Razon Populista La:

Estado populista y populismo constitucional Juan Carlos Cassagne, 2023-11-29 Esta obra recoge el texto de dos libros de dos profesores de derecho administrativo ambos amigos entre sí desde hace varias décadas que giran sobre el mismo tema del populismo escritos cada uno desde su perspectiva y trabajando en los extremos del continente americano El libro del profesor Cassagne titulado *El Estado Populista* y las ideologías trata el tema del populismo desde una perspectiva más teórica y comparada advirtiendo que si bien el populismo no constituye una ideología susceptible de ser englobada en la izquierda ni en la derecha de la política tradicional ello no implica que las ideologías no estén presentes en los distintos regímenes populistas destacando la aparición de un nuevo modelo proveniente de la llamada izquierda radicalizada pretendidamente democrático el cual por su tipicidad ha denominado Estado Populista El libro del profesor Brewer Caras titulado *El populismo constitucional y el nuevo constitucionalismo* O de cómo se destruye una democracia desde dentro apunta a estudiar precisamente ese nuevo modelo de Estado populista y de cómo utilizándose los instrumentos constitucionales en las últimas décadas se ha desarrollado en varios de los países iberoamericanos en particular en Venezuela demoliendo desde dentro todos los principios de la democracia utilizándose sus propios instrumentos y la pantalla de una democracia participativa en lo que denomina el populismo constitucional Ediciones Olejnik ha considerado importante divulgar en conjunto estas dos obras dada la importancia del tema y dadas la recurrencia de los planteamientos que se abordan en las mismas en muchos países democráticos de América y Europa Allan R Brewer Caras Juan Carlos Cassagne Del desencanto al populismo Jorge Alemán, Germán Cano, 2017-03-15 Fichte in the Americas, 2023-05-30 This collection is the first comprehensive history of Fichte's reception in America highlighting the existence of a long and strong tradition of Fichtean studies throughout the continent and demonstrating the centrality of Fichtean ideas in contemporary discussions of issues such as feminism social criticism and decolonial thought Read and reinterpreted in the highly diverse circumstances across the American continent Fichte's ideas are presented in a radically new light uncovering the Fichtean spirit of self activity and autonomous thought in an American context **The Mexican Transition** Roger Bartra, 2013-01-15 This book is a collection of essays on the Mexican transition to democracy that offers reflections on different aspects of civic culture the political process electoral struggles and critical junctures **The International Political Economy of Communication C.** Martens, E. Vivares, R. McChesney, 2014-10-28 This collection reflects on the international political economy of media and the valuable lessons to be learned from the media reforms currently taking place across South America The contributors present a range of theoretical and methodological perspectives on the ongoing battle for media space in South America and the volume includes a foreword by Ernesto Laclau *Decolonizing the Westernized University* Ramón Grosfoguel, Ernesto Rosen Velásquez, Roberto Hernández, 2016-10-26 An underlying assumption undergirding institutions of higher education is that they serve as a means to upward socioeconomic mobility and in turn a way to address poverty that is tied to certain racialized

sexualized bodies Although the education crisis is not an American or European problem in the geographic sense but instead a global problem that plays itself out differentially across space and time this volume focuses on the westernized university in the US and abroad It asks questions about what is westernized about the university what its aims are and how those who work in through and outside these sites of knowledge production with local or global social movements can participate in the slow careful process of decolonizing the westernized university Decolonizing the Westernized University Interventions in Philosophy of Education from Within and Without provides a sharper understanding of the crisis and the responses to the westernized university at multiple sites around the world As an intervention in the philosophy of education discourse which tends to assume the university is a neutral space this collection will be of particular value to students and scholars working in philosophy of education Latina o philosophy Africana philosophy social epistemology education cultural studies and ethnic studies as well as to intellectual activists in the United States south of the border and around the world *Resonances of El Chavo del Ocho in Latin American Childhood, Schooling, and Societies* Daniel Friedrich, Erica Colmenares, 2017-07-13 El Chavo del Ocho is one of the most influential pieces of popular culture to have hit Latin America in the last 50 years having at the peak of its popularity in the mid 1970s reached an approximate audience of 350 million across the Americas It is also a rare example of a cultural product that has travelled through Latin America leaving a lasting impact for several decades Resonances of El Chavo del Ocho in Latin American Childhood Schooling and Societies analyses the phenomenon of El Chavo and its images of schooling and childhood Latin American ness class and experience With contributions from scholars emerging from or based in countries including Brazil Mexico Chile Puerto Rico Argentina Venezuela Colombia and the US the book combines reflections from a variety of international perspectives without attempting to compare or reach consensus on any ultimate meanings of the work The book explores themes such as images of schooling and childhood romanticization of poverty the prevalence of non traditional families and the bordering cynicism towards the economic structures and inequalities which some argue make the show transgressive and quite uniquely Latin American Investigating the connection between visual culture studies and transcultural curriculum studies this innovative title provides scholars with original new insights into conceptualizing childhood schooling and society in Latin America *A Post-Neoliberal Era in Latin America?* Daniel Nehring, Gerardo Gómez Michel, Magdalena López, 2019-02-27 Available Open Access under CC BY NC licence Ongoing conflicts between neoliberal and post neoliberal politics have resulted in growing social instability in Latin America This book explores the cultural dynamics of neoliberalism and anti neoliberal resistance in Latin America as a complex set of interrelated cultural forms examining the ways in which neoliberalism has transformed public discourses of self and social relationships popular cultures and modes of everyday experience Contributors from an international range of different disciplinary perspectives look at how Latin Americans construct subjectivities build communities and make meaning in their everyday lives in order to analyse the discourses and cultural practices through which a societal consensus for the pursuit of

neoliberal politics may be established defended and contested *Towards Just and Sustainable Economies* Peter North, Molly Scott Cato, 2017-04-19 With capitalism in crisis rising inequality unsustainable resource depletion and climate change all demanding a new economic model the Social and Solidarity Economy SSE has been suggested as an alternative What can contribute in terms of generating livelihoods that provide a dignified life meeting of social needs and building of sustainable futures What can activists in both the global North and South learn from each other In this volume academics from a range of disciplines and from a number of European and Latin American countries come together to question what it means to have a sustainable society and to ask what role these alternative economies can play in developing convivial humane and resilient societies raising some challenging questions for policy makers and citizens alike **Democratic Institutions and Practices** Juan José Gómez Gutiérrez, José Abdelnour-Nocera, Esteban Anchústegui Igartua, 2022-09-23 This book explores key contemporary issues of democracy in our globalized and highly technologized world Written from an interdisciplinary perspective with contributions including the fields of philosophy political science media studies linguistics and aesthetics it reflects on the characteristics of the democratic state and democratic social practices The book features contributions on topics such as the status of political parties the separation of powers and the rule of law bureaucracy and meritocracy equality forms of democratic participation and governance comparisons between historical and contemporary democratic practices individual rights propaganda political engagement and consent Further it discusses how global information flows and new technologies affect democratic processes including topics such as cyber activism and open source software as a means of empowerment to ethnocentric and class centric technological design globalization and media neutrality and the mechanization of public administration Overall the book demonstrates how historical philosophical technical and institutional issues relate to contemporary democracy It will appeal to political theorists social scientists and everybody interested in contemporary democracy **Populism and Corruption** Jonathan Mendilow, Éric Phélippeau, 2021-06-25 This timely book offers an in depth analysis of the intersection between populism and corruption addressing phenomena that have been so far largely treated separately Bringing together two dynamic and well established fields of study it proposes a theoretical framework for the study of populism and corruption in order to update our understanding of specific forms of each in a variety of socio political settings *International Discourses of Authoritarian Populism* Ludwig Deringer, Liane Ströbel, 2022-12-30 *International Discourses of Authoritarian Populism* provides 15 cutting edge chapters probing into the diversity of present day populist discourse from across the world Not adhering to any particular school the volume explores populism from a variety of disciplines and perspectives with contributions characterized by heuristic openness as called for by the manifold manifestations of populism The chapters balance theoretical and empirical studies as well as quantitative and qualitative surveys and case studies to offer readings on historical and new types of populism and the politicians associated with these variates Authors draw on a variety of print

digital textual and visual source materials to provide a close examination of the phenomena interconnected with populism including separatism Catalexit human rights and legal issues debate rhetoric and journalism with many authors writing as insiders about the situation within their own country Through its multi disciplinary International Discourses of Authoritarian Populism provides fresh insights into the existing and potential dangers of populism and a basis for further critical assessment and discussion It will be a key resource for scholars and students across a range of disciplines including sociology political science linguistics media and communication studies literary studies and history Moreover it will be of special interest to professionals who deal with both national and international issues of populism **Siete ensayos sobre**

populismo Paula Biglieri, Luciana Cadahia, 2021-11-02 El término populismo ha estado envuelto desde siempre en una gran polémica Sus manifestaciones políticas han sido estigmatizadas por las diferentes potencias mundiales que se saben ante un adversario con la suficiente fuerza para revertir el sentido común de poca América Latina se ha convertido en un laboratorio político de futuro donde se dirimen dos fuerzas históricas Por un lado diferentes formas de vida posdemocrática para el capitalismo que viene y por otra una nueva imaginación política para la emancipación Son numerosas las situaciones reaccionarias que han ido ganando terreno a nivel global durante los últimos años El panorama actual solo contribuye a acentuar una crisis que ven a gestándose desde hace algún tiempo En este escenario se exige asumir una serie de problemáticas no contempladas en los debates clásicos de la teoría populista De esta necesidad nace el presente texto La apuesta de las autoras consiste en averiguar qué hay de universalizable en los problemas desafíos y respuestas que ofrece un lugar de enunciación como el continente americano Este libro analiza el populismo como una forma de pensamiento que se inserta en los debates filosóficos y políticos actuales En este escrito declaradamente militante las autoras asumen su posición política como una forma de hacerse responsables de su propia implicación teórica subjetiva **Crisis of the Criminal Law in the**

Democratic Constitutional State Eduardo Demetrio Crespo, Alfonso García Figueroa, Gema Marcilla Córdoba, 2023-03-13 The book shares the results of project research granted by the Castilla La Mancha government which has been composed by philosophers of law and criminal law researchers whose main conclusions are represented by the manifestations and trends of the current crisis of the constitutional State The works identify these trends and manifestations in order to develop alternatives and remedies to solve the current negotiation process that classical liberties are involved from the point of view of philosophy policy and dogmatic **From Fascism to Populism in History** Federico Finchelstein, 2019-08-20 What is

fascism and what is populism What are their connections in history and theory and how should we address their significant differences What does it mean when pundits call Donald Trump a fascist or label as populist politicians who span left and right such as Hugo Chávez Juan Perón Rodrigo Duterte and Marine Le Pen Federico Finchelstein one of the leading scholars of fascist and populist ideologies synthesizes their history in order to answer these questions and offer a thoughtful perspective on how we might apply the concepts today While they belong to the same history and are often conflated fascism

and populism actually represent distinct political trajectories Drawing on an expansive record of transnational fascism and postwar populist movements Finchelstein gives us insightful new ways to think about the state of democracy and political culture on a global scale This new edition includes an updated preface that brings the book up to date midway through the Trump presidency and the election of Jair Bolsonaro in Brazil
