## **Reaching Your Destiny:**

**REACHING YOUR WORLD WITH CHRIST** ISAAH MACWEALTH, Witnessing is the essence and purpose of the church. The concept should hence be understood in its entirety. Jesus gave the church this all important calling at His ascension because it is the heartbeat of the Father. Sadly, most people and churches have not fully understood it, making the church ineffective in its fulfillment. Witnessing is a lot more than preaching from street to street, morning cries or even mega crusades. Though these are very important in witnessing, they are perhaps just a minute part of the process. This book aims to enunciate the concept of witnessing as a process that requires the right consciousness, attitude, and sacrifice, and the role of the church, individuals, and groups in effective witnessing. Our Master Jesus Christ is coming back very soon. Consequently, we need to employ all necessary techniques and tactics to witness to this world for Him. As you read this book, I pray that God will birth in you a strong passion for souls and grant you understanding into this ultimate assignment of witnessing in Jesus' Name. Amen.

**Finding Your**

**Way - The Secret to Finding and Creating Your Purpose** Kaneen Morgan, 2013-06 Finding Your Way is a book of spiritual rediscovery which inspires and shows you how to discover and achieve your greatest asset and then contribute it to the world. This empowering book will affect anyone seriously interested in changing their lives, discovering their strengths, attacking what prohibits them from moving forward, improving their thinking, career and financial status, and most importantly, their faith in God. I was inspired to write this book because I have suffered crises and in faith I claimed to have faith in God yet made the wrong decisions, lacked the proper direction, and experienced homelessness and lack which resulted in mistakenly feeling abandoned by God. Why do many believers experience disruptions, setbacks, and a lack of vision the vision set forth by God for us? Some are suffering in the lack of spiritual awareness, wisdom, patience, mentorship, and true faith in God. Finally, I found my way. This book takes the reader into a journey of the self, knowing God, and learning to recognize His voice. What does it mean to be faithful to God's word while developing spiritual maturity, spiritual leadership, and spiritual entrepreneurship? Through lessons learned, Finding Your Way offers a spiritual, inspiring, and personal application of receiving God's favor and abundance. This book is intended for Spiritual Leaders, Christian Entrepreneurs, believers in Christ, and those who are transitioning in their careers and lives.

Since empowerment is a very vital act of mentorship that fosters self-identity and ameliorates an individual's quality of life, ignorance is bliss only when the knowledge of God is not involved. It's through our relationship with God that we come to find our purpose, gain confidence, become courageous, and suppress our fears in life as we progress towards our destiny. As we seek to find our God-mandated purpose in our lives, it's very imperative to know that life comes in phases where victory of your present stage invigorates your progress in the next stage. Nevertheless, our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It's our light, not our darkness, that most frightens us. Most of the times we ask ourselves, who am I to be brilliant, gorgeous, talented, and successful? Actually, who are you not to be? You are a child of God. Your constrained thinking does not serve or impact the world. Your life is not a mistake. Every human

being has a purpose which should dictate him or her to live a purpose driven life We were born to make manifest the glory of God that is within us Its not just in some of us its in everyone As we let our own light shine we unconsciously give others permission to follow suit As we are emancipated from our own fear our presence and perseverance automatically emancipates others The Rhythms of Life; Engineering Your Own Change to Reach Your Fullest Potential ,2020-01-27
