Ravished Earth

Johann Paul Friedrich Richter

Ravished Earth:

Ravished by Beauty Belden C. Lane, 2011-04-21 In this novel exploration of Reformed spirituality Belden C Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth's beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God's beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God's glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God's splendor in the earth's beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author's own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community **The Magazine**

of Natural History, 1836 *The Enduring Classics of Billy Graham* Billy Graham, 2004-05-17 Three authoritative Christian classics in one volume by the beloved evangelist who inspired billions from everyday people to presidents This first volume of The Billy Graham Signature Series includes three of the world renowned minister's greatest works The Secret of Happiness teaches that happiness is a by product a bonus that comes when we seek what is really important Death and the Life After liberates readers from fear and denial on the topic of death and helps them find peace assurance and ultimately triumph Hope for the Troubled Heart teaches about God's unfailing love as the key to hope in the midst of difficult circumstances Billy Graham's reputation as the world's leading teacher of biblical truths makes this collection ideal for anyone searching for answers to some of life's most troubling questions As these powerful inspirational writings remind us no one communicates with the wisdom and simplicity of Dr Graham *The Words of The Creation, Etc. [With Critical and Explanatory Notes.]*

CREATION., 1841 *Don't Ask Me! Ask My Father* Devon A. N. Ar'Rahman, 2019-09-26 As but one of my Heavenly Father's children forgive me for asking this one simple question If we as such truly believe our heavenly Creator loves us why are we killing each other in one way or another **The Postwar African American Novel** Stephanie Brown, 2011-03-14 Americans in the World War II era bought the novels of African American writers in unprecedented numbers But the names on the books lining shelves and filling barracks trunks were not the now familiar Richard Wright and Ralph Ellison but Frank Yerby Chester Himes William Gardner Smith and J Saunders Redding In this book Stephanie Brown recovers the work of these innovative novelists overturning conventional wisdom about the writers of the period and the trajectory of African American literary history She also questions the assumptions about the relations between race and genre that have obscured the

importance of these once influential creators Wright's *Native Son* 1940 is typically considered to have inaugurated an era of social realism in African American literature And Ellison's *Invisible Man* 1952 has been cast as both a high mark of American modernism and the only worthy stopover on the way to the Black Arts Movement of the 1960s But readers in the late 1940s purchased enough copies of Yerby's historical romances to make him the best selling African American author of all time Critics meanwhile were taking note of the generic experiments of Redding Himes and Smith while the authors themselves questioned the obligation of black authors to write protest instead penning campus novels war novels and in Yerby's case costume dramas Their status as lesser lights is the product of retrospective bias Brown demonstrates and their novels established the period immediately following World War II as a pivotal moment in the history of the African American novel

Titan: A Romance (Complete) Johann Paul Friedrich Richter, 2020-09-28 On a fine spring evening the young Spanish Count Cesara came with his companions Schoppe and Dian to Sesto in order the next morning to cross over to the Borrom an island Isola Bella in Lago Maggiore The proudly blooming youth glowed with the excitement of travelling and with thoughts of the coming morrow when he should see the isle that gayly decorated throne of Spring and on it a man who had been promised him for twenty years This twofold glow exalted my picturesque hero to the form of an angry god of the Muses His beauty made a more triumphal entry into Italian eyes than into the narrow Northern ones from the midst of which he had come in Milan many had wished he were of marble and stood with elder gods of stone either in the Farnese Palace or in the Clementine Museum or in the Villa of Albani nay had not the Bishop of Novara with his sword at his side a few hours before asked Schoppe riding behind who he was And had not the latter with a droll squaring of the wrinkle circle round his lips made this copious answer by way of enlightening his spiritual lordship It's my Telemachus and I am the Mentor I am the milling machine and the die which coins him the wolf's tooth and flattening mill which polishes him down the man in short that regulates him The glowing form of the youthful Cesara was still more ennobled by the earnestness of an eye always buried in the future and of a firmly shut manly mouth and by the daring decision of young fresh faculties he seemed as yet to be a burning glass in the moonlight or a dark precious stone of too much color which the world as in the case of other jewels can brighten and improve only by cutting hollow As he drew nearer and nearer the island attracted him as one world does another more and more intensely His internal restlessness rose as the outward tranquillity deepened Beside all this Dian a Greek by birth and an artist who had often circumnavigated and sketched Isola Bella and Isola Madre brought these obelisks of Nature still nearer to his soul in glowing pictures and Schoppe often spoke of the great man whom the youth was to see to morrow for the first time As the people were carrying by down below in the street an old man fast asleep into whose strongly marked face the setting sun cast fire and life and who was in short a corpse borne uncovered after the Italian custom suddenly in a wild and hurried tone he asked his friends Does my father look thus But what impels him with such intense emotions towards the island is this He had on Isola Bella with his sister who afterward went to Spain and by the side of his

mother who had since passed to the shadowy land sweetly toyed and dreamed away the first three years of his life lying in the bosom of the high flowers of Nature the island had been to the morning slumber of life to his childhood's hours a Raphael's painted sleeping chamber But he had retained nothing of it all in his head and heart save in the one a deep sadly sweet emotion at the name and in the other the squirrel which as the family scutcheon of the Borromans stands on the upper terrace of the island
