Salud! Oaxaca Learning Center, 2011 The Oaxaca Learning Center El Centro de Aprendizaje is many things As the name suggests it is predominantly a place where young people from the City of Oaxaca and outlying villages can further their education and personal development through tutoring mentoring and work study opportunities Most of these young people primarily ages 14 24 come from environments that are not conducive to learning Especially for those coming from rural villages the transition to city life can be overwhelming at first Although Oaxaca offers a range of educational opportunities free tutoring support is almost nonexistent Open seven days a week the Learning Center fills that void and becomes a home away from home for these students offering them the academic financial and deeply personal support that allows them to pursue their dreams It

is very much in keeping with the spirit of the Center that we would want to share these recipes with a broader community It is also in keeping with the bilingual nature of the Center that the recipes are presented in both Spanish and English What sets this Mexican cookbook apart from others is that it is entirely vegetarian Although vegetarian cooking is not widely practiced in Mexico more and more young Mexicans are looking at healthier dietary options Most traditional Mexican recipes are laborintensive and complicated Andr s s recipes on the other hand are designed to be quick and easy to prepare and above all healthy If you would like to make a donation to support the work of the Center please visit our website www.tolc.org.mx **The Mexican Cookbook Vegetarian Appetizer Recipes** Alejandra Hernandez,2021-05-26 55% OFF for
