Partisan View Five Decades In The Politics Of Literature:

The CIA and the Congress for Cultural Freedom in the Early Cold War Sarah Miller Harris, 2016-08-05 This book questions the conventional wisdom about one of the most controversial episodes in the Cold War and tells the story of the CIA's backing of the Congress for Cultural Freedom. For nearly two decades during the early Cold War the CIA secretly sponsored some of the world's most feted writers, philosophers and scientists as part of a campaign to prevent Communism from regaining a foothold in Western Europe and from spreading to Asia. By backing the Congress for Cultural Freedom the CIA subsidized dozens of prominent magazines, global congresses, annual seminars and artistic festivals. When this operation QKOPERA became public in 1967 it ignited one of the most damaging scandals in CIA history. Ever since then many accounts have argued that the CIA manipulated a generation of intellectuals into lending their names to pro American anti Communist ideas. Others have suggested a more nuanced picture of the relationship between the Congress and the CIA with intellectuals sometimes resisting the CIA's bidding. Very few accounts however have examined the man who held the Congress together Michael Josselson the Congress's indispensable manager and secretly a long time CIA agent. This book fills that gap. Using a wealth of archival research and interviews with many of the figures associated with the Congress this book sheds new light on how the Congress came into existence and functioned both as a magnet for prominent intellectuals and as a CIA operation. This book will be of much interest to students of the CIA Cold War History intelligence studies US foreign policy and International Relations in general.

A Partisan View William Phillips, 2018-04-30 Since its founding in 1937 Partisan Review has been one of the most important and culturally influential journals in America. Under the legendary editorship of William Phillips and Philip Rahv Partisan Review began as a publication of the John Reed Club but soon broke away to establish itself as a free voice of critical dissent. As such it counteracted the inroads of cultural Stalinism and took up the fight for aesthetic modernism at a time when the latter was fiercely contested by both the political left and right. In this work William Phillips offers an account of his own part in the magazine's eventful history. As the magazine's editor Edith Kurzweil notes in her introduction many of the literary and political disagreements that famously marked Partisan Review's history originated in the editors' initial adherence to a programme of radical politics and avant gardism. Although this proved increasingly unworkable Phillips and Rahv even from the outset never allowed sectarian narrowness to determine the magazine's contents. Over the decades Partisan Review published work by authors as far from radicalism as T S Eliot and Wallace Stevens or from Marxist orthodoxy as Albert Camus and George Orwell. In literature its contributors were as stylistically and intellectually varied as Saul Bellow Vladimir Nabokov Robert Lowell and Isaac Bashevis Singer. In short Partisan Review featured the best fiction poetry and essays of the 1940s and postwar decades. Beyond its literary preeminence Partisan Review was famed as the most representative journal of the New York Intellectuals.

Norman Podhoretz and Commentary Magazine Nathan Abrams, 2011-10-27 What does the term neoconservative mean? Who are we

talking about and where did they come from Abrams answers those very questions through a detailed and critical study of neoconservatism's leading thinker Norman Podhoretz and the magazine he edited for 35 years *Commentary* Podhoretz has been described as the conductor of the neocon orchestra and through *Commentary* Podhoretz powerfully shaped neoconservatism Rich in research the book is based upon a wide range of sources including archival and other material never before published in the context of *Commentary* magazine including Podhoretz's private papers It argues that much of what has been said about neoconservatism is the product of willful distortion and exaggeration both by the neoconservatives themselves and their many enemies From this unique perspective Abrams examines the origins rise and fall of neoconservatism In understanding Podhoretz a figure often overlooked this book sheds light on the origins ideas and intellectual pedigree of neoconservatism **Delmore Schwartz** A. Runchman,2014-05-07 Taking as its starting point Delmore Schwartz's self appointment as both a poet of the Hudson River and laureate of the Atlantic this book comprehensively reassesses the poetic achievement of a critically neglected writer Runchman reads Schwartz's poetry in relation to its national and international perspectives Full Circle Edith Kurzweil,2011-12-31 This is a personal history of the twentieth century as seen through the eyes of Edith Kurzweil author teacher editor of *Partisan Review* and a recent recipient of the National Medal of Humanities The book opens with Kurzweil early adolescence in Vienna during the Nazi takeover It ends with the author finding herself in the new century In between she kept moving on and interrogating the world around her The reader follows Kurzweil on her perilous journey at the age of fourteen to Belgium through France Spain and Portugal alone with her younger brother Her fantasies of reunion with her parents in New York kept her going but came to naught she had not expected to fall from a wealthy childhood into the life of the working class poor as a millinery apprentice or a diamond cutter Instead of entering college life she eventually became a conventional American housewife Unhappy and anxious she anticipated the social changes in America and returned to Europe with her second husband and her two children She arrived at the beginning of the Italian miracle its post war revitalization In Milan she met many Americans as an active member of its community and of the British American club After personal tragedy she returned to New York and only then pursued her early intellectual ambitions The author eventually became a professor of sociology and quickly climbed up the academic ladder Just as she had been as a little girl she still wanted to know everything beginning with her study of Italian entrepreneurs and going on to European history and French thought to psychoanalysis and anti-Semitism Her early writings prompted William Phillips co founder and editor of *Partisan Review* to invite her into the elite circle of New York intellectuals She worked alongside him first as a reader then as executive editor and took over the editorship of the legendary journal during its final period Kurzweil's journey was one of courage and of emotional and intellectual growth *Full Circle* will be of interest to intellectual and cultural historians literary and Holocaust scholars and American studies specialists **A Splendid Intelligence** Cathy Curtis,2021-11-16 The first biography of the extraordinary

essayist critic and short story writer Elizabeth Hardwick author of the semiautobiographical novel *Sleepless Nights* Born in Kentucky Elizabeth Hardwick left for New York City on a Greyhound bus in 1939 and quickly made a name for herself as a formidable member of the intellectual elite Her eventful life included stretches of dire poverty romantic escapades and dustups with authors she eviscerated in *The New York Review of Books* of which she was a cofounder She formed lasting friendships with literary notables including Mary McCarthy Adrienne Rich and Susan Sontag who appreciated her sharp wit and relish for gossip progressive politics and great literature Hardwick's life and writing were shaped by a turbulent marriage to the poet Robert Lowell whom she adored standing by faithfully through his episodes of bipolar illness Lowell's decision to publish excerpts from her private letters in *The Dolphin* greatly distressed Hardwick and ignited a major literary controversy Hardwick emerged from the scandal with the clarity and wisdom that illuminate her brilliant work most notably *Sleepless Nights* a daring lyrical and keenly perceptive collage of reflections and glimpses of people encountered as they stumble through lives of deprivation or privilege *A Splendid Intelligence* finally gives Hardwick her due as one of the great postwar cultural critics Ranging over a broad territory from the depiction of women in classic novels to the civil rights movement from theater in New York to life in Brazil Kentucky and Maine Hardwick's essays remain strikingly original fiercely opinionated and exquisitely wrought In this lively and illuminating biography Cathy Curtis offers an intimate portrait of an exceptional woman who vigorously forged her own identity on and off the page

Absent Minds Stefan

Collini, 2006-03-09 A richly textured work of history and a powerful contribution to contemporary cultural debate *Absent Minds* provides the first full length account of the question of intellectuals in twentieth century Britain have such figures ever existed have they always been more prominent or influential elsewhere and are they on the point of becoming extinct today Recovering neglected or misunderstood traditions of reflection and debate from the late nineteenth century through to the present Stefan Collini challenges the familiar cliché that there are no real intellectuals in Britain The book offers a persuasive analysis of the concept of the intellectual and an extensive comparative account of how this question has been seen in the USA France and elsewhere in Europe There are detailed discussions of influential or revealing figures such as Julien Benda T S Eliot George Orwell and Edward Said as well as trenchant critiques of current assumptions about the impact of specialization and celebrity Throughout attention is paid to the multiple senses of the term intellectuals and to the great diversity of relevant genres and media through which they have communicated their ideas from pamphlets and periodical essays to public lectures and radio talks Elegantly written and rigorously argued *Absent Minds* is a major long awaited work by a leading intellectual historian and cultural commentator ranging across the conventional divides between academic disciplines and combining insightful portraits of individuals with sharp edged cultural analysis

The Cause That Failed :

Communism in American Political Life Amherst (Emeritus) Guenter Lewy Professor of Political Science University of Massachusetts, 1990-09-13 From a height of almost 100 000 members during the Depression when politicians workers and

intellectuals were drawn into its orbit the American Communist Party has descended into irrelevance and isolation failing even to run a presidential candidate in 1988 Indeed as Guenter Lewy writes in this critical account of American Communism despite decades of feverish activity and ferocious discipline it was a cause doomed to fail from the very beginning In *The Cause that Failed* Lewy offers an incisive narrative of the American Communist Party from the days of John Reed to the advent of glasnost He traces its origins and development underscoring how its devotion to Moscow and inflexible Marxist ideology isolated it from the American scene in fact most of its first members were Eastern European immigrants During the left wing tide of the Depression the Communist Party reached the peak of its influence as it joined labor unions and progressive organizations in a Popular Front But Lewy reveals the deceptive antidemocratic self defeating tactics the Communists pursued even then as they manipulated front organizations seized control of political parties peace groups and labor unions and enforced political conformity among members and sympathizers He follows the Party through its inexorable decline in the succeeding decades up to its current position as one of the last Stalinist parties left in a world of glasnost and perestroika Lewy also provides a sharply critical discussion of the encounter between Communism and liberal and mainstream America He examines such groups as the ACLU and SANE arguing that the years when these organizations were tolerant toward Communists were also the times when they neglected their original purpose in favor of partisan causes He shows how Communists have manipulated well meaning citizens in the peace movement and in Wallace s 1948 Progressive Party presidential campaign One of the great ills Americans suffer he writes is an overreaction to McCarthyism an atmosphere of anti anticommunism which blinds them to the wrongs wrought by international Communism and makes them ignore the deceptive role played by the American Communist Party which even today still keeps eighty percent of its membership secret *The Cause that Failed* presents an intensively researched and trenchantly argued historical analysis of Communism in America Guenter Lewy s provocative account provides a new understanding of Communism s machinations in U S politics and how Americans from across the political spectrum have responded to its challenge

Saul Bellow Gerald Sorin, 2024-04-30 Saul Bellow *I Was a Jew and an American* and a Writer offers a fresh and original perspective on the life and works of Saul Bellow the Nobel Prize winner in Literature in 1976 Author Gerald Sorin emphasizes Bellow s Jewish identity as fundamental to his being and the content and meaning of his fiction Bellow s work from the 1940s to 2000 when he wrote his last novel at the age of 84 centers on the command in Deuteronomy to Choose life as distinct from nihilistic withdrawal and the defense of meaninglessness Although Bellow disdained the label of American Jewish Writer Sorin conjectures that he was an outstanding representative of the classification Bellow and the characters in his fiction not only choose life but also explore what it means to live a good life however difficult that may be to define and regardless of how much harder it is to achieve For Sorin Bellow realized that at least two obstacles stood in the way the imperfection of the world and the frailty of the human pursuer Saul Bellow *I Was a Jew and an American* and a Writer provides a new and

insightful narrative of the life and works of Saul Bellow By using Bellow s deeply internalized Jewishness and his remarkable imagination and creativity as a lens Sorin examines how he captured the shifting atmosphere of postwar American culture

Prodigal Sons Alexander Bloom,1986-04-17 A herd of independent minds Harold Rosenberg once labelled his fellow intellectuals They were and are as this book shows a special and fascinating group including literary critics like Lionel Trilling Alfred Kazin Irving Howe Leslie Fiedler Philip Rahv and William Phillips social scientists like Nathan Glazer art critics and historians Clement Greenberg Harold Rosenberg and Meyer Schapiro novelist Saul Bellow and political journalists Irving Kristol and Norman Podhoretz Their story winds through nearly all of the crucial intellectual and political events of the last decades as well as through the major academic institutions of the nation and the editorial boards of such important journals as Partisan Review Commentary Dissent The Public Interest and The New York Review of Books So deeply entrenched in our intellectual establishment are these people that it s easy to forget that most grew up on the edge of American society poor Jewish the children of immigrants Prodigal Sons retraces their common past from their New York City ghetto upbringing and education at Columbia and City College through their radicalization in the 30s to their preeminence in the postwar literary and academic world The book examines their youthful efforts to ignore their Jewish heritage and their later rediscovery of this heritage in the wake of the Holocaust It shows how they moved toward the liberal center during the Cold War and how the group fragmented in the 1960s when some turned toward the right becoming key figures in the Neo Conservative movement of the 1970s and 80s As Bloom points out there is no single typical New York intellectual nor did they share all their ideas This book is concerned with how the community came to be formed and what it thought important how and why it moved and changed and why it ultimately came undone We learn some of the ways in which intellectuals function and justify their own places and a great deal about the political and cultural landscape over which New York intellectuals passed A fascinating portrait of New York intellectual life over the past half century Based on interviews with many of the leading figures and 10 years of extensive research Takes us behind the scenes at Commentary Partisan Review The Public Interest and other influential publications

Harold Rosenberg Debra Bricker Balken,2021-10-06 Despite being one of the foremost American intellectuals of the mid twentieth century Harold Rosenberg 1906 1978 was utterly incapable of fitting in and he liked it that way Signature cane in one hand and a cigarette in the other he cut a distinctive figure on the New York City culture scene with his radiant dark eyes and black bushy brows A gangly giant at six foot four he would tower over others as he forcefully expounded on his latest obsession in an oddly high pitched nasal voice And people would listen captivated by his ideas With Harold Rosenberg A Critic s Life Debra Bricker Balken offers the first ever complete biography of this great and eccentric man Although he is now known mainly for his role as an art critic at the New Yorker from 1962 to 1978 Balken weaves together a complete tapestry of Rosenberg s life and literary production cast against the dynamic intellectual and social ferment of his time She explores his role in some of the most contentious cultural debates of

the Cold War period including those over the commodification of art and the erosion of individuality in favor of celebrity demonstrated in his famous essay *The Herd of Independent Minds* An outspoken socialist and advocate for the political agency of art he formed deep alliances with figures such as Hannah Arendt Saul Bellow Paul Goodman Mary McCarthy Jean Paul Sartre Willem de Kooning and Jackson Pollock all of whom Balken portrays with vivid accounts from Rosenberg's life Thoroughly researched and captivantly written this book tells in full Rosenberg's brilliant fiercely independent life and the five decades in which he played a leading role in US cultural intellectual and political history

Worker-writer in America Douglas Wixson, 1994 Conroy a coal miner's son who apprenticed at age thirteen in a railroad shop later migrated to factory cities and experienced the privation and labor struggles of the 1930s As worker and writer he composed *The Disinherited* one of the most important working class novels of the thirties As editor of a radical literary journal *The Anvil* he nurtured the early careers of Richard Wright Nelson Algren and Meridel LeSueur before his own literary work was eclipsed in the cold war years Douglas Wixson draws upon a wealth of letters and manuscripts made available to him as Conroy's literary executor as well as numerous interviews with Conroy and his former contributors and colleagues Wixson explores the origins and development of worker writing and the numerous little magazines it generated He examines the differences between the midwestern and East Coast literary worlds and the milieu in which Conroy and others like him worked the Depression job layoffs factory closings homelessness and migration

The Rhetorical Imagination of Kenneth Burke Ross Wolin, 2001 Blending the genres of biography intellectual history and rhetorical theory this study presents an analysis of Burke's 1897 1993 early essays and his eight theoretical works placing them in the context of their social and political history Wolin humanities and rhetoric Boston University casts each work as a re-articulation and extension of the ideas imbedded in Burke's previous efforts The tactics of conflict cooperation and motivation are emphasized c Book News Inc

American Cultural Critics David Murray, 1995 This collection of essays assesses the work of a number of American intellectuals including Susan Sontag F O Matthiessen Daniel Bell and Hannah Arendt who have addressed issues of culture and its multifaceted relations to politics history sociology and literary criticism Concentrating on writing since 1940 the essays examine the central themes of American postwar intellectual history including the continuing reaction to or against modernity and technology the legacies of Marxism and psychoanalysis and the re-examination of American founding principles and figures in conservative or liberal terms

The New York Intellectuals Hugh Wilford, 1995 Reconstructs the history of a group of thinkers and activists including Philip Rahv Mary McCarthy Dwight Macdonald and Lionel Trilling collectively known as the New York Intellectuals during the period of their greatest influence the 1940s and 1950s While defending the group against charges that they sold out the author analyzes the contradictions between their avant garde principles and the institutional locations they came to occupy Annotation copyright by Book News Inc Portland OR

Star Authors Joe Moran, 2000-02-20 In America authors are as likely to be seen on television talk shows or magazine covers as in the more traditional settings of literary festivals or book

signings Is this literary celebrity just another result of dumbing down Yet another example of the mass media turning everything into entertainment Or is it a much more unstable complex phenomenon And what does the American experience tell us about the future of British literary celebrity In *Star Authors* Joe Moran shows how publishers the media and authors themselves create and disseminate literary celebrity He looks at such famous contemporary authors as Toni Morrison J D Salinger Thomas Pynchon Don DeLillo John Updike Philip Roth Kathy Acker Nicholson Baker Paul Auster and Jay McInerney Through an examination of their own work biographical information media representations and promotional material Moran illustrates the nature of modern literary celebrity He argues that authors actively negotiate their own celebrity rather than simply having it imposed upon them from reclusive authors such as Salinger and Pynchon famed for their very lack of public engagement to media friendly authors such as Updike and McInerney *Star Authors* analyses literary celebrity in the context of the historical links between literature advertising and publicity in America the economics of literary production and the cultural capital involved in the marketing and consumption of books and authors *The New York Intellectuals, Thirtieth Anniversary Edition* Alan M. Wald, 2017-10-10 For a generation Alan M Wald's *The New York Intellectuals* has stood as the authoritative account of an often misunderstood chapter in the history of a celebrated tradition among literary radicals in the United States His passionate investigation of over half a century of dissident Marxist thought Jewish internationalism fervent political activism and the complex art of the literary imagination is enriched by more than one hundred personal interviews unparalleled primary research and critical interpretations of novels and short stories depicting the inner lives of committed writers and thinkers Wald's commanding biographical portraits of rebel outsiders who mostly became insiders retains its resonance today and includes commentary on Max Eastman Elliot Cohen Lionel Trilling Sidney Hook Tess Slesinger Philip Rahv Mary McCarthy James T Farrell Irving Kristol Irving Howe Hannah Arendt and more With a new preface by the author that tracks the rebounding influence of these intellectuals in the era of Occupy and Bernie Sanders this anniversary edition shows that the trajectory and ideological ordeals of the New York intellectual Left still matters today *Contemporary Arab Thought* Elizabeth Suzanne Kassab, 2025-04-29 In the last third of the twentieth century the Arab intellectual and political scene polarized between totalizing doctrines nationalist Marxist and religious and radical critique Arab thinkers were reacting to the disenchanting experience of postindependence and a widespread sense of malaise as well as to authoritarianism intolerance injustice failed development and successive defeats by Israel The foundational account of these responses *Contemporary Arab Thought* illuminates the relationship between cultural and political critique in the work of major Arab thinkers Elizabeth Suzanne Kassab also connects Arab debates to the postcolonial issues of Latin America and Africa revealing the shared struggles of different regions Since its first publication in 2009 this book has stood as the foremost account of contemporary Arab debates on culture philosophy modernity tradition identity and liberation It is widely used in Middle Eastern studies courses and it has become a classic in the field of Arab intellectual history *Contemporary*

Arab Thought now features an extensive new introduction that reconsiders post 1967 Arab intellectual history in light of the 2011 uprisings and the upheavals that have occurred over the intervening years Kassab critically reflects on the book's arguments and the responses it has provoked and she surveys the new preoccupations that have emerged in Arab debates since 2011 As crises again overtake the Middle East this landmark work continues to offer indispensable insight into the richness of contemporary Arab thought

American Literary Criticism Since the 1930s Vincent B. Leitch, 2009-09-10

American Literary Criticism Since the 1930s fully updates Vincent B Leitch's classic book American Literary Criticism from the 30s to the 80s following the development of the American academy right up to the present day Updated throughout and with a brand new chapter this second edition provides a critical history of American literary theory and practice discussing the impact of major schools and movements examines the social and cultural background to literary research considering the role of key theories and practices provides profiles of major figures and influential texts outlining the connections among theorists presents a new chapter on developments since the 1980s including discussions of feminist queer postcolonial and ethnic criticism Comprehensive and engaging this book offers a crucial overview of the development of literary studies in American universities and a springboard to further research for all those interested in the development and study of Literature

Artists on the Left Andrew Hemingway, 2002-01-01

Examination of the relation between visual artists and the American communist movement in the first half of the twentieth century from the rise in prestige of the party during the Great Depression to its decline in the 1950s Account of how left wing artists responded to the party's various policy shifts the communist party exerted a powerful force in American culture
