Metliss,2024-12-06 These journeys record the adventures of a woman who isn't afraid to travel alone They are a mesmerising and immersive read pulsating with humour and energy The writing itself is beautiful and extraordinarily vivid Every place that she visits is brought to life and imbued with a charming atmosphere The stories are grounded in fact and characterised by a profound honesty Her unique personal style shines out in the face of an increasingly grey and uniform world Lifting the Stone and Other Adventures is about the past re-visited and describes a world in the context of the author's romantic encounters that is based on appearances It is a world of male domination and control in which the feminine the soul is stored This piece is the background to the urban adventures and the reader is invited to view the show this world of delightful appearances as a product of repression Any writing that is worth its salt aspires to the universal to what touches us all **L.**

Seldoan was born in Evermore Kreechville on October 1st Enchantment Day A child with an exceptional ability to draw but developmentally delayed speech and reading However she is in no pain and is very happy as a Kreechin She is obsessed with mirrors and exhibits ritualistic behaviors where she separates her veggies by color and washes her hands three times before bed She feels trapped in her mind and at times expresses anxiety as a goldfish needs water Hsittiks relies on drawing collecting mirrors and stacking cups to gain control of her many thoughts She gives poor eye contact when communicating face to face with others and stumbles over her words when talking in conversations If the environment gets too noisy she experiences unrest by beating tabletops with her flailing arms and hands She often makes weird noises like the buzzing

sound from a bee's wings flapping. She makes this noise with her tongue and teeth until she is calm. As a result, she prefers to be alone in total silence and takes walks through the neighborhood. Hsittiks has an Elcnu Eel who keeps her calm for long periods by telling her tall tales. At these times, Hsittiks exhibits behavior opposite of autistic mannerisms; she often displays. Elcnu Eel often reminds her that Kreechin children born on October 1st, Enchantment Day, will receive a sting from Retsim Mocnin Poop's bee Poop. They will be sent to earth to become adults, work as teachers to discipline misbehaving children, and correct parents with poor parenting skills. Hsittiks Seldoon will intrigue on her adventure from Kreechville to Earth, teaching lessons to boys and girls on Earth. In Kreechville, she is a child, but when she receives a sting from Poop, she goes to earth, becomes an adult teacher, a magical jokester with tricks. Her pranks demonstrate her masked autism for a while, but not cured. This fictional book will take you through the radical, intelligent world of a child with autism transitioning to an adult with masked autism.

Bergum, 2007-11. Marcus Andrews seeks glory in his small hometown of Eaden, Montana. He is entering his senior year of high school and has yet to attain the athletic fame that he has dreamed of his entire life. He is further burdened by his father's mental illness and confusing preoccupations. When Eaden loses its final football playoff game to a rival school, Marcus sees the upcoming basketball season as his last chance to claim immortality within his community. When his history teacher assigns a history writing project, Marcus reaches out to George O. Sullivan, an old man known for his knowledge of local Native American history as well as for rumors about his sexuality. As Marcus's friendship with George grows throughout Marcus's final year of high school, secrets are revealed that will change his life and impact his entire family. *Photographs from Eaden* follows Marcus's twelve-year journey from central Montana to San Francisco. The story is one of seeking adventure, understanding what it means to be a part of a closely knit community, and finding the value and strength of family.
