The Shepherd's Journal William James Clarke,1909 *The Breeder's Gazette* ,1901 Jack May's War Robert Perry,1998 Historians usually assume that the battles fought in Southwestern Virginia Eastern Kentucky and Eastern Tennessee played an insignificant role in the outcome of the Civil War This book challenges that assumption Focusing on the career of Colonel Andrew Jackson May for whom the defense of the region was a personal crusade it reveals that the victories which the Confederates won in this theater allowing them to retain control of Preston s Saltworks and the Virginia Tennessee railroad preserved the integrity of the Confederacy and thereby prolonged the war **Drovers Journal Year Book of Figures of the Livestock Trade** ,1923 *Casper* Con Trumbull,Kem Nicolaysen,2013 Spread along the North Platte River in central Wyoming the city of Casper was established in 1888 near the site of old Fort Caspar As a stop along the Fremont Elkhorn Missouri Valley Railroad Casper quickly became an important hub for the region s wool and beef industries With the discovery of oil nearby soon after the town was founded Casper was declared the Oil Capital of the Rockies and quickly expanded Since those early days Casper has survived many booms and busts to become one of the largest cities in the state of Wyoming The area is rich in history from pioneer trails such as the Oregon California Bozeman and Mormon Trails to early day homesteaders and has remained central to Wyoming s politics and industry Casper today is a growing city with strong ties to agriculture oil gas and wind energy and has several museums with historical fossil and art collections Official Catalog ,1916 *Frontier Scots* Jenni Calder,2020-05-15 Today there are up to 25 million Americans who claim to have Scottish heritage Many of these people are the descendants of Scots who journeyed to America in the 19th Century and became true pioneers in the West These men and women were real cowboys and homesteaders they were sheriffs and outlaws they mined gold and built railroads and they were among the first to conquer the frontier making lives

for themselves in the wild west Most importantly they became the Scots who helped to shape the United States of America From the commended to the condemned the Scots who braved America s frontier territories have made a lasting impact on what is now the world s most powerful country This is an accurate and fascinating depiction of these people and their stories giving real insight into the lives of the frontier Scots Grand Island and Hall County Stuhr Museum of the Prairie Pioneer,2007 Grand Island and Hall County settled by German immigrants in 1857 benefited from the diversification that the railroad and western immigrants brought to central Nebraska Their stories captured in these images are the stories of the heart and soul of America Located in the Platte River valley Grand Island and Hall County have long served as a gateway to the West Thousands of western immigrants traveling the California Overland and Mormon Trails purchased their supplies from the many road ranches scattered across Hall County The Union Pacific Railroad arrived in Grand Island on July 8 1866 and brought with it growth and prosperity Grand Island swiftly evolved from a prairie town to a railroad city From the sugar beet factory to the world s second largest horse and mule market business and industry flourished and the people of Hall County reaped the benefits **Nebraska History** Michael L. Tate,1995-08-22 The first systematic bibliographical tool ever assembled for the state of Nebraska The Nebraska Farmer ,1914 **To the Ends of the Earth** T. M. Devine,2011-10-25 The Scots are one of the world s greatest nations of emigrants For centuries untold numbers of men women and children have sought their fortunes in every conceivable walk of life and in every imaginable climate All over the British Empire the United States and elsewhere the Scottish contribution to the development of the modern world has been a formidable one from finance to industry philosophy to politics To the Ends of the Earth puts this extraordinary epic center stage taking many famous stories from the Highland Clearances and emigration to the Scottish Enlightenment and empire and removing layers of myth and sentiment to reveal the no less startling truth Whether in the creation of great cities or prairie farms the Scottish element always left a distinctive trace and Devine pays particular attention to the exceptional Scottish role as traders missionaries and soldiers This major new book is also a study of the impact of the global world on Scotland itself and the degree to which the Scottish economy was for many years an imperial economy with intimate important links through shipping engineering jute and banking to the most remote of settlements Filled with fascinating stories and an acute awareness of the poverty and social inequality that provoked so much emigration To the Ends of the Earth will make its readers think about the world in a quite different way Wool Markets and Sheep ,1900 *Live Stock Journal* ,1893 *Official Catalog* Chicago (Ill.). International Livestock Exposition,1909 **Trial of the reverend Robert Taylor ... upon a charge of blasphemy, with his defence. To which is now added, the judgment of the court of king's bench, and the reverend defendant's address** ,1828
