Los Hombres Lobo En El Cine:

Los hombres lobo en el cine Carlos Díaz Maroto, Díaz Maroto Díaz, 2004 Una obra que se adentra en el mito del hombre lobo una combinación entre bestia sanguinaria y ser racional y su reflejo en la gran pantalla Un atento recorrido por las distintas visiones que ha transmitido el cine a lo largo de la historia Sex, Sadism, Spain, and Cinema Nicholas G. Schlegel, 2015-06-11 From 1968 to 1977 Spain experienced a boom in horror movie production under a restrictive economic system established by the country's dictator Francisco Franco Despite hindrance from the Catholic Church and Spanish government which rigidly controlled motion picture content hundreds of horror films were produced during this ten year period This statistic is even more remarkable when compared with the output of studios and production companies in the United States and elsewhere at the same time What accounts for the staggering number of films and what does it say about Spain during this period In *Sex Sadism Spain and Cinema The Spanish Horror Film* Nicholas G Schlegel looks at movies produced distributed and exhibited under the crumbling dictatorship of General Franco The production and content of these films the author suggests can lead to a better understanding of the political social and cultural conditions during a contentious period in Spain's history The author addresses the complex factors that led to the official sanctioning of horror films which had previously been banned and how they differed from other popular genres that were approved and subsidized by the government In addition to discussing the financing and exhibiting of these productions the author examines the tropes conventions iconography and thematic treatments of the films Schlegel also analyzes how these movies were received by audiences and critics both in Spain and abroad Finally he looks at the circumstances that led to the rapid decline of such films in the late 1970s and early 1980s By examining how horror movies thrived in Spain during this decade this book addresses a sorely neglected gap in film scholarship and also complements existing literature on Spanish national cinema *Sex Sadism Spain and Cinema* will appeal to fans of horror films as well as scholars of film history European history genre studies and cultural studies Nuevos derroteros de la narrativa española actual Geneviève Champeau, 2011 El siglo nos ha traído nuevos nombres y obras así como la consolidación de autores con una trayectoria dilatada pero también el auge de la narrativa breve del cuento y el microrrelato además de la predominante novela y de apabullantes superventas Un grupo de profesores universitarios entre los que se encuentran muchos de los mejores especialistas europeos en la materia dan cuenta en este libro de los últimos rumbos de la prosa narrativa en castellano desde la literatura de la identidad y la memoria hasta el relato documental o reticular sin olvidarse de la narrativa histórica los mitos de la cultura popular o la novela gráfica Quien quiera saber cómo ha sido y cómo es la narrativa española de las últimas décadas encontrará en este volumen una respuesta tan rigurosa como matizada fundada en el estudio de los principales autores actuales *Spanish Horror Film* Antonio Lazaro-Reboll, 2012-11-20 *Spanish Horror Film* is the first in depth exploration of the genre in Spain from the horror boom of the late 1960s and early 1970s to the most recent production in the current renaissance of Spanish genre cinema through a

study of its production circulation regulation and consumption The examination of this rich cinematic tradition is firmly located in relation to broader historical and cultural shifts in recent Spanish history and as an important part of the European horror film tradition and the global culture of psychotronics **The A to Z of Spanish Cinema** Alberto Mira,2010-04-27
