

## LOST POEMS

### One Art

The art of losing isn't hard to master;  
so many things seem filled with the intent

### Lost

Lost in a world, that scares me to death,  
Lost in a crowd, I'm losing my breath.

### And Nothing Is Ever As You Want It To Be

You lose your love for her and then  
It is her who is lost,

### I Am Not Yours

I am not yours, not lost in you,  
Not lost, although I long to be

### Any Soul That Drank The Nectar

Any soul that drank the nectar of your passion was lifted.  
From that water of life he is in a state of elation.

### A Door Just Opened On A Street

A door just opened on a street-  
I, lost, was passing by-

### A Stone I Died

A stone I died and rose again a plant;  
A plant I died and rose an animal;

### Fauna's Lost And Found!

To purses of leather  
one lost its skin

## Lost Poems:

**The Names of the Lost** Philip Levine, 1976      Hearings United States. Congress Senate, 1955      Not Till We Are Lost William Wenthe, 2003-10-31 William Wenthe's second collection of poetry is a personal amplification of a passage from Henry Thoreau's *Walden* Not till we are lost in other words not till we have lost the world do we begin to find ourselves and realize where we are and the infinite extent of our relations Beginning with the necessary dislocation and loss that accompany adulthood these strong and moving poems tell a story of a man's losing his way in the midst of personal tragedies the death of his parents and the end of a marriage only to discover the true depth of his connection with others and ultimately with the divine In a variety of free verse traditional forms and sonnets the poet begins to reassess his life and his art and considers the possibility that language may distance us from the real as much as bind us to it Both deeply personal and powerfully spiritual *Not Till We Are Lost* strives toward the rediscovery of relations to family and lover to culture to environment Whether in a desert canyon or a high rise hotel or wading waist deep in a river the poet solid and honest is always aware of his ties to history and its artistic representations The destination as well as the difficult means of arrival is love no mere word but a pain and sweetness in which loss and celebration converge      **The Lost Poems** Thomas L. Mcrae, 2010-08 This book has everything and any thing a true poet lover could ever need It has a deep sense of style and grace As well as harmony      *Last and Lost Poems* Delmore Schwartz, 2011      **The Collected Lost Poems** Stuart Silverman, 2001-09-15 This is the first collection of poetry from one of America's most gifted and award winning poets      The Lost Faces Roderick Jellema, 1979

**Last and Lost Poems** Delmore Schwartz, 1989      *The Compendium of Lost Poems* Caitlin M. S. Buxbaum, 2019-05-06 This is the fourth book of personal poetry by Alaskan author Caitlin M S Buxbaum If you enjoy free verse and rhythmic poetry on senses secrets places choices or philosophical observations this book is for you      **What Was Lost** Herbert Morris, 2000-03-16 In this collection Herbert Morris gathers 15 poems in his two signature modes the dramatic monologue and the meditative reverie His subjects include a resplendent apricot gown once worn by Lillian Gish Chaplin enthralled Griffith smitten ecstatic a poignant human detail in Caravaggio's *The Sacrifice of Isaac* and a host of variations on the Peaceable Kingdom the obsessive lifework of the painter Edward Hicks      The Collected Poems of Delmore Schwartz Delmore Schwartz, 2024-04-02 The first complete collection of the poetry of Delmore Schwartz the most underrated poet of the twentieth century John Berryman When Delmore Schwartz published his first short story *In Dreams Begin* Responsibilities in *Partisan Review* in 1937 he became an instant literary celebrity After the appearance of his first book by the same name he was inundated with praise The famed poet Allen Tate wrote to him Your poetic style is beyond any doubt the first real innovation that we've had since Eliot and Pound and T S Eliot himself wrote Schwartz a letter asking him to compose more poetry The brilliant start of his career is matched perhaps only by its tragic end a lonely death after an extended period of alcoholism depression and derangement Today more than fifty years after his death in 1966 Schwartz is

often remembered for the tragedy of his life rather than for the innovation and sad brilliance of his greatest work This book brings together all of Schwartz s poetry for the very first time from his groundbreaking debut collection to his unpublished late work which he kept writing until his death Accompanied by Ben Mazer s illustrative notes and introduction The Collected Poems of Delmore Schwartz offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life     **Lost Poems** Lisa Malinowski Steinman,1976     **Lost Poems** Marc Savett,2016-10-26 Marc Savett s third book of poetry continues the author s exploration of rich themes and perceptive imagery Using simplistic elements such as chocolate mousse to complex ideas of love Savett delves into reality and emotion The poems speak of hope and loss joy and pain Savett s style takes the reader places in the mind and heart but always remain accessible LOST POEMS continues the journey of the poet and the reader that began with CROWS NEST and continued in POEMS     **New and Collected Poems: 1975-2015** Jay Parini,2017-03-28 A new book the first in over a decade from acclaimed poet Jay Parini This volume revolves around his deep connection to nature and underlines his concerns about the impacts of pollution and climate change In these beautiful haunting poems Parini writes about the landscapes of mining country of the railroads of Pennsylvania of farm country of worlds lost and families dispersed He explores faith and how it is tested He limns the deepest crevices of the human heart and soul He surprises and moves us In addition to a complete volume s worth of new work called West Mountain Epilogue offering more than fifty poems never before published in any form Parini has collected the very best work from his previous four volumes the poems as he tells us written in the past forty years that I wish to stand by Lavishly and deservedly praised over the decades for his work as an essayist critic biographer novelist and especially poet Parini shines as never before in this generous volume     **What Gets Lost** Doris Henderson,2009-01-01     **Lost Poems** Joseph Hart,2018-06-07     **Milton's Late Poems** Lee Morrissey,2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts Paradise Lost Paradise Regained and Samson Agonistes as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel     **Lost Poems of My Youth** Robert O'Brien,2023-11-30 Collection of poems written by Robert M O'Brien during his high school and college days digitally captured for the first time in their unedited versions     **Lost Poems** Tony Lewis-Jones,2005-01     **Poems On**
