Tantalizing Whip smart and completely unaware of how good it feels to give in to your wilder impulses, Stone would be happy to offer buttoned-up Madison Winters some tips while he acts as her tour guide through the rugged mountains. But awakening Madison to pleasure backfires because now no other woman can satisfy him. Now Storm has one chance to prove that together they have the makings of a perfect family. Gogol, 2003-04-01 The First New Translation in Forty Years Set sometime between the mid sixteenth and early seventeenth century Gogol's epic tale recounts both a bloody Cossack revolt against the Poles led by the bold Taras Bulba of Ukrainian folk mythology and the trials of Taras Bulba's two sons As Robert Kaplan writes in his Introduction Taras Bulba has a Kiplingesque gusto that makes it a pleasure to read but central to its theme is an unredemptive darkly evil violence that is far beyond anything that Kipling ever touched on We need more works like Taras Bulba to better understand the emotional wellsprings of the threat we face today in places like the Middle East and Central Asia And the critic John Cournos has noted A clue to all Russian realism may be found in a Russian critic's observation about Gogol Seldom has nature created a man so romantic in bent yet so masterly in portraying all that is unromantic in life But this statement does not cover the whole ground for it is easy to see in almost all of Gogol's work his free Cossack soul trying to break through the shell of sordid today like some ancient demon essentially Dionysian So that his works true though they are to our life are at once a reproach a protest and a challenge ever calling for joy ancient joy that is no more with us And they have all the joy and sadness of the Ukrainian songs he loved so much Gay Witchcraft Christopher Penczak, 2025-02-03 Gay Witchcraft is an opportunity for queer Witches to claim our rightful place in our own magical practices without sacrificing who we truly are as well as just being a solid introductory book on the Craft For queer Witches of all stripes this is our history these are our stories and this is something for us to treasure from the foreword by Storm Faerywolf When Christopher Penczak was introduced to Witchcraft he found a spiritual path through which he could honor and embrace his homosexuality In Gay Witchcraft Penczak's clearheaded theory and practice combine to create a classic book of Witchcraft focused on the perspective of the gay community Penczak's writing has made it much easier for gay lesbian bisexual transgender and queer people interested in practicing any form of Witchcraft His willingness to share his own personal journey and the foundations that made the Craft accessible allows readers to find their own ways of practice This book explores the history of Paganism and offers a compendium of spells meditations ceremonies and affirmations that will enrich both the novice and the experienced practitioner seeking out new views of myth ritual and healing This new Weiser Classics edition replaces a previously published edition The Weiser Classics series offers essential works and foundational texts from renowned authors and spiritual teachers as well as introductory guides on an array of topics by contemporary writers and practitioners Weiser
