## **Shedding Years Growing Older Feeling Younger:**

**Shedding Years** Phyllis Greene, 2003 The author of *It Must Have Been Moonglow* presents a collection of reflections both humorous and poignant on the challenges and joys of the senior years The Journey of Women After 40 Liana Kallierou-Xylas, 2011-10-28 *Woman After Forty* is a psychological journey in the life of every woman as well as a compass pointing to the future Women Readers over forty from the scientific studies from research centers as Harvard University Johns Hopkins University and the Mayo Clinic will find their own ways to understand and value their outward appearance and inner strength in order to feel healthy useful and fulfilled Also they will draw strength from their maturity so that they can better serve and enjoy their personal goals at the various stages of their lives I like to think of it as a breath of optimism to help women confront the future with strength and energy Designated Daughter D.G. Fulford, 2008-04-01 Funny poignant and wise *Designated Daughter The Bonus Years with Mom* is D G Fulford's uplifting story of how after her father's death she returned home to become her mother's closest companion a move that brought her more in return than she could ever have expected D G recalls how she and her mother a pair who are opposites in almost every way including how they unload the dishwasher came together to learn what it means to be best friends and to need each other in the truest sense Sharing her experience of the lessons expectations and surprises involved with caregiving D G also reveals her unique perspective as daughter mother and grandmother and the wonderful ways to honor four generations of family D G's eighty eight year old mother Phyllis Greene adds her own remarkable voice contributing her point of view at the end of each chapter With humor and grace D G and her mom talk about keeping in touch with D G's two brothers as the entire family copes with the challenges and pleasures of change and transition Woven throughout are the stories of other mothers and daughters who despite many hardships and sacrifices manage to draw from their mutual love and support and embrace these bonus years together as an opportunity to celebrate each other's insight This is a heartwarming refreshing and inspiring mother daughter story about sharing the very best years Moving sensitive and above all honest *Designated Daughter* speaks to the joys and privileges of bringing generations together toward the end of life a hopeful message for mothers and their children everywhere **The Stages of Age** Anne Davis Basting, 1998 A first of its kind study that explores the intersections of performance and aging Playwright and scholar Anne Davis Basting explores both aging actors and aging AS acting in a cross section of American theatrical representations that hope to catalyze shifts in our understanding of age Illustrations *New Books on Women and Feminism*, 2004 *Library Journal*, 2002 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Growing Old Danielle Quinodoz, 2014-05-22 People react very differently to the process of ageing Some people shy away from old age for as long as they can and eventually spend it reflecting on times when they were physically and mentally stronger and more independent For others old age is embraced as a new adventure and something to look

forward to In this book psychoanalyst Danielle Quinodoz highlights the value of old age and the fact that although many elderly people have suffered losses either of their own good health or through bereavement most have managed to retain the most important thing their sense of self Quinodoz argues that growing old provides us with the opportunity to learn more about ourselves and instead of facing it with dread it should be celebrated Divided into accessible chapters this book covers topics including the internal life history remembering phases of life anxiety about death being a psychoanalyst and growing old Throughout Growing Old the author draws on both her clinical experience of working with the elderly and her own personal experience of growing old This makes it an interesting read for both practising psychoanalysts and those who wish to gain a greater insight of the natural progression into later life
