

The background of the cover is a painting. In the upper left, a bush is engulfed in bright orange and yellow flames. Within the branches of the burning bush, a human-like face with a beard and a turban is visible, looking out. In the foreground, a pair of simple, light-brown leather sandals with straps lies on a dark, rocky path. The overall scene is set in a desert-like environment with some green grass visible near the path.

Have you ever wondered from just what gospel our political leaders who proudly proclaim they are devout Christians get their inspiration when they espouse hate and intolerance and seek revenge on anyone who disagrees with them How about those self proclaimed devoted Christian business leaders who work hard to increase profits by suppressing their workers wages and denying them benefits What about those fiery evangelical preachers who are complicit in the actions of these leaders by their avid support or even their silence Wonder no longer In this satirical novel The Discovery of the Secret Gospel of the Rich and Powerful the Gospel of Saint Avarice you will meet Brett a young man who is introduced to that very gospel by his billionaire father You encounter the Jesus these leaders are emulating He is a Jesus who teaches his apostles to mock others to never admit guilt and to create their own version of the truth With our discovery of this new Jesus known only to the most rich and powerful until now we begin to realize that these leaders have been emulating Jesus all along and actually are doing God s work after all The Works of Charlotte Elizabeth [pseud.].: Judæa capta.
