Re Encounters In China:

Re-encounters in China Harold Robert Isaacs,1985 **Re-encounters in China** Harold Robert Isaacs,1985 **The Tragedy of the Chinese Revolution** Harold Isaacs,2010 The story of contemporary China typically dates back to Mao's 1949 revolution But in this classic work of Marxist scholarship historian Harold Isaacs uncovers how workers and peasants struggled for a different kind of revolution one built from the bottom up in the 1920s The defeat of their heroic efforts profoundly shaped the further course of modern Chinese history Harold Isaacs was an acclaimed Marxist historian who identified with Leon Trotsky's critique of the Soviet Union's degeneration under Stalinism during the 1920s The Tragedy his major work is dedicated to the martyrs of the 1925-1927 revolution who fought for a truly democratic society **Russian Politics in Exile** F. Patrikeeff,2002-08-06 This work explores Russian life in Northern Manchuria during the period of political economic and social upheaval leading to its eventual de facto control by Japan and disruption of the balance of power in the Northeast Asian Region Presenting a fresh interpretation of the combined impact of the 1929 Sino Soviet Conflict and the onset of the Great Depression the book examines the interplay of Soviet and emigré Russian interests in Manchuria and their role in generating the instability that led to Japanese intervention and Russian decline **The Interpreter's Daughter** Teresa Lim,2022-09-06 A beautiful sweeping multigenerational narrative that spans from nineteenth century south China to modern day Singapore I would learn that when families tell stories what they leave out redefines what they keep in With my family these were not secrets intentionally withheld Just truths too painful to confront In the last years of her life Teresa Lim's mother Violet Chang had copies of a cherished family photograph made for those in the portrait who were still alive The photo is mounted on cream card with the name of the studio stamped at the bottom in Chinese characters The place and date on the back Hong Kong 1935 Teresa would often look at this photograph enticed by the fierceness and beauty of her great aunt Fanny looking back at her But Fanny never seemed to feature in the family stories that were always being told and retold Why she wondered This photograph set Teresa on a journey to uncover her family's remarkable history Through detective work serendipity and the kindness of strangers she was guided to the fascinating ordinary yet extraordinary life of her great aunt and her world of sworn spinsters ghost husbands and the working class feminists of nineteenth century south China But to recover her great aunt's past we first must get to know Fanny's family the times and circumstances in which they lived and the momentous yet forgotten conflicts that would lead to war in Singapore and ultimately a long buried family tragedy The Interpreter's Daughter is a beautifully moving record of an extraordinary family history For fans of Wild Swans The Hare With Amber Eyes and Falling Leaves The Interpreter's Daughter is a classic in the making *Cosmopolitan Publics* Shuang Shen,2009-04-08 Early twentieth century China paired the local community to the world a place and time when English dominated urban centered higher and secondary education and Chinese edited English language magazines surfaced as a new form of translingual practice *Cosmopolitan Publics*

focuses on China's cosmopolitans: Western educated intellectuals who returned to Shanghai in the late 1920s to publish in English and who ultimately became both cultural translators and citizens of the wider world. Shuang Shen highlights their work in publications such as *The China Critic* and T'ien Hsia providing readers with a broader understanding of the role and function of cultural mixing, translation and multilingualism in China's cultural modernity. Decades later, as nationalist biases and political restrictions emerged within China, the influence of the cosmopolitans was neglected and the significance of cosmopolitan practice was underplayed. Shen's encompassing study revisits and presents the experience of Chinese modernity as far more heterogeneous, emergent and transnational than it has been characterized until now. *China's Encounters on the South and Southwest* James A. Anderson, John K. Whitmore, 2014-11-06. *China's Encounters on the South and Southwest: Reforging the Fiery Frontier Over Two Millennia* discusses the mountainous territory between lowland China and Southeast Asia, what we term the Dong world, and varied encounters by China with this world's many elements. The essays describe such encounters over the past two millennia and note various asymmetric relations that have resulted therefrom. Local populations, indigenous chiefs, state officials and rulers have all acted to shape this frontier, especially after the Mongol incursions of the thirteenth century drastically shifted it. This process has moved from the alliances of the Dong world to the indirect rule of the Tusi native official, age to the Qing and recent Gaitu Guiliu efforts at direct rule by the state, placing regular officials in charge there. The essays detail the complexities of this frontier through time, space and personality, particularly in those instances as today on land and sea when China elects to pursue an aggressive policy in this direction. Contributors include Brantly Womack, Kenneth MacLean, Amy Holmes, Tagchungdarpa, Bradley Davis, Jaymin Kim, Alexander Ong, Joseph Dennis Sun, Laichen John K. Whitmore, Kathlene Baldanza, Kenneth M. Swope, Michael Brose, James A. Anderson, Liam Kelley and Catherine Churchman. *Policy Conflicts in Post-Mao China: A Documentary Survey with Analysis* John P. Burns, Stanley Rosen, 2016-07-08. This is a collection of essays exploring the deep-rooted problems presented by the Three Gorges dam project that the Chinese government are trying to disguise or suppress, brought together by Dai Qing, an investigative journalist at the risk of her own freedom. **Jews in China** Irene Eber, 2019-10-21. Irene Eber was one of the foremost authorities on Jews in China during the twentieth and twenty-first centuries, a field that in contrast to the study of the Jewish diaspora in Europe and the Americas has been critically neglected. This volume gathers fourteen of Eber's most salient articles and essays on the exchanges between Jewish and Chinese cultures, making available to students, scholars and general readers a representative sample of the range and depth of her important work in the field of Jews in China. *Jews in China* delineates the centuries-long reciprocal dialogue between Jews, Jewish culture and China, all under the overarching theme of cultural translation. The first section of the book sets forth a sweeping overview of the history of Jews in China, beginning in the twelfth century and concluding with a detailed assessment of the two crucial years leading up to the Second World War. The second section examines the translation of Chinese classics into Hebrew and the translation of the Hebrew

Bible into Chinese The third and final section turns to modern literature bringing together eight essays that underscore the cultural reciprocity that takes place through acts of translation The centuries long relationship between Judaism and China is often overlooked in the light of the extensive discourse surrounding European and American Judaism With this volume Eber reminds us that we have much to learn from the intersections between Jewish identity and Chinese culture *Wuhan, 1938* Stephen R. MacKinnon, 2008-05-21 During the spring of 1938 a flood of Chinese refugees displaced by the Anti Japanese War 1937 1945 converged on the central Yangzi valley tricity complex of Wuhan For ten remarkable months in a highly charged atmosphere of carnage heroism and desperation Wuhan held out against the Japanese in what would become a turning point in the war and one that attracted international attention Stephen MacKinnon for the first time tells the full story of Wuhan s defense and fall and how the siege s aftermath led to new directions in the history of modern Chinese culture society and politics *Red Friends* John Sexton, 2023-02-21 China s resistance to Imperial Japan was the other great internationalist cause of the red 1930s along with the Spanish Civil War These desperate and bloody struggles were personified in the lives of Norman Bethune and others who volunteered in both conflicts The story of Red Friends starts in the 1920s when encouraged by the newly formed Communist International Chinese nationalists and leftists united to fight warlords and foreign domination John Sexton has unearthed the histories of foreigners who joined the Chinese revolution He follows Comintern militants journalists spies adventurers Trotskyists and mission kids whose involvement helped and sometimes hindered China s revolutionaries Most were internationalists who while strongly identifying with China s struggle saw it as just one theatre in a world revolution The present rulers in Beijing however buoyed by China s powerhouse economy commemorate them as foreign friends who aided China s peaceful rise to great power status Red Friends is part of Verso s growing China list which includes China s Revolution in the Modern World and China in One Village Founded on original research it is a stirring story of idealists struggling against the odds to found a better future The author s interviews with survivors and descendants add colour and humanity to lives both heroic and tragic *Foreigners and Foreign Institutions in Republican China* Anne-Marie Brady, Douglas Brown, 2013 Republican China attracted an uncommon diversity of foreign interests groups and individuals which included missionaries adventurers diplomats academics humanitarians and refugees as well as hedonists and tourists By exploring the diverse nature of foreign activities in Republican China this book complicates the dominant narratives of the imperialistic foreigner and Chinese victim and moves beyond the depiction of foreigners as privileged and the Chinese as simply weak The spaces and relationships examined in the essays in this volume reveal a complex series of interactions between foreigners and the people of China which go far beyond one way transmission or exploitation Indeed this book examines how diverse and sometimes seemingly peripheral foreign individuals and communities influenced literature education trade sexual morality warfare and architecture in China and in the process were themselves profoundly changed in ways that are as remarkable as those experienced by the Chinese they had come to

observe meet exploit conquer assist or change Bringing together the work of a diverse group of scholars on Republican China this edited volume adopts a uniquely multi disciplinary approach to the study of foreigners in China and utilises the perspectives of historiography literary studies cultural studies sociology anthropology and political science As such this interesting and innovative book will be of great interest to students and scholars from diverse fields including Chinese and global history politics and international relations Chinese studies literary studies and gender studies Anglo-Chinese Encounters Before the Opium War Xin Liu,2022-08-12 Anglo Chinese Encounters Before the Opium War A Tale of Two Empires Over Two Centuries studies the fascinating encounters between the two historic empires from Queen Elizabeth I s first letter to the Ming Emperor Wanli in 1583 to Lord Palmerston s letter to the Minister of China in 1840 Starting with Queen Elizabeth I s letter to the Chinese Emperor and ending with the letter from Lord Palmerston to the Minister of China just before the Opium War this book explores the long journey in between from cultural diplomacy to gunboat diplomacy It interweaves the most known diplomatic efforts at the official level with the much unknown intellectual interactions at the people to people level from missionaries to scholars from merchants to travelers and from artists to scientists This book adopts a novel mirror approach by pairing and comparing people texts commodities artworks architecture ideologies operating systems and world views of the two empires Using letters gifts and traded goods as fulcrums and by adopting these unique lenses it puts China into the world history narratives to contextualise Anglo Chinese relations thus providing a fresh analysis of the surviving evidence Xin Liu casts a new light on understanding the Sino centric and Anglo centric world views in driving the complex relations between the two empires and the reversals of power shifts that are still unfolding today The book is not intended for specialists in history but a general audience wishing to learn more about China s historical engagement with the world **Reform in China** B.L. The African American Encounter with Japan and China Marc Gallicchio, 2003-06-19

In the first book to focus on African American attitudes toward Japan and China Marc Gallicchio examines the rise and fall of black internationalism in the first half of the twentieth century This daring new approach to world politics failed in its effort to seek solidarity with the two Asian countries but it succeeded in rallying black Americans in the struggle for civil rights Black internationalism emphasized the role of race or color in world politics and linked the domestic struggle of African Americans with the freedom struggle of emerging nations of color such as India and much of Africa In the early twentieth century black internationalists including W E B Du Bois and Marcus Garvey embraced Japan as a potential champion of the darker races despite Japan s imperialism in China After Pearl Harbor black internationalists reversed their position and identified Nationalist China as an ally in the war against racism In the end black internationalism was unsuccessful as an interpretation of international affairs The failed quest for alliances with Japan and China Gallicchio argues foreshadowed the difficulty black Americans would encounter in seeking redress for American racism in the international arena
