

A reading from the holy Gospel according to
Jesus said to his disciples:

"To you also I say,
love your enemies, do good to those who hate
those who curse you, pray for those who
to the person who strikes you on one cheek.

And if you love those who love you,

Read the Way You Talk

Even sinners love those who love them.

And if you do good to those who do good to you,
what credit is that to you?

Even sinners do the same.

If you lend money to those from whom you expect
what credit is that to you?

Even sinners lend to sinners,
and get back the same amount.

But rather, love your enemies and do good to to
and lend expecting nothing back;

then your reward will be great

Read The Way You Talk A Guide For Lectors:

Read the Way You Talk Jack Hartjes, 2004 *Read the Way You Talk* offers instruction for lectors. It presents guidelines for making oral reading meaningful and believable. Three lessons give detailed instructions in eighteen different areas including parallelism, repetition, and pronunciation. Special guidance is provided for using inflection and stressing words. With practice, readers who share the Word of God with others can read as naturally as they speak while they become comfortable with their audience, sure of what they are saying and confident their message is important. Part I, *The Word of God in Human Speech*, explains why the readings need to be spoken in conversational tone. Part 2, *Rules for Reading Like Talk*, is divided into lessons and contains rules, explanations of techniques, and examples. *Read the Way You Talk* is a useful resource for lectors, deacons, priests, and leaders who instruct lectors and seminarians. Jack Hartjes, PhD, is an elementary school teacher. He is a lector and an instructor of lectors at St. Paul's Parish in St. Cloud, Minnesota. *The Worship Architect* Constance M. Cherry, 2021-08-17 *Worship* professor and practitioner Constance Cherry shows how to create services that are faithful to Scripture, historically conscious, relevant to God, Christ-centered, and engaging for worshipers of all ages in the twenty-first century. More than 150 colleges and seminaries have used or currently use the first edition as a required text. In this new edition, each chapter has been substantially updated and revised, including illustrations, key terms, examples, technological references, and suggested resources for further reading. A new chapter on global worship and a new appendix on live-streamed worship are included.

Guide for Lectors and Readers, Second Edition Michael Cameron, Corinna Laughlin, Virginia Meagher, Paul Turner, 2021-07-10 Because readers provide a bridge between the Word of God and the assembly, helping Christ speak to his people, they need to understand, believe, and love the Word of God; they proclaim. The Introduction to the Lectionary calls for a preparation for lectors and readers that includes spirituality, biblical and liturgical formation, and technical instruction for proclamation. This book provides exactly that in an inviting and readable style that grounds readers in essential knowledge and inspires them to keep learning and growing. This resource includes theological and historical reflections on the liturgy and the ministry; practical skill building and advice for serving in this role; ways to deepen your spirituality and call to discipleship; answers to frequently asked questions; recommended resources; a glossary; questions for discussion and reflection.
