Grandad's Wheelies Jack Lasenby,2016-08-29 When Jack visits his grandparents they tell him stories each outdoing the other with a tale taller and wilder than the last When Jack visits his grandparents there s no television to entertain him No internet no mobile phone no tablets In fact there s no technology or modern distractions at all But he still likes to visit because Grandad and Granny tell him stories each trying to outdo the other with a tale taller and wilder than the last Did you ever hear about the dragon of Waitemata harbour Or the bridge between the North and South islands Or why the Beehive is round in shape and who REALLY made the Marlborough Sounds And then there s the pumpkin larger than a garden shed and a wheelbarrow that converts into a boat for a seasick kangaroo There are lost false teeth eels and the ingenious invention of the world s first rotary clothesline helicopter and a flying train that touches down at the station in Nelson With equally wild watercolour illustrations throughout by Bob Kerr Grandad s Wheelies is a hilarious rollicking yarn stitching together a picture of life in New Zealand a couple of generations back that is just about true Jack can t get enough of his Grandad and Granny s stories and readers young and old will love them too *The Words of My Roaring* Robert Kroetsch,2000 I was

electioneering By God people were listening People were looking my way And some joker with his arse beginning to ache from sitting too long on a nail had to clear his throat and chip in Backstrom what have you got to offer I looked at the speaker and saw he was a farmer and I said Mister how would you like some rain A new edition of another classic from one of Canada s most enduring novelists Introduction by Thomas Wharton **W. Story His Glory Gwen Lewis,2022-11-03 From the very first page of My Story His Glory readers quickly connect with the colorful characters of this engaging work by first time author Gwen Lewis We are quickly introduced to the main character of the story a little girl born into poverty and inequality We learn that she grew up during a time when all the social institutions

were segregated and Jim Crow laws prevailed She is the ninth of ten children born to Ruth and Ab Mason Demoralized by bigotry and hatred her parents tried to instill a sense of pride and goodness into their children Though neither of her parents were formally educated they championed education as the vehicle to independence and a better way of life for their children The book reveals intimate details about her impoverished home life in an honest unpretentious way Life was sometimes hard but there were also times of contentment and joy As we continue to follow her story we also see ourselves in the struggles she faced when she eagerly left home for college Choosing to attend the historic Tuskegee Institute located forty miles from where she grew up was a point of great pride for her We witness the grace and goodness of God and how he never left her alone It is interesting as well as inspiring to witness the love and compassion of God as he carried her when she didn't even know he was there Later she would learn to recognize his gentle hand We laugh at her childhood antics cry with her as she painfully recalls personal losses and rejoice with her as she triumphs over her enemies After reading My Story His Glory we walk away inspired with a desire to know this ever present God she affectionately calls Father **Leather Wings** Marilyn Duckworth, 2016-02-01 Shortlisted for the Commonwealth Writers Prize this novel explores love obsession and stranger danger Wallace is a door to door salesman When he meets six year old Jania his life gains a new dimension He is in love This is pure adoration Or is it Esther reluctant grandmother is too self absorbed to notice the drama that is about to break Innocence carries its own dangers love grows where least expected The little girl might have some answers of her own but who will listen **Moyer v. undergraduate but also sparking debate about many wider social and cultural issues from the place of the women writer in the literary scene to the emergence of new discourses around psychology and the body The majority have not been reprinted since their original publication and until now have been rarely available to scholars The publication of Women s University Narratives 1890 1945 therefore provides a major new resource for scholarship in many areas including women s studies educational history and literary and cultural modernism Farm Life and Agricultural Epitomist ,1927
