Balswick,Jack O. Balswick,2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially lay groundwork for a normative Christian interpretation of sexuality show how

authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment pornography and rape Risk-Proofing Your Family Donald M. Joy,1995 **The Art of Permanence** Tim Swick,2017-09-25 Mate selection is the second most important decision we make in life This decision determines whether our life will be blessed and full of joy or if it will be a painful calamity If it is a calamity then it will bring disastrous effects on us our mate our children and our extended family and friends Who can best guide us through this decision Parents frequently convey to their children that the only criteria for success in mate selection and marriage are money and education Parents want their children to excel in marriage but they give their children no specialized training or emphasis on preparing their lives and being the kind of person who can secure a godly mate and maintain a permanent lasting relationship I see churches striving to attract youths and young adults to the church I see churches challenging youths to be exceptional in their faithfulness to Jesus I want to see churches teaching teenagers and young adults to be intimate with one another while maintaining sexual purity I want to see churches teaching youths how to build the skills that will make them an excellent mate and future parent I want to see churches teaching youths and young adults how to find healing for the pains that are destroying their lives I see churches teaching that God demands holiness and I want to see them teaching that holiness is the most enjoyable beneficial and only lifestyle that can and will bring permanence to all of our relationships including marriage

Biblical Foundations for Small Group Ministry Gareth Weldon Icenogle,1994-03-01 Drawing on biblical teaching and the ministry of the early church Gareth Weldon Icenogle offers guidance for setting up and running a biblically based small group ministry program Kiss Me Again Barbara Wilson,2009-09-15 Do you ever wonder why marriage can seem like the end of intimacy and sexual desire instead of the beginning Ever wonder why it was so hard to resist sex before marriage and so easy to resist it now If so you re not alone Many married women genuinely want to feel more desire toward their husbands and can t figure out what went wrong But there s good news In Kiss Me Again Barbara Wilson shows how powerful invisible bonds from past relationships can cause heartache disappointment and distance for couples in the present Then with sensitivity honesty and hope Barbara walks you step by step toward healing and a rekindling of the closeness and passion with your husband that you really want You don t have to live any longer with confusion disappointment resentment or shame You can rediscover desire You can say Wow again **Broken Promises** Henry Virkler,2015-09-23 ADULTERY Recognizing the Signs Stopping It Before It Starts Recovering from the Damage One half of the young and middle aged couples in this country will at some time struggle with the painful and destructive results of an affair Can these marriages be saved Can the number of shaken marriages be reduced Psychologist and counselor Henry Virkler has some answers In this vital book he describes the devastating effects of adultery how couples can take preventive steps to reduce the likelihood of it happening in their own marriages and what to do if it does happen He writes for professional counselors for pastors and for those laypersons who find themselves wanting to understand the situation better While the author is a committed Christian

psychologist and counselor he warns that faith doesn't automatically safeguard couples from sexual temptation. He shows how to avoid innocent situations that can easily lead to an affair, what you can do to strengthen your marriage and reduce the possibility that you or your partner will be tempted in an affair, how to tell if your mate is having an affair and what to do if your worst fears prove true, how adultery does not need to lead to divorce if approached in the right way. Sexual Ethics Stanley James Grenz, 1997-01-01. In this biblically grounded study, Stanley Grenz synthesizes theology, ethics, and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today. He calls for Christians to live a biblical sexual ethic in the contemporary world, at the same time calling on the church to recognize that its mandate includes being a reconciling community, one that proclaims God's grace to all. *A Fool's Guide to Wisdom*, The Reproduction Revolution John Frederic Kilner, Paige Comstock Cunningham, William David Hager, 2000. A challenging look at today's most hotly debated issues in bioethics. Within the high-paced, highly controverted field of bioethics, the most hotly debated issues center on sexuality, reproductive technology, and the family. This new volume from the Center for Bioethics and Human Dignity provides a thought-provoking appraisal of the ethical dimension of the reproductive revolution from a Christian perspective. Thirty scholars and medical practitioners discuss some of the most pressing topics related to human reproduction, including the moral status of embryos, the use of donor eggs and sperm, surrogate motherhood, and human cloning, the abortifacient effect of birth control pills. *A Fool's Guide to Wisdom* Richard G. Myatt, 2011-02. Paradox is present when the opposite of what one expects to be true is true. The capacity to see paradox is the prerequisite to becoming wise. It is expressed when the weak become strong, those who lose their life find it, and the disheartened find the Lord who uses those things that are not to nullify the things that are. 1 Corinthians 1:28 NIV. This work demonstrates paradox in health, medicine, business, organizational leadership, cultural myths related to the family, the symptomatic solutions common in political and social structures, and in the spirituality expressed by people of faith. As the former director of an adolescent rehabilitation facility, the author has a keen awareness of the devastation caused by the failures of this generation. Clear and concise recommendations demonstrate the small changes that create enormous differences. We will discover that wisdom begins when we fear the Lord and have knowledge of the Holy One. The wise see paradox but not because they look for it. Their openness of thought leads to a perception that life is an interaction of complex systems and ideas that truly transcend us all. Those with the God-given capacity to integrate knowledge, emotion, and faith will, in the end, find wisdom. Rick Myatt is a licensed psychotherapist with an extensive history. From building an orphanage in a war-torn country to becoming the director of an adolescent psychiatric rehabilitation facility, his experience includes crisis intervention, treating sexual addictions, and caring for children victimized by the murder of parents and child prostitution. With Masters Degrees in Marriage and Family Therapy and in Theology, he has also completed all Ph.D. coursework in Family Sociology. He currently specializes in organizing his community to detect and prevent workplace violence. **For Better, for Worse, for Keeps**
