Reaching Our Generation:

No Perfect People Allowed John Burke, 2009-05-26 How do we live out the message of Jesus in today's ever changing culture The church is facing its greatest challenge and its greatest opportunity in our postmodern post Christian world God is drawing thousands of spiritually curious imperfect people to become his church but how are we doing at welcoming them No Perfect People Allowed shows you how to deconstruct the five main barriers standing between emerging generations and your church by creating the right culture From inspiring stories of real people once far from God to practical ideas that can be applied by any local church this book offers a refreshing vision of the potential and power of the Body of Christ to transform lives today

Reaching People Under 40 while Keeping People over 60 Edward H Hammett, 2007-02-01 Many established churches are facing a number of challenges in today's increasingly secular culture Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group So many are asking How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values If a church is interested in growing this situation becomes a major challenge Reaching People under 40 while Keeping People over 60 looks at the church as it seeks to function in a new world It looks at the differences in the generations and at postmodernism not just a generational difference but a global change Most importantly Reaching People under 40 while Keeping People over 60 looks at what a church can do in this new age to help the church survive and thrive Foreword by Bill Easum A TCP

you discover God's purposes for each generation and it will provide you with vital knowledge to learn and lead more effectively across generations *Earth's Final Hour* Ed Hindson, 1999-08-15 Some people say that the last days are upon us right now Others say the end times are in the distant future Who is right Is it possible to know If you're wondering what you can know for certain about the timetable of last days events you'll find answers in this book Can I still believe in the soon return of Christ Why have so many people miscalculated the second coming How can Christ's return be imminent if there are still unfulfilled prophecies This balanced look at the unfolding of Bible prophecy in a wildly chaotic world will help you sort fact from fiction Learn how to avoid excessive speculation and receive hope inspiration and a very clear picture of what God has revealed for about the last days **Quintessence** Tulsi Mathur, Priyanka Sharma, 2021-03-08 The utopian between the realism of language and metaphysics of love the quintessence The book is a delicate collection of writers spread over the country who talk their hearts out They use words of the days bygone and speak of the love their heart instills Quintessence brings to its readers the avid personality of lovers and their masterpieces woven with the delicate words of a forgotten era While some portray how the language describes love others show how love is the immortal language that binds all It is a must read for every author brilliantly vents the burning desire of heart in words **Global Revival, Worldwide Outpourings, Forty-Three Visitations of the Holy Spirit** Mathew Backholer, 2018-02-02 Updated in 2020 Global Revival Worldwide Outpourings documents forty three visitations of the Holy Spirit spanning four centuries featuring revivals in thirty countries from Argentina to Australia Estonia to Eritrea and Jamaica to Japan Discover some of the greatest revivals from around the globe that you've probably never heard of from Canada to China and from Egypt to Zimbabwe Learn about the amazing outpourings that have taken place around the world in our lifetime and how the Holy Spirit has moved in visitations from the past The author explores the nature and concepts of revival around the world and poses the questions How did the revivalists see revival Is evangelism revival Can we see revival today and if so how He explores the Divine human partnership explains how revivals are birthed and reveals the fascinating links between missions and Christian revival Discover the waves of missions within Christendom and how evangelism and revival were integral forces to these movements Find out how men and women participated in life changing events as they pursued God for the greater things in a spirit of holiness in their fulfilment of the Great Commission **Evangelism Outside the Box** Rick Richardson, 2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach them We need new ways of telling people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That's what Rick Richardson's book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of

what we think they should value and leading them into a transforming experience with God Also included is Richardson's *Circles of Belonging* a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus

Every Nation in Our Generation Rice Brooks, 2002 *Make Disciples of All Nations* In this book Rice Brooks explains the progress of the Church in terms of its obedience to the apostolic mandate This mandate which has been called the Great Commission must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet The orders of Jesus to His followers to make disciples of all nations is far more than simply giving people a basic gospel message This mandate includes not only individual transformation but cultural as well About the author Rice Brooks is the president of Morning Star International MSI a family of churches and ministries currently operating in 35 nations He is also the senior pastor of Bethel World Outreach Center in Nashville Tennessee where he lives with his wife and their five children He is the co founder of Champions for Christ a ministry to college and professional athletes as well as the president of Victory Campus Ministries reaching out to hundreds of university campuses around the world

Learning To Be A Disciple Luella Campbell, 2017-08-04 Discipleship and sonship are intimately connected Jesus was a Son to His Father and a rabbi to His disciples His goal was to teach His disciples how to be sons by introducing them to the Father and calling them to follow Him and imitate Him as God's beloved Son They were to be His replicas on earth training others to follow Him Jesus was a Jew born and raised in the Jewish language and culture of His day Out of this richness He invited and trained uneducated men to take His yoke learn from Him and go into the world to set people free from their yokes of bondage Westernization has obscured the Biblical meaning of discipleship and pawned believers who have lost the truth and simplicity of following Jesus The church has been fragmented by theology and tradition instead of being united by the Spirit of Jesus Jesus stripped Judaism of its impositions by taking people back to the Torah and explaining what God meant not what rabbis imposed on it This book is an attempt to re introduce believers to Jesus's yoke by teaching them to embrace the spirit of Torah which reflects not rules or religion but mercy based on the love of the Father

Liberating the Laity R. Paul Stevens, 2002-03 Every church has far more work than any one person can do Even a team of professionals is not enough The New Testament solution was for every member to be a minister Though the priesthood of all believers was a key idea in the Reformation it is little practised today Following secular models churches usually organize around the clergy who are paid by the laity to do the ministry Paul Stevens argues that according to Scripture the primary task of a Christian leader is not to do the work but to equip the saints to do it Exploring new options for pastors tentmakers and laypeople this book provides structures and strategies to best equip all the saints for ministry
