We in the Shadow Michael D. Riley, 2023-04-04 For centuries the belief that God was directly engaged in our individual lives has comforted untold numbers of people but today that belief is being challenged by many within the community of faith The randomness of violence innocent suffering and inexplicable evil has pushed believers to question whether God is personal in any meaningful way How can we believe that God is involved in our daily lives when so often God appears deaf to our prayers and indifferent to our broken world *We in the Shadow* explores how or in what way God may be personal Unless this question can somehow be thoughtfully and practically answered faith will be viewed as an

option only for those who skim over the incomprehensibly cruel surfaces of life with eyes closed and fingers stuck firmly in their ears

Church: Why Bother? Philip Yancey, 2010-08-03 Insights from Philip Yancey's personal pilgrimage away from and back to the church what made him walk away and what drew him back Why are there so many more professing Christians than churchgoing Christians Is it because something is wrong with the church In his candid thought provoking manner award winning author Philip Yancey reveals the reasons behind his own journey back from skepticism to wholehearted participation in the church This book Weighs the church's human failings against its compelling worth as the body of Christ Looks into what God may have in mind for His church Discusses how the church can reach beyond its walls and into the communities and lives around it to be more than just Sunday worship Yancey does not whitewash the church's faults He sets them against the overwhelming balance of its strengths its heart for God its care for the hurting its outreach to the lost and its value as family and community This book is for anyone who's ever wondered Why bother with church

Prayer Philip Yancey, 2008-09-09 Philip Yancey probes the very heartbeat of our relationship with God prayer What is prayer Does it change God s mind or ours or both This book is an invitation to communicate with God the Father who invites us into an eternal partnership through prayer Polls reveal that 90 percent of people pray Yet prayer which should be the most nourishing and uplifting time of the believer s day can also be frustrating confusing and fraught with mystery Writing as a fellow pilgrim bestselling author of What s So Amazing About Grace Philip Yancey probes such questions as Is God listening What should I pray for If God knows everything what s the point of prayer If my prayers go unanswered is there something wrong with my faith Why does God sometimes seem close and sometimes seem far away How

can I make prayer more satisfying In this powerful classic of spiritual insight and investigation Yancey tackles the tough questions about the mystery of prayer and in the process comes up with a fresh new approach to this timeless topic I have learned to pray as a privilege not a duty writes Yancey and he invites you to join him on this all important journey

Sermons and Discourses ,1885 **Endangered Nature** Dr. Pawan Kumar,2015-08-24 The book *Endangered Nature Tales in Indian Context* authored by Dr Pawan Kumar are some untold stories on the nature These stories have their characters from villages of India depicts the suffering of animals birds trees and environment Dr Pawan Kumar is a young emerging writer of India who has published many stories and essays in renowned magazines of India and abroad He has given multiple talks and conducted many radio programs on his work He already has published four books about his stories essays and novels Mankind has made irreversible dents on Mother Nature and has gone astray in fulfilling obligations and responsibilities toward her The trees are being cut down natural water reservoirs are being destroyed and environment has become polluted bringing the global warming at its climax Many species are endangered now Elephant tusks animal skins their skeletons and teeth are being smuggled through human network across the globe Killings of animals are on the rise These innocent animals who are voiceless suffer immensely by these inhumane and barbarian acts to fulfill mankind's food or monetary gains These animals have the same emotions feelings and sentiments as human beings have They love their family and they mourn in their loss of their near or dear ones as we do The irony is these animals can't go to the courts to seek justice These stories remind us that we can't escape from our wrong doings toward Mother Nature as we can't escape from the court of the Almighty *CHANGE MY HEART O LORD* DR. JENNY P DEVA MD,2014-12-17 Changing our hearts through prayer changes things and truly moves the hand of God We often hear other believers sharing about this God's timing is not ours to command If we do not start the fire with the first strike of our match we must try again God does hear our prayer but He may not answer it at the precise time we have appointed in our minds He will reveal Himself to our seeking hearts though not necessarily when and where we may expect The offence causing me to turn away may be spiritual I had imagined that once within His fold I would never again suffer from the stinging winds of temptation Yet it is best for me the way it is for when I endure temptation His grace is magnified my own character matures and heaven seems sweeter at the end of the day There is one thing you can do that can accelerate your spiritual growth more than almost any other thing Learn to take correction from the Spirit of God and from His people Remember that next time someone corrects you Love that person and thank him or her for being concerned for you and helping to speed up your spiritual progress If you'll do that you'll come out ahead every time **The Bible Jesus Read** Philip Yancey,2010-05-18 Take a pilgrimage through some of the most challenging and rewarding parts of the Old Testament with bestselling author Philip Yancey Because it is often daunting many Christians approach Old Testament carefully Or avoid it altogether But each of the books of the Old Testament the Bible Jesus read contains an essential part of the story of grace The more we comprehend the Old Testament Yancey writes

the more we comprehend Jesus In The Bible Jesus Read Yancey challenges the perception that the New Testament is more important than the Old Writing with keen insight into the human condition and God s provision for it he sets off on a personal journey through the parts we most like to keep at arm s length Job Deuteronomy Psalms Ecclesiastes and the Prophets and he asks us to bring our own questions concerns and our openness to the wonders of God We may discover that this set of writings that comprise the Old Testament is at once as mystifying and strangely satisfying as life itself that it s worth the effort it takes to read and wrestle with Because reading the Scriptures that Jesus so revered gives us a profound new understanding of Christ the Cornerstone of the new covenant Contemporary Authors New Revision Series ,2001-08 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details **Fearfully and Wonderfully Made** Philip Yancey,Paul Brand,2010-05-11 Mysterious intricate pulsing with energy The human body is an endlessly fascinating repository of secrets The miracle of the skin the strength and structure of the bones the dynamic balance of the muscles your physical being is knit according to a pattern of incredible purpose In Fearfully and Wonderfully Made renowned surgeon Dr Paul Brand and best selling writer Philip Yancey explore the human body Join them in a remarkable journey through inner space a spellbinding world of cells systems and chemistry that bears the impress of a still deeper unseen reality This Gold medallion Award winning book uncovers eternal statements that God has made in the very structure of our bodies presenting captivating insights into the Body of Christ **Luther's Theology of the Cross** Dennis Ngien,2018-06-11 Luther was fundamentally a preacher pastor a care taker of souls whose ingenuity lies in his usage of the biblical message as a source of pastoral encouragement This book seeks to capture the often overlooked pastoral side of the Reformer through an examination of his sermons on John s gospel The sermons on John show the intrinsic close and causal link between doctrine and consolation They are an exercise of his vocation as a pastor or more precisely as a theologian of the cross who seeks to inculcate the good news of justification by faith in his people leading them to experience it within the dialectic of law and gospel St John said Luther is the master in the article of justification Luther s theological method namely his theology of the cross permeates and governs the exposition of the text and all major themes of his theology Christology Trinity and soteriology appear in his exegesis of John Preacher and Homiletic Monthly ,1922 Metropolitan Pulpit and Homiletic Monthly ,1922 **The Homiletic Review** ,1922 **The Image of God in an Image Driven Age** Beth Felker Jones,Jeffrey W. Barbeau,2016-03-18 Humans are created in the image of God yet by choosing to rebel against God we become unfaithful bearers of his image But Jesus who is the image of God restores the divine image in us At the intersection

of theology and culture these essays offer a unified vision of what it means to be truly human and created in the divine image in the world today
