Morris's career: his work as a political activist. The Writer Writing Francis-Noël Thomas, 2014-07-14 In an age of authorless contextless deconstructed texts Francis No l Thomas argues that it is time to re examine a fundamental but neglected concept of literature writing is an action whose agent is an individual Addressing both general readers and scholars Thomas offers two cases Bernard Shaw s *Saint Joan* and Marcel Proust s *A la recherche du temps perdu* read against the background of the authors large eccentric and surprisingly similar claims about their texts as acts He examines

what happens when we take these claims seriously enough to find out why the authors made them in the first place and what bearing they have on the texts themselves Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Bernard**
