Nursing Assistants 9th Edition prepares you to succeed as a professional caregiver for residents in long term care settings. More than 100 step by step procedures include clear instructions for performing skills such as bedmaking, measuring vital signs, and collecting specimens. Not only does the book cover the functions and limitations of the nursing assistant's role but its delegation guidelines outline the information you need to collect from the nurse and care plan before performing and then documenting a procedure. Written by Clare Kostelnick, an experienced nurse and instructor, this text also helps you prepare for success on the Nursing Assistant certification exam. Concise long term care content is presented at a 6th grade reading level to make understanding easier for readers of all levels and abilities. More than 100 procedures are divided into pre procedure, procedure, and post procedure sections for easier learning, and a NATCEP icon indicates skills that are covered in certification exams. Color illustrations and photographs depict key ideas, concepts, and procedure steps. Featured boxes highlight principles of care with Teamwork and Time Management, Quality of Life, Residents with Dementia, Time to Reflect, Promoting Safety and Comfort, Focus on Rehabilitation, Focus on Communication, and Delegation Guidelines. Procedure icons in the headings identify content for which a related procedure is included. Play icons in the Procedure boxes alert you to related video clips on the Evolve website. Key Terms and Key Abbreviations at the beginning of each chapter introduce important words, and commonly used abbreviations, and a separate glossary for each is included at the end of the book. Chapter Review Questions help you evaluate your comprehension. Review Question Answers are included at the end of the text to allow for self evaluation. NEW Updated photographs and illustrations show the latest equipment and supplies used in caring for long term care residents. NEW Basic Emergency Care chapter has new vital information on controlling bleeding and the Stop the Bleed program as well as a description of equipment used in medical emergencies. NEW Preventing Infection chapter includes updates on PPE and changes to procedures related to COVID 19. NEW Mental Health Problems chapter adds information on dealing with individuals experiencing emotional pain and suicide prevention as well as expanded information on types of depression. NEW Nutrition chapter adds new information on residents experiencing dysphagia, including current guidelines from the International Dysphagia Diet Standardisation Initiative (IDDSI).
