Stories for long nights Samantha Sveum, 2016-12-28 This book is a collection of stories that I have written over the years Short Days, Long Nights Shawn Scuefield, 2018-05-31 What happens when the ordinary clashes with the extraordinary Or when fear and wonder intersect with the eeriness of the inexplicable In *The Resurrection Man* A strangers visit to a small town turns the lives of its residents upside down as dark days from the past are revisited and suddenly dead no longer really means dead In *Nameless Faceless* After nightmares begin plaguing Eric Meecham ruining his relationships and leaving him questioning his sanity he turns to a beautiful psychiatrist to lead him to the truth behind the dreams but is he ready to face it In *The Driver* The rocky marriage of Howard and Mora Mitchell has been hanging by a thread for years Now after a night of bad decisions it is barreling full speed towards a tragic ending In *The Welcomers* Mia Shaw and David Payne embark upon what was to be an uneventful road trip until they stop in an obscure town inhabited only by the elderly and an ancient evil that doesnt want them to leave In *Love thy Neighbor Or in the Very Least Pretend Conman* Royal Gaines finds these are words to live by when he discovers the dark secret owned by his latest mark In *One Step Forwards Two Steps Back Down* on his luck Jake McCabe grapples with the revelation that the choices hes made to better his own future seem to have doomed the future of all mankind *Short Days Long Nights* takes you on a journey through the dark and unknown

The Long Walk Back Home A Quest For Freedom Douglas Davis, 2018-08-03 Become involved in Hunter s westward quest for freedom during the Civil War when the forced Long Walk and tragic enslavement threatened the destruction of his proud people This Navajo youth displays three loves of homeland culture and tribe while struggling with daily survival issues dangerous wildlife and the greed of soldiers determined to eliminate this cherished freedom Religious enlightenment develops for Hunter while walking in beauty with nature and contending with convoluted cross roads of truth and irony Freedom has never been free **The Long Night** Stanley John Weyman, 1903 *The Land of the Long Night* Paul Belloni Du Chaillu, 1905 Late Nights on Air Elizabeth Hay, 2009-05-01 The Giller Prize winning novel from the 1 bestselling author of *All Things Consolled* A pleasure from start to finish Toronto Star It s 1975 when beautiful Dido Paris arrives at the radio station in Yellowknife a frontier town in the Canadian north She disarms hard bitten broadcaster Harry Boyd and electrifies the station setting into motion rivalries both professional and sexual As the drama at the station unfolds a proposed gas pipeline threatens to rip open the land and inspires many people to find their voices for the first time This is the moment before television conquers the north s attention when the fate of the Arctic hangs in the balance After the snow melts members of the radio station take a long canoe trip into the Barrens a mysterious landscape of lingering ice and infinite light that exposes them to all the dangers of the ever changing air Spare witty and dynamically charged this compelling tale embodies the power of a place and of the human voice to generate love and haunt the memory Hay s writing is so alluring and her lost souls so endearing that you ll lean in to catch the story s delicate developments as these characters

shuffle along through quiet desperation and yearning The Washington Post Hay's spare nuanced writing reflects the landscape of northern Canada The novel unfolds as a long lovely examination of how we learn to see ourselves in the places we choose to live The Associated Press *The Long Night* Jessica Kantrowitz,2020-05-19 You've done what you can you've seen your doctor made an appointment with a therapist picked up the prescription for the antidepressant and swallowed that first strange pill But it can take four to eight weeks for the meds to start to work and it might take two or more tries before you and your doctor find the ones that work best for you When you're in the midst of terrible depression those weeks can feel like an eternity You just want to feel better now This book is for those who are in the long night of waiting It does not promise healing or deliverance it is not a guide to praying away the depression It is simply an attempt to sit next to you in the dark while you wait for the light to emerge Drawing on the wisdom of spiritual figures from the past and present including Henri Nouwen Thomas Merton Barbara Brown Taylor Bunmi Laditan and many others *The Long Night* is a comforting and inspirational companion for anyone in the midst of depression Writer editor and minister Jessica Kantrowitz has been where you are As a mentor and friend she will walk with you on this journey toward life and light **God'S Grace: a Long Night'S Journey into Day** Leta H. Montague,2011-06-29 God's Grace briefly discusses the issues and pain associated with divorce The main thrust of the book is to show how God's mercy and grace was manifested during the long journey of the divorce The author tries to show that even though divorce is not God's will he provides and cares for his children through that long journey and he does not let them walk alone Long Night's Journey into Day Charles G. Roland,2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity *Long Night's Journey into Day* centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s *Long Night's Moon* Cate Martin,2022-12-13 Prohibition ended on December 5 1933 But just because alcohol is legal doesn't mean it's easy to find Anna Olsen wants her sister to have all the best for her engagement party And the best means champagne

Only scarcity thwarts her every attempt to find any She knows where to find all she could ever want But getting it Not so easy George Andrews appreciates his mentor trying to find him a bride But none of the candidates at his mentor s New Year s Eve party intrigue him half as much as the woman he catches sneaking around the back corridors looking for the wine cellar But what links her to the man like a father to him Long Night s Moon a short story of romance with a little crime set in post Prohibition Minnesota The Long Night of Winchell Dear Robert James Waller,2007-06-26 The steady tick of an aged Regulator wall clock and the squeak of an overhead fan turning slowly are soft but insistent counting down the night while the high desert thrums like a half remembered Victrola song The sounds are below the consciousness of Winchell Dear an old time gambler a Texas poker player on the southern circuit as he waits for something something vague that his life of chance tells him is evil and moving his way He has gassed and oiled the Cadillac and adjusts the pistol in his right boot then plays one of the six fiddle tunes he knows thinking back to his good days with Lucinda Miller Alone he waits in his remote ranch house while just outside an acquaintance named Luther hunts unblinking and of nervous temperament and moving through yellow primrose bending in the night wind In Diablo Canyon a distant part of Winchell Dear s ranch Peter Long Grass squats by a campfire contemplating the profile he saw moving along the ridge of Guapa Mountain an hour ago thinking about the gambler s housekeeper Sonia Dominguez about the small quiet world he has fashioned far from civilization and what undefined presence might now be threatening it He gathers his tools and begins to run across the desert floor And boring toward all of them is a cream colored Lincoln Continental with two men aboard Traveling from Los Angeles on a mission they ve been given they are professionals cool and implacable at the start but becoming steadily more confused by the strange landscape they are passing through Forty minutes from their task they ready themselves while a kitchen wall clock ticks its way through the long night of Winchell Dear The Long Night of Winchell Dear finds master storyteller Robert James Waller at his best as he takes us through the wind and dust of the high desert mountains into the shadowy world of high stakes poker fought in the back rooms of Amarillo and Little Rock and headlong toward the book s stunning finale of chaotic terror where an unexpected hero emerges **Deep Black Wild** Grayson Sydney,2020-05-11 Anyone would join a cult under the right circumstances What does it mean to belong to something greater even if greater isn t necessarily good Remi Bell has felt restless and empty all his life Can t be helped when he grew up in the quiet unincorporated community of Wolfcreek West Virginia He has best friends Etta and Cooper but when Cooper brings around new girlfriend intense and insightful Fern Remi starts to question who he is and what really makes life worth living He and his friends soon find themselves in what they suspect is a cult hidden away in the forests of Norway In the midst of charged fights strange rituals and the trade of secrets Remi can t help but be drawn to Theo Ruud the enigmatic man who leads the compound Remi knows something isn t quite right especially considering Theo s violent right hand man Kipp The only problem is Remi has never felt more at home

Toil Under the Sun R. Phillip Ritter,2006-11-15 Toil Under the Sun is a powerful novel of an adopted boy s growth into

manhood as a U S Marine during the Forgotten War in Korea It is an intricately crafted account of friendship and betrayal fear and courage shame and atonement which in exquisitely written prose explores the hidden rage and abnegation of an adopted child Many of the great themes of literature and of life are woven into this masterful story love honor respect courage guilt fear faith and redemption And most importantly the story is guided throughout by the fundamental belief that our lives have meaning far beyond our daily toil under the sun The author R Phillip Ritter is the son of a Korean War veteran and the father of two beloved sons one of whom served as a U S Marine in Operation Iraqi Freedom This novel draws considerably from the author s personal experiences of growing up with a deeply humble father who seldom spoke of his experiences in Korea and of learning to face the many challenges of parenting two adopted sons The historical allusions to the Marine defense of Fox Hill in North Korea a struggle against overwhelming odds imbues the story with a desperate realism that creates an important backdrop to this insightful exploration of the inner turmoil of an adopted child Take Up Your Mat and Walk Mark Mah,2016-10-07 This book uses the metaphor of walking to gain insight into the spiritual life Walking is the most basic movement of the human body For many people walking carries no value on its own except to transit between two points From the spiritual perspective we can derive many benefits through the act of walking As a spiritual discipline walking not only has health benefits but generates different states of well being that are good for the human soul and spirit Walking gives us pleasure joy happiness and serenity Metaphorically speaking walking gives us a sense that we are on a journey with God It also helps us to know the importance of engaging our physical bodies in our spirituality It keeps us attuned to the present moment cultivates in us a sense of wonder in the natural world creates an inner space in our cluttered lives highlights the need for solitude and silence and gives us the freedom of simplicity that the soul enjoys

Capra like sweetness that forces us to see the author in a new light From this new collection a remarkable portrait of the American psyche at mid century emerges unforgettably distilled by the inimitable eye of Patricia Highsmith A New York Times Notable Book and a Washington Post Rave of 2002 A Modern English Grammar on Historical Principles Otto Jespersen, 2013-05-24 This book was first published in 1954 A Modern English Grammar on Historical Principles is a valuable contribution to the field of English Grammar and Linguistics
