[Art, Creativity, and Politics in Africa and the Diaspora](#) Abimbola Adelakun, Toyin Falola, 2018-07-26 This book explores the politics of artistic creativity examining how black artists in Africa and the diaspora create art as a procedure of self making Essays cross continents to uncover the efflorescence of black culture in national and global contexts and in literature film performance music and visual art Contributors place the concerns of black artists and their works within national and transnational conversations on anti black racism xenophobia ethnocentrism migration resettlement resistance and transnational feminisms Does art by the subaltern fulfill the liberatory potential that critics have ascribed to it What other possibilities does political art offer Together these essays sort through the aesthetics of daily life to build a thesis that reflects the desire of black artists and cultures to remake themselves and their world

**The Practices of the Self** Charles Larmore, 2010-12-15 What is the nature of the fundamental relation we have to ourselves that makes each of us a self To answer this question Charles Larmore develops a systematic theory of the self challenging the widespread view that the self's defining relation to itself is to have an immediate knowledge of its own thoughts On the contrary Larmore maintains our essential relation to ourselves is practical as is clear when we consider the nature of belief and desire For to believe or desire something consists in committing ourselves to thinking and acting in accord with the presumed truth of our belief or the presumed value of what we desire Larmore develops this conception with frequent

reference to such classic authors as Montaigne Stendhal and Proust and by comparing it to other views of the self in contemporary philosophy He also discusses the important ethical consequences of his theory of the self arguing that it allows us to better grasp what it means to be ourselves and why self understanding often involves self creation Winner of the Académie Française Grand Prix de Philosophie *The Practices of the Self* is that rare kind of lucid yet rigorous work that transcends disciplinary boundaries

**Adam Smith** Jesse Norman,2018-09-11 A dazzlingly original remarkable account of the life and thought of legendary economist Adam Smith Financial Times Adam Smith 1723 1790 is now widely regarded as the greatest economist of all time But what he really thought and the implications of his ideas remain fiercely contested Was he an eloquent advocate of capitalism and individual freedom A prime mover of market fundamentalism An apologist for human selfishness Or something else entirely In the tradition of *The Worldly Philosophers* Adam Smith dispels the myths and caricatures and provides a far more complex portrait of the man Offering a highly engaging account of Smith's life and times political philosopher Jesse Norman explores his work as a whole and traces his influence over two centuries to the present day Finally he shows how a proper understanding of Smith can help us address the problems of modern capitalism The Smith who emerges from this book is not only the greatest of all economists but a pioneering theorist of moral philosophy culture and society

**A Navy Chaplain'S Devotions for Afloat and Ashore** Benny J. Hornsby,2016-01-13 As a longtime US Navy and Marine Corps Chaplain afloat and ashore author Benny J Hornsby is familiar with both the realities of the battlefield and the challenges of everyday living *A Navy Chaplains Devotions for Afloat and Ashore* seeks to provide inspiration for military personnel as well as anyone who is lonely depressed or far from home This volume is also a valuable source of real world illustrations for ministers and other public speakers Hornsby wrote these devotions over the course of a thirty six year career on active duty in the US Navy Chaplain Corps including extended duty on six different Navy ships and several shore installations These devotions were presented onboard ship at the US Naval Academy in Annapolis Maryland and in Navy and Marine Corps chapels hospitals and prisons around the world While most were presented in formal religious settings some appeared in newspapers magazine articles unit newsletters computer bulletin boards and impromptu Bible studies in difficult places such as the battle zones of Vietnam Panama and Lebanon as well as on the radio program *Brother Benny Your Radio Pastor*

*Origin* Christian Eibelshauser,2014-06-17 Is there a purpose to life Is there a higher power Is there an eternity How can our lives be more fulfilling How do all the pieces fit together What is the nature of the universe Where does all this star stuff come from What is the origin of the universe Curiosity of the author Christian Eibelshauser compelled him to search for the answers to some of life's most enduring questions Now his astonishing findings are revealed in *ORIGIN A Journey Of Discovery* The power behind the universe what he calls the infinite totality is present in every part of the universe In fact it is the universe As such the infinite totality is present in each individual and is known as the cosmic being traditionally called a soul or intuition He believes that the reason so many have failed at finding true happiness in their lives

is because they have fallen out of touch with their personal cosmic being But there is hope To become reacquainted with your cosmic being you must begin consciously examining your Everyday actions and beliefs in an effort to get rid of outdated patterns of living and thinking He also explores the creation of the universe from a scientific standpoint Using physics the author shows that on its most basic level all matter is made up from nothing more than energy with an in depth explanation of the term energy Therefore the universe is the infinite totality or energy itself Finally the author presents a new and totally revolutionary model of the universe hitherto neither contemplated nor depicted
