Look Whos Talking An Anthology Of Voices In The Modern American Short Stories:

Look Who's Talking Bruce Weber, 1986 *Look Who's Talking* Bruce Weber, 1993-06-01 Twenty five short stories grouped into three sections first second and third person that display the rich variety found in each technique feature contributions by such authors as William Faulkner Bernard Malamud Ann Beattie John Cheever and Ring **Life Is a Wheel** Bruce Weber, 2015-03-17 Based on his popular series in the New York Times chronicling his cross country bicycle trip bestselling author Bruce Weber shares his adventures from his solo ride across the USA Riding a bicycle across the US is one of those bucket list goals that many dream about but few achieve Bestselling author and New York Times reporter Bruce Weber made the trip solo over the summer and fall of 2011 at the age of fifty seven Expanding upon his popular series published in The New York Times *Life Is a Wheel* is the witty and inspiring account of his journey where he extols the pleasures of cycling and reflects on what happened on his adventure in the world in the country and in his life The story begins on the Oregon coast with a middle aged man wondering what he's gotten himself into and ends in triumph on the George Washington Bridge wondering how soon he might try it again Part travelogue part memoir part paean to the bicycle as a simple and elegant mode of both mobility and self expression and part wry and panicky account of a fifty seven year old man's attempt to stave off mortality *Life Is a Wheel* is an elegant and entertaining escape for any armchair traveler *Emily Dickinson, Accidental Buddhist* Rupert C. Allen, 2007 Emily Dickinson at an early age became enlightened Ego transcendence awakened her to the Higher Self unleashing a torrent of creative energy that sustained her for 35 years producing hundreds of poems dealing with the phenomena of cosmic awareness This also made her a heretic for she like the Buddhists recognizes no creator god much less a deathless ego self in the form of a soul hence the secrecy of her poetic enterprise Over the years she made booklets of her poems and stashed them away to be discovered posthumously Dickinson's worldview was first described by the Buddha and has been examined at length in countless Buddhist commentaries which makes the dharma accessible to rational understanding This provides the cognitive framework of Emily Dickinson *Accidental Buddhist* It consists of lucid close readings demystifying many of Dickinson's most enigmatic poems The author RC Allen is a retired humanities professor and a veteran student of the Spanish transcendentalist poets His experience and familiarity with archetypal discourse are now devoted to the Dickinson oeuvre His previous book *Solitary Prowess The Transcendentalist Poetry of Emily Dickinson* Saru Press International appeared in 2005 *Raymond Carver* Ewing Campbell, 1992 Perhaps the most significant and influential figure in this century's wave of American realism Raymond Carver 1938 1988 is credited not only with reviving the short story as an artistically legitimate form but also with perfecting minimalist fiction His 1981 collection *What We Talk about When We Talk about Love* remains the standard against which minimalist literature is measured and his numerous prize winning and frequently anthologized stories have established him as the extender of a modernist tradition stretching from Chekhov through Joyce and Hemingway In his later collections such as *Cathedral* 1983

and *Where I'm Calling From* 1988 Carver surpasses even his own great achievement setting a bold new path for his short fiction and intensifying the scholarly attention he'd first inspired with *Will You Please Be Quiet Please* anthologized in *Best American Short Stories* of 1967 Moving chronologically through Carver's complete short fiction canon and examining key stories in depth Ewing Campbell traces the author's development through and beyond literary minimalism into the tradition of tragic allegory He explores Carver's persistent use of myth and archetype motifs of the grotesque religious iconography and oppressed spiritually paralyzed characters From the earliest stories through the latest Campbell illuminates Carver's constant fascination with the way individuals connect or fail to connect with one another

Leadership Reconsidered Ruth A. Tucker, 2008-12-01 While books and articles on leadership abound most of them are written by successful men who look at the world through the lens of a Western business model The standard for success is based on the bottom line financial growth in both the personal and corporate realms This perspective has infected Christian leadership literature as well In *Leadership Reconsidered* Ruth A. Tucker calls for a revised definition one that abandons the love of power and success for the eternal value of legacy She challenges the assumption that a leader must by definition have followers be an extrovert crave recognition and dominate others Instead legacy encompasses the values of behind the scenes influence that are available to everyone and last beyond the grave This unique and refreshing perspective on leadership is accessible and engaging and will make an impact on anyone who takes it to heart
