**Reaching to Heaven** James Van Praagh, 2009-10-01 James Van Praagh has touched the lives of millions through his extraordinary ability to communicate with the next world. Widely known through his regular appearances on NBC, his first book *Talking to Heaven* became an international bestseller. In *REACHING TO HEAVEN*, Van Praagh takes us on a journey to show what happens at death, what the spirit world is like, how a soul chooses to be reborn, and how the process of reincarnation works. Through simple exercises and meditations, *REACHING TO HEAVEN* will help you to rediscover your true spiritual nature and achieve greater self-awareness and inner peace. **Spirit Rescue** Tick Gaudreau, 2006-03 When walking on a moonless night past a cemetery, who among us hasn't felt a bit of a chill when a twig snaps nearby or a night bird takes flight? Just about everyone has either encountered a ghost or heard an anecdote about a haunting. But why do ghosts haunt in the first place? Is there a reason they do not simply leave? Author Tick Gaudreau provides the answers you need to these common questions. *Spirit Rescue* presents his intriguing experiences with different types of haunting spirits. Utilizing specialized techniques he has worked with spirits in a safe, respectful, and loving manner, Gaudreau shares these methods with you to help you identify different types of spiritual beings. Gaudreau also presents the fascinating true stories behind many of his spiritual encounters, including tales of his Spirit Rescues, a way to help earthbound spirits leave this plane and continue their journey. Both informative and entertaining, *Spirit Rescue* offers an exhilarating look at the spiritual world from the perspective of one who knows it best. **Forthcoming Books** *Rose Arny*, 2002-02 *The Complete Works of William Walker Atkinson (Unabridged)* William Walker Atkinson, 2024-01-09 In *The Complete Works of William Walker Atkinson Unabridged*, readers are invited to explore the profound depth of Atkinson's writings, which traverse the realms of philosophy, psychology, and personal development. Comprising a collection of essays, lectures, and treatises, this compendium showcases Atkinson's revolutionary approach to the power of thought, self-improvement, and metaphysical principles. His literary style, characterized by clarity and persuasive argumentation, immerses the reader in an era of burgeoning New Thought philosophy, engaging with contemporaries like Ralph Waldo Emerson and Henry David Thoreau while laying the groundwork for modern self-help literature. William Walker Atkinson (1862-1932) was a pioneering figure in the New Thought movement and an accomplished attorney who, having suffered from a debilitating illness, turned to exploring alternative philosophies of healing and personal empowerment. His diverse background informed his writings, allowing him to bridge complex ideas with practical applications, making profound concepts accessible to the everyday reader. Atkinson's influence resonates across various fields, particularly in personal development, as he emphasized the constructive use of the mind. This comprehensive volume is essential for anyone seeking a deeper understanding of the mind's transformative capabilities. Whether you are a scholar of philosophy or an individual on a personal growth journey, Atkinson's works offer timeless insights that inspire and empower, encouraging readers to harness their potential and transcend limitations. *Lucifer (Unabridged)*
