## Reaching For Glory:

**Reaching for Glory** Lyndon Baines Johnson, 2002-11 Transcribing and selecting the most stunning moments from hundreds of hours of newly released LBJ tapes Beschloss has added another permanent treasure to the American historical record Throughout this incredible narrative he provides keen commentary and historical contexts revealing just how profoundly LBJ changed the presidency and America itself **Sermons ...** Matthew Simpson, 1885 *The Living under God's Governmental Administration in His Salvation and the Provisions of the Divine Life* Witness Lee, In his Epistles Peter emphasizes God's government Whereas Paul's ministry speaks mainly of the Body of Christ and John's ministry speaks mainly of the house of God Peter's ministry speaks mainly of the kingdom of God that is of all matters related to God's governmental administration His Epistles substantially and comprehensively speak of how God's hand in His governmental administration accomplishes His desire in us and they speak deeply and with much application to our actual condition If we want to know God in our practical living and walk and know God's hand and His work upon us we must know the content of the Epistles of Peter *One For The Nameless* Jay Joslin, 2009-11-05 Jay's third published book is a collection of verbal alchemy and visionary tomfoolery in the form of his widely acclaimed poetry essays and travelogues **The Cold War Presidency** Thomas Langston, 2007 Organized chronologically by president The Cold War Presidency presents original analytical essays on the presidents and their roles during the Cold War from Harry Truman through George H W Bush and over 150 important primary source documents with explanatory headnotes The pairing together of these useful materials allows researchers to learn comprehensively or selectively about the interdependence of the presidency and the Cold War *Thomas More's Vocation* Frank Mitjans, 2023-01-31 The book considers Thomas More's early life choices An early letter is cited by biographers but most miss More's reference to the market place More's great grandson Cresacre a Londoner understood it correctly and that gives reason to trust him on other aspects of More's youth This study is based on early testimonies those of Erasmus Roper Harpsfield Stapleton and Cresacre More as well as More's early writings the Pageant Verses and his additions omissions to the Life of Pico evidence drawn from authors he recommended like Hilton and Gerson and finally his epitaph Attention is given to his lectures on St Augustine's City of God and to St John Chrysostom It is argued More studied Chrysostom's Homilies on the Gospel of St Matthew i from a Greek manuscript Chrysostom in the introductory homily spoke of the city and the market place as the setting in which Christians practice the teaching of Christ More practiced law and taught it He was attracted to becoming a Christian humanist alongside Grocyn Colet Linacre and Lily With them he studied Greek the classics and Fathers of the Church Helped by them he became a man of prayer aware of the need to seek holiness in the midst of the world as a layman Faced with the dilemma of the humanist in choosing between the contemplative life of the philosopher and an active life of engagement with the world he deliberately chose the active life in service to society and the contemplative life of the Christian as a married man This awareness and choice is what is called vocation implying
