Thespian Theology John A. TenBrook, 2001 John TenBrook follows up his popular CSS titles Thespian Theology The Parables Of Jesus As One Act Plays and Thespian Theology Advent Christmas Epiphany Cycle A with an all new collection of fun and enlightening sketches based on Cycle A lectionary readings for Lent and Easter The offbeat humor of TenBrook's scenes is a great way to share the gospel audiences will laugh while they are stimulated to look at the scriptural message in a new light Originally developed for presentation by a high school age youth group these versatile pieces can be used in place of the Sunday sermon or for youth programs and other fellowship settings and the simple easy to perform sketches are an excellent tool for reaching out to unchurched people and getting them excited about Jesus Christ Each skit is accompanied by Thespian Theological Thoughts that make a clear connection between the drama and the scripture passage It's just what you need to inject a healthy dose of fun into the serious business of speaking and hearing the Word of God Some of the amusing titles include Don't Tempt Me Lent 1 Jesus Christ M.D. Ophthalmology Lent 4 First Church of the Eighteen Holes Easter 3 The True Extension Cord Easter 6 A graduate of Harvard University B.A. and M.B.A. John A. A Crown Forged in Fire Denielle Placide, 2025-10-01 You were not meant to be consumed by the fire You were meant to be crowned in it What if your greatest pain is the very thing God is using to shape your purpose What if the wounds you hide are actually the marks of a warrior being prepared for victory In A Crown Forged in Fire Where Pain Meets Purpose and Victory Denielle Placide delivers a soul stirring faith filled call to rise from the ashes of heartbreak rejection unforgiveness and trauma Weaving together her personal journey the story of Queen Esther and powerful biblical truths she reveals that pain is not where your story ends it is where your transformation begins What has happened to you cannot be undone What has happened to you does not define you What has happened to you can transform you True healing requires courage the courage to confront your pain release the past and step into your God ordained destiny It's time to stop surviving and start thriving Through raw testimonies deep reflection and spiritual empowerment this book will guide you to Break free from the chains of past pain and reclaim your identity See trials as divine preparation not destruction Find the courage to heal even when it feels impossible Step into the power and purpose God designed for you Walk boldly in faith knowing your crown was forged in fire You were never meant to bow to the fire You were meant to rise from it Your crown is waiting will you claim it

**A Change of Heart** Kevin J. McCarthy, Ph.D,2014-09-25 Any attempt to produce a change of mind or a change in behaviors is doomed to fail given our human natures While we may have thoughts of creating this process in our personal life we are unable to sustain our focus given the constant barrage of worldly distractions Slowly or quickly our resolve ebbs away and once more we re caught up in the choices that bring pain and shame into our life and the lives of those we love Nothing changes until we experience a change of heart This is not an event but rather a journey that guides life and transforms character This change of heart is a gift that is extended to those who have come to the realization that of themselves they can do nothing Surrender is the key word and that is likely a difficult concept to tolerate in our human condition Yet as you surrender your will on a regular basis your life purpose will slowly and consistently be revealed in the opportunities that arise With each succeeding door that opens there will come a flow of challenges blessings and gifts that serve to sustain and nourish continued growth Out of this process you will come to fully understand that there is a purpose for life and that the greatest joy comes from fulfilling that promise This is not a preachy book filled with solemn sayings rather it is a tribute to Jesus Christ who can work His purpose in any surrendered life My desire is that you join me on this pathway to personal transformation Your faith will grow as you come to understand the dynamic of surrender Out of your faith will grow a new and profound sense of hope that will complete its work in your life You cannot buy this gift or steal it as a possession yet it is offered freely to those who are committed to finding the truth
