The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the

field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **The Short Story after Apartheid** Graham

K. Riach, 2023-10-15 Honourable Mention in the 2023 British Association for Contemporary Literary Studies Monograph Prize The Short Story after Apartheid offers the first major study of the anglophone short story in South Africa since apartheid's end By focusing on the short story this book complicates models of South African literature dominated by the novel and contributes to a much needed generic and formalist turn in postcolonial studies Literary texts are sites of productive struggle between formal and extra formal concerns and these brief fragmentary elliptical formally innovative stories offer perspectives that reframe or revise important concerns of post apartheid literature the aesthetics of engaged writing the politics of the past class and race the legacies of violence and the struggle over the land Through an analysis of key texts from the period by Nadine Gordimer Ivan Vladislavi Zo Wicomb Phaswane Mpe and Henrietta Rose Innes this book assesses the place of the short story in post apartheid writing and develops a fuller model of how artworks allow and disallow forms of social thought *Ray Bradbury* Wendy Mass, 2007-01-16 As a young boy Ray Bradbury always had a wild and vivid

imagination As he matured he developed his own unique writing style and became a pioneer of science fiction and fantasy literature Bradbury took his fascination with space magic and mystery and created new worlds that have captivated readers for decades In addition to his literary success Bradbury also pursued projects in both broadcasting and architecture Since his first work was published in 1938 Bradbury has had more than 500 literary works published Beginning his career with short science fiction stories Bradbury successfully made the transition to novels with the publication of *The Martian Chronicles* Shortly after he followed with *The Illustrated Man* and *Fahrenheit 451* which came to be known as Bradbury's greatest work In this new title in the Authors Teens Love series author Wendy Mass examines Bradbury's life and career offering accessible insight into the works of this master of fantasy fiction Book jacket **Post-Jungian Psychology and the Short Stories of Ray Bradbury and Kurt Vonnegut** Steve Gronert Ellerhoff, 2016-02-22 In this book Steve Gronert Ellerhoff explores short

stories by Ray Bradbury and Kurt Vonnegut written between 1943 and 1968 with a post Jungian approach Drawing upon archetypal theories of myth from Joseph Campbell James Hillman and their forbearer C G Jung Ellerhoff demonstrates how short fiction follows archetypal patterns that can illuminate our understanding of the authors their times and their culture In

practice a post Jungian methodology is shown to yield great insights for the literary criticism of short fiction Chapters in this volume carefully contextualise and historicize each story including Bradbury and Vonnegut s earliest and most imaginatively fantastic works The archetypal constellations shaping Vonnegut s early works are shown to be war and fragmentation while those in Bradbury s are family and the wholeness of the sun Analysis is complemented by the explored significance of illustrations that featured alongside the stories in their first publications By uncovering the ways these popular writers redressed old myths in new tropes and coined new narrative elements for hopes and fears born of their era the book reveals a fresh method which can be applied to all imaginative short stories increasing understanding and critical engagement Post Jungian Psychology and the Short Stories of Ray Bradbury and Kurt Vonnegut is an important text for a number of fields from Jungian and Post Jungian studies to short story theories and American studies to Bradbury and Vonnegut studies Scholars and students of literature will come away with a renewed appreciation for an archetypal approach to criticism while the book will also be of great interest to practising depth psychologists seeking to incorporate short stories into therapy
