Anthology of Philosophical and Cultural Issues Yijie Tang, 2016-08-02 This book argues that a general understanding of traditional Chinese philosophy can be achieved by a concise elaboration of its truth goodness and beauty that goodness and beauty in Chinese philosophy combined with the integration of man and heaven knowledge and practice scenery and feeling reflect a pursuit of an ideal goal in traditional Chinese philosophy characterized by the thought mode uniting man and nature This book also discusses the anti traditionalism of the May Fourth Movement explaining that the true value of sagacity theory in traditional Chinese philosophy especially in Neo Confucianism in the Song and Ming dynasties lies in its insights into universal life In addition existing ideas issues terminologies concepts and logic of Chinese philosophical thought were actually shaped by Western philosophy It is necessary to be alienated from traditional status for the creation of a viable Chinese philosophy Modern Chinese philosophy in the 1930s and 1940s was comprised of scholarly work that characteristically continued rather than followed the traditional discourse of Chinese philosophy That is to say in the process of studying and adapting Western philosophy Chinese philosophers transformed Chinese philosophy from traditional to modern In the end of the book the author puts forward the idea of a New Axial Age He emphasizes that the rejuvenation of Chinese culture we endeavor to pursue has to be deeply rooted in our mainstream culture with universal values incorporating cultures of other nations especially the cultural essence of the West

Sisterhood Is Global Robin Morgan, 2016-03-08 A powerful and essential anthology that sheds light on the status of women throughout the world Hailed by Alice Walker as one of the most important human documents of the century this collection of groundbreaking essays examines the global status of women s experiences from oppression to persecution Originally published in 1984 the compilation features pieces written by a diverse set of powerful women journalists politicians grassroots activists and scholars from seventy countries Author Robin Morgan a

champion of women's rights herself expertly weaves these inspiring essays into one comprehensive feminist text. These compelling herstories contain thoroughly researched statistics on the status of women throughout the world. Each chapter focuses on a different country and includes data on education, government, marriage, motherhood, prostitution, rape, sexual harassment, and sexual preference. *Sisterhood Is Global* transcends political systems and geographical boundaries to unite women and their experiences in a way that remains unequalled even decades after its first publication.

New Daughters of Africa Various Authors, 2022-08-25

Three decades after her pioneering anthology *Daughters of Africa*, Margaret Busby curates an extraordinary collection of contemporary writing by 200 women writers of African descent, including Zadie Smith, Bernardine Evaristo, and Chimamanda Ngozi Adichie. A glorious portrayal of the richness and range of African women's voices, this major international book brings together their achievements across a wealth of genres. From Antigua to Zimbabwe and Angola to the USA, overlooked artists of the past join key figures, popular contemporaries, and emerging writers in paying tribute to the heritage that unites them, the strong links that endure from generation to generation, and their common obstacles around issues of race, gender, and class. Bold and insightful, brilliant in its intimacy and universality, this landmark anthology honours the talents of African daughters and the inspiring legacy that connects them and all of us.
