relationship between trademark law and brand strategy and the building and repositioning of individual brands as case studies in the effects of competition **Authentic and Inauthentic Places in Tourism** Jane Lovell,Chris Bull,2017-09-05

With the rise of post truth and fake news a thorough examination of authenticity has never been so relevant This book explores the geography of authenticity investigating a wide variety of places used by tourists Not only does it assess what might be described as the more traditional objects for examination places such as the city the countryside and the coast it also includes chapters on art and place hipster places gentrification heritage sites film locations photographed places and eventful places Using a wide angled lens on places reveals linkages and possibilities enabling the book to skate across the surface of the geography of authenticity locating the magically real heritage site the poignant replica the authenticated theme park the unmasked carnival In focusing on authentic and inauthentic places this text provides a useful contribution to the understanding of how places are changing how they are perceived and how authenticity is embodied and performed within them Authentic and Inauthentic Places in Tourism is an insightful study and an essential read for those involved in the study of geography tourism urban studies culture and heritage John Betjeman William S. Peterson,2006 Sir John Betjeman 1906 1984 Poet Laureate was probably the most widely read English poet of the twentieth century Because of his frequent appearances on radio and television and his fervent devotion to the preservation of England s architectural heritage his face and voice became familiar to millions Few other poets of any century have had such a powerful influence on their contemporaries This bibliography lists and describes all of his known writings including his own books ephemera contributions to periodicals and to books by others lectures and radio and television programmes Other categories such as editorships music settings and dramatic adaptations of his poems recordings and interviews are also included as well as a section devoted to writings about him Manuscripts and drafts of all his works are described in detail This enormous body of material is thoroughly indexed cross referenced and in most cases annotated Now at last the activities of this remarkable man both a poet and a cultural phenomenon can be seen in their full breadth and complexity
