Note-book of the Shelley Society Shelley Society,1888      **Shelley's political thought** John Pollard Guinn,2015-07-24  
No detailed description available for Shelley s political thought      Percy Bysshe Shelley Jacqueline Mulhallen,2015-10-20  
Percy Shelley 1792 1822 was one of the major English Romantic poets This biography of emphasises the political revolutionary side of his dramatic life Shelley has long been revered for his poems To A Skylark and The Mask of Anarchy but this was not always the case During his short and tragic life he was regarded with loathing as an immoral atheist and his work received damning reviews as a result His was a story of extremes his radical ideas were unusual as he was the son of a wealthy landowner and set to become a Whig MP Today a focus on his belief in sexual freedom and vegetarianism often eclipses his informed internationalist and revolutionary politics Admired by Oscar Wilde Thomas Hardy W B Yeats and Karl Marx Shelley s legacy remains with us today his words have been used by popular movements from the Chartists and the Suffragettes to Tiananmen Square the Poll Tax protesters and modern Greek solidarity movements      *The Shelley society's publications* Shelley society,1884      **Shelley's Principles** Henry S. Salt,      **Shelley and nonviolence** Art Young,2015-07-24 No detailed description available for Shelley and nonviolence      *The Godwins and the Shelleys* William St Clair,1991-06 Based on a thorough exploration of the vast family archives The Godwins and the Shelleys sheds new light not only on an exceptional family but on the history and literature of the revolutionary and romantic age      **Literature and the Economics of Liberty: Spontaneous Order in Culture** ,2009      **The Radicalism of Shelley and Its Sources** Daniel J. MacDonald,1912      **Thinkers, Activists, and Politics** R. G. Aveling,Eleanor Marx Aveling,1979      **The Life and Letters of Mary Wollstonecraft Shelley II** Florence A. Thomas Marshall,2016-09-05 Mary Wollstonecraft Shelley was an English novelist short story writer dramatist essayist biographer and travel writer best known for her Gothic novel Frankenstein or The Modern Prometheus 1818 She also edited and promoted the works of her husband the Romantic poet and philosopher Percy Bysshe Shelley Her father was the political philosopher William Godwin and her mother was the philosopher and feminist Mary Wollstonecraft After Wollstonecraft s death less than a month after her daughter Mary was born Mary was raised by Godwin who was able to provide his daughter with a rich if informal education encouraging her to adhere to his own liberal political theories When Mary was four her father married a neighbour with whom as her stepmother Mary came to have a troubled relationship      Explorations ,1969      The Radicalism of Shelley and

Its Sources Daniel J. MacDonald, 2022-08-10 The following study of the development of the religious and political views of Shelley is made with the view to help one in forming a true estimate of his work and character That there is a real difficulty in estimating correctly the life and works of Shelley no one acquainted with the varied judgments passed upon him will deny By some our poet is regarded as an angel a model of perfection by others he is looked upon as a rare prodigy of crime and pollution whose look even might infect Mr Swinburne calls him the master singer of our modern poets but neither Wordsworth nor Keats could appreciate his poetry W M Rossetti in an article on Shelley in the ninth edition of the Encyclopedia Britannica writes as follows In his own day an alien in the world of mind and invention and in our day scarcely yet a denizen of it he appears destined to become in the long vista of years an informing presence in the innermost shrine of human thought Matthew Arnold on the other hand in one of his last essays writes But let no one suppose that a want of humor and a self delusion such as Shelley s have no effect upon a man s poetry The man Shelley in very truth is not entirely sane and Shelley s poetry is not entirely sane either Views so entirely different coming as they do from such eminent critics are surely perplexing Nevertheless there seems to be a light which can illuminate this difficulty render intelligible his life and works and help us to form a just estimate of them This light is a comprehension of the influence which inspired him in all he did and all he wrote in a word a comprehension of his radicalism **Shelley and the Chaos of History** Hugh

Roberts, 2010-11-01 **Percy Shelley for Our Times** Omar F. Miranda, Kate Singer, 2024-03-14 Two centuries after Percy Shelley s death his writings continue to resonate in remarkable ways Shelley addressed climate change women s liberation nonbinary gender and political protest while speaking to Indigenous queer trans disabled displaced and working class communities He still inspires artists and social justice movements around the world today Yet Percy Shelley for Our Times reveals an even more farsighted writer one whose poetic methodology went beyond the didactic powers of prophetic art Not historicist presentist or transhistorical Shelley for our times conceives worlds outside himself his poetry and his era envisioning how audiences connect and collaborate across space and time This collection revitalizes a writer once considered an adolescent of idealist protest showing how his interwoven poetics of relationality continually revisits the meaning of community and the contemporary This title is part of the Flip it Open programme and may also be available Open Access Check our website Cambridge Core for details

*Radical Shelley* Michael Henry Scrivener, 2014-07-14 This study oilers a new definition of Shelley s place in English radical culture Treating the poet s literary career as an active intervention in the social world Professor Scrivener shows how Shelley designed each text to provoke different audiences in a Utopian direction despite the political repression and other cultural limitations of which he was acutely aware Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to

vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **Mary Shelley** Emily W. Sunstein, 1991-08 Winner of the Prize for Independent Scholars from the Modern Language Association Notable Book of the Year from The New York Times Daughter of pioneer feminist Mary Wollstonecraft and radical philosopher William Godwin lover and wife of Percy Bysshe Shelley author of *Frankenstein* and creator of the science fiction genre Mary Shelley has remained a figure both undervalued and enigmatic In this authoritative ground breaking biography she is finally restored to her rightful stature as one of the major figures in English literary history Here for the first time is a full account of Mary Shelley's career significant areas of which have never before been examined her precocious childhood her adolescent liaison with the radical poet Shelley her creation of *Frankenstein* at the age of nineteen her tempestuous but brilliant married years with Shelley and of particular note the dramatic second half of her life after Shelley's death Emily Sunstein has also discovered previously unknown works written by Mary Shelley and traces the development of her unjustly clouded posthumous reputation      Shelley's Process Jerrold E. Hogle, 1989-01-12 In this set of thorough and revisionary readings of Percy Bysshe Shelley's best known writings in verse and prose Hogle argues that the logic and style in all these works are governed by a movement in every thought memory image or word pattern whereby each is seen and sees itself in terms of a radically different form For any specified entity or figure to be known for what it is it must be reconfigured by and in terms of another one at another level which must then be dislocated itself In so delineating Shelley's process Hogle reveals the revisionary procedure in the poet's various texts and demonstrates the powerful effects of radical transference in Shelley's visions of human possibility      Mary Shelley Anne Kostelanetz Mellor, 1989 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company
