Ministering In The Gifts Of The Spirit:

Ministering in the Gifts of the Spirit Creative House, Larry Keefauver, 1997-10 These 30 devotional studies are written especially for Spirit filled Christians who want to learn to utilize the gifts of the Holy Spirit for purposes of ministry **The Ministry Gifts of the Holy Spirit** Billy M. Lauderdale, 2017-06-23 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit Most people know that it is a part of the Holy Trinity some may even know about the baptism of the Holy Spirit however most people rarely go beyond that The Holy Spirit is significantly more important than most Christians understand It is not only important to us but the Church as well Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit We read in Ephesians 4:11 that the Lord gave us gifts to be used These gifts are known as ministry gifts they are to be used to perfect the church They were all but forgotten however they were restored to the church by the reawakening of the charismatic movement Like all things of God the Devil has a counterfeit which has led to much confusion and misunderstanding it has also led to much abuse Today He is restoring a biblical understanding of what these roles and callings mean The church has come a long way even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body However when the gifts are recognized and they start taking their rightful places the Church can come into its maturity Having all five offices in place in the church does not mean it is free from all work and responsibilities on the contrary It will find itself in a place of growth and equipping that nobody has ever dreamed possible Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations doing the same works He did and even greater That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever Over the years there have been volumes written on the subject of spiritual gifts Lists have been compiled and test written and administered with various degrees of success and understanding Even with all the differing opinions from various people the study and application of knowing one's spiritual gift can have the greatest of impacts on the character of the church and its membership Once you understand what your gifting is it will bring a greater sense of pleasure purpose and security In today's Church the gifts of ministry are needed more than ever however we don't see them in action very often some people may even have gone their entire life and not see the gifts working Some may have a general idea of what they are while others may not know what they are Most who do know of the Gifts of the Spirit are often confused about them How often does someone misunderstand how they work and confuse the use of them Such as the prophet and the gift of Prophecy both are gifts of the Spirit but each is different in how they are used For example all prophets have the gift of prophecy and can use the gift of prophecy but not all people who can prophecy are prophets With the reawakening of the charismatic movement the gifts of the Spirit Spiritual gifts have been reawakened and brought back into the church It is sad to say that in today's church the use of Spiritual gifts are the source of much

controversy and confusion among believers Some churches and or their demotions won t allow them because they don t know them are they fear them This is interesting and something of a sad commentary since these gifts are meant to be graces from God for the edification of the church Even today as in the early church the misuse and misunderstanding of spiritual gifts have brought division splitting up rather than building up in the church Here in this book I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what the gifts are and how they can benefit the Church *The Gifts and Ministries of the Holy Spirit* Lester Sumrall,2005-02-01 You Can Have the Power of the Holy Spirit The gifts of the Spirit can destroy any force the devil might use against Christians You are a candidate for the gifts of revelation power and inspiration They will function anywhere right where you are now Dr Sumrall discusses subjects including The charismatic renewal The weapons of our warfare How you can receive the gifts The devil s counterfeit The purpose of ministry gifts You can be included in the great outpouring of God s Spirit Ministering Through Spiritual Gifts Charles F. Stanley,2020-10-13 What are your gifts How are you using your abilities to grow God s kingdom In Ministering Through Spiritual Gifts you will find how to pinpoint your God given strengths by exploring the seven gifts listed in Romans 12 You ll be challenged to consciously develop these gifts not for your own personal gain but to minister to others Challenging thought provoking and deeply rooted in Scripture this Bible study calls you to deeper service to the Lord as you embrace the ministry gifts He has given you With over 1 million copies sold the Charles F Stanley Bible Study Series is a unique approach to Bible study incorporating biblical truth personal insights emotional responses and a call to action Each study draws on Dr Stanley s many years of teaching the guiding principles found in God s Word showing how we can apply them in practical ways to every situation we face This edition of the series has been completely revised and updated and includes two brand new lessons from Dr Stanley Each of the twelve lessons includes Overview A brief look at what is covered in the lesson Life s Questions A teaching from Dr Stanley that unpacks the topic of the lesson Living the Principle Application and Bible study questions based on the key points Reflection Key takeaways to put into practice today and tomorrow

Ministering in the Gifts of the Holy Spirit Ed Roebert,1986 When the Holy Spirit Moves (eBook) Dirkie van der Spuy,2017-11 Do you long to know more about the Holy Spirit and experience a greater measure of His working in your life Do you want to be used by God in a more powerful way If so WHEN THE HOLY SPIRIT MOVES is written for you Examine what the Scriptures say about being filled with the Holy Spirit and the gifts He gives believers WHEN THE HOLY SPIRIT MOVES will help you to answer questions such as Is the Holy Spirit the same Spirit who was poured out at Pentecost Is the Bible still true in our time or are we so blinded by materialism and intellectualism that we are no longer open to the powerful ministry of the Holy Spirit Is the same power of the Holy Spirit available in the modern times in which we live Is the Holy Spirit of Pentecost still the same Spirit who can and wants to work in our hearts and lives in our day and age Can we expect the Holy Spirit who worked through simple and uneducated fishermen to perform powerful miracles and give miraculous

signs in society today Learn how the Holy Spirit can operate in a new way in your life bringing spiritual growth and revival to you as well as to the greater Body of Christ At the end of each chapter are questions for personal Bible study or group discussion
