English The sections are preceded by a prologue tracing the development of the study of formulaic language and followed by an epilogue which draws together the threads laid out in the various papers The relation between language and culture in general has been explored in a number of important works over the past ten years However the study of the relation between English phraseology and culture in particular has been largely neglected This volume is the first book length publication devoted entirely to this topic

Soft Focus Jayne Ann Krentz,2000-10-01 With her hallmark blend of sparkling style and wit intricate suspense and steamy passion Jayne Ann Krentz is truly one of a kind One of today s premier storytellers she has more than twenty three million copies of her novels in print Now the phenomenal New York Times bestselling author spins her latest scintillating tale a story of two people bound together by that most binding of ties a business contract Elizabeth Cabot is all business She knows how to maximize her investments and cut her losses in both her career and her personal life So when she discovers that Jack Fairfax has deceived her she s determined to end their relationship Putting a stop to their budding romance is easy But breaking up their business deal will be more difficult Despite all her efforts she has no luck disentangling herself from Jack s client company Excalibur But the situation becomes even more strained when a new obstacle emerges a lethal act of sabotage that could put both of them out of business for good Elizabeth is no fool If she can help Jack save Excalibur she ll recoup her substantial investment plus millions in profit Putting her emotions aside she insists on helping him search for the scientist who s disappeared with a valuable new crystal that could revolutionize the high tech industry She ll go in solve the problem and get out The trail leads Elizabeth and Jack to a fringe film festival but their goal is as elusive as the shadowy black and white images from classic noir films Life starts to imitate art and double dealing seems to be the name of the game For these business adversaries turned reluctant partners keeping an eye on each other and the lid on a sizzling attraction seems the only insurance against further treachery But with millions at stake trust can turn to betrayal in the blink of an eye
