legacy of the world's first truly modern myth The New Annotated Frankenstein includes Nearly 1 000 notes that provide information and historical context on every aspect of Frankenstein and of Mary Shelley's life Over 200 illustrations including original artwork from the 1831 edition and dozens of photographs of real world locations that appear in the novel Extensive listings of films and theatrical adaptations An introduction by Guillermo del Toro and an afterword by Anne K Mellor A Literary History of England Vol. 4 A Baugh,2004-06-02 First published in 1959 The scope of this four volume work makes it valuable as a work of reference connecting one period with another and placing each author clearly in the setting of his time This is the fourth volume and includes the Nineteenth Century and after 1789 1939 **Shelley: The Pursuit** Richard Holmes,2013-03-20 Shelley The Pursuit is the book with which Richard Holmes the finest literary biographer of our day made his name Dispensing with the long established Victorian picture of Shelley as a blandly ethereal character Holmes projects a startling image of a darker and more earthly crueler and more capable figure Expelled from college disowned by his aristocratic father driven from England Shelley led a life marked from its beginning to its early end by a violent rejection of society he embraced rebellion and disgrace without thought of the cost to himself or to others Here we have the real Shelley radical agitator atheist apostle of free love but above all a brilliant and uncompromising poetic innovator whose life and work have proved an essential inspiration to poets as varied as W B Yeats and Allen Ginsberg Byron, Shelley, Hunt, and "The Liberal" William Harvey Marshall,2017-01-30 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas
