Rational Fasting Arnold Ehret,1971 **Rational Fasting** Arnold Ehret,1938 Prof. Arnold Ehret's Rational Fasting for Physical, Mental and Spiritual Rejuvenation Arnold Ehret,2014-09 Discover Nature s Universal and Omnipotent Healing Solution We need not look any further than Prof Arnold Ehret s Rational Fasting to find the most powerful and practical approach to the art of fasting In this masterpiece Arnold Ehret explains how to successfully safely and rationally conduct a fast in order to eliminate harmful waste from the body and promote internal healing Also included are famous essays on Ehret s teachings by Fred Hirsch and long time devotee Teresa Mitchell You will learn The Common Fundamental Cause in the Nature of Diseases Complete Instructions for Fasting Building a Perfect Body through Fasting Important Rules for the FASTER How Long to Fast Why to Fast When and How to Fast How Teresa Mitchell Transformed Her Life through Fasting The physical and mental welfare of millions of individuals living today are desperately searching for a truthful presentation of this knowledge found only in Prof Arnold Ehret s message and it is therefore eagerly awaited by an expectant world Fred S Hirsch Student of Arnold Ehret and previous owner of Ehret Literature Publishing I have been an Ehret devotee for the past twenty five years and I shall remain so until the end of my days My greatest desire is to share with others the wonderful results I have gained both in physical and mental health Teresa Mitchell Student of Arnold Ehret and author of My Road to Health The principles found in Rational Fasting are needed today more than ever In a world where natural healing methods have been largely forsaken by the masses Ehret sheds light on the powerful art of fasting and its supreme role in regenerating the human body mind and spirit **Rational Fasting** Professor Arnold Ehret,2013-10-05 **Rational Fasting** Ehret Arnold,2019 **Rational Fasting For Physical, Mental, & Spiritual Rejuvenation** Arnold Ehret,2022-08-22 2022 Reprint of the 1926 First Edition Exact facsimile of the original edition and not reproduced with Optical Recognition Software Ehret viewed the principal cause of disease as arising from a lifetime s accumulation of mucus in the digestive tract The mucus residing in the body becomes morbid and consists of undigested decayed and retained food substances all of which are in a state of fermentation and putrefaction Ehret 1922 p 5 Having no function or use in the body the morbid mucus along with masses of accumulated feces and undigested foodstuffs leads to a toxic internal environment that creates the ideal conditions for constipation Constipation the disease of internal filth and uncleanness was identified by Ehret as the inevitable consequence arising from the diet of civilization His list of mucus forming foods included dairy eggs starchy and farinaceous products as well as fats and oils that also form the basis of adhesives and glues and exhibit similar properties inside the intestines causing the digestive tract not only to clog up through constipation but literally to be glued together with sticky mucus and feces Ehret 1922 p 8 Ehret was very vocal on some of the foods that he eschewed In bold capital letters he writes I ABSOLUTELY DECLARE WAR ON MEAT AND ALCOHOL through fruit and moderate eating these great evils are radically diminished Ehret 1926 p 14 As an alternative Ehret promoted his Mucusless Diet that consists of

fresh ripe fruit and starchless vegetables Ehret 1922 p 10 He reasoned Fruits green leaf and starchless vegetables do not contain these pasty gluey mucus substances and are natural foods yet little credit has been given them by doctors or laymen Ehret 1922 p 8 In his diet protocol these wonder foods of Nature had the power to dissolve the encrusted mucus layer found in constipated intestines He explains the mechanism Fruit sugar causes and develops their fermentation and forms gases This so greatly feared fermentation of the inside filth is another necessary stirring up process to prepare them for elimination Acid and fermented starch and glue lose their sticky ability as soon as they ferment Ehret 1922 p 8 [The Power Of Miracles Through Fasting And Prayer God's Way...](#) Apostle William H. Higdon III,2012-04-30 This is a book for the harvest And the souls of man which cries out day and night for change even transformation the time is now The Power Of Miracles Through Fasting the Heavenlies and cause you to walk in Gods Divine Power Enabling you to See things clear as God does Step into the pages of this book and be made whole You will never be the same again blessing s **Fast The Fat - A Comprehensive Guide For Weight Loss Thru Fasting** Godspower Elishason,2018-12-20 The idea of fasting is still tied to the spiritual and religious practices When we first heard about fasting we immediately relate the term to the Catholics who practice this during Lent or to Muslims during Ramadan In ancient times when people fasted they believed that doing so would improve their clarity of thought and bring spiritual enlightenment and inspiration In fact many people who fast relay a feeling of being more removed from the physical and a more spiritually focussed consciousness It should be reflected however that having strong values is integral to this as mental attitude is huge part of ones sense of the world **The Miracle of Fasting** Paul Chappuis Bragg,2004 [The Fasting Story](#) Health Research Staff,1996-09 **The Science and Fine Art of Fasting** Herbert M.
