were meaningfully and purposefully positioned in the M rka eya Pur a while previous scholarship has considered this haphazard interpolation for sectarian aims The book demonstrates that deliberate compositional strategies make up the Saura kta symbiosis found in these mirrored m h tmyas Moreover the author explores what he calls the dharmic double helix of Brahmanism most explicitly articulated by the structural opposition between prav tti worldly and niv tti other worldly dharmas As the first narrative study of the S rya M h tmya along with the first study of the M rka eya Pur a or any Pur a as a narrative whole this book will be of interest to academics in the field of Religion Hindu Studies South Asian Studies Goddess Studies Narrative Theory and Comparative Mythology *Find It Fast in the Bible* Thomas Nelson, 2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture s teaching on key Bible topics But computer based searches and single word concordances quickly overwhelm learners with raw unconnected data This phrase concordance compiles over 5 000 Bible expressions giving their exact Scriptural quotations complete with surrounding sentences Additionally their alphabetical listing offers the chance to explore similar and related topics without starting a new search Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme such as Day of the Lord Kingdom of Heaven and I tell you the truth This handy reference resource contains Over 5 000 best loved and most used Bible phrases The New King James Version as the primary translation Cross references to other major translations NIV NRSV KJV and NASB An alphabetical arrangement by the first word in the phrase More than 30 000 references An extensive Key Word Index These features make Find It Fast in the Bible a trusted time saving companion resource and stand alone aid for personal and group discovery
