Involving Parents Through Children's Literature Anthony D. Fredericks, 1992-09-15 You'll appreciate these tools for parent participation in the learning process. Reproducible activity sheets based on quality children's books are designed as take-home assignments for children. Each sheet includes a book summary, discussion questions, and a list of engaging learning activities for adults and children that increase discussion, reading skills, and comprehension.

Children of Incarcerated Parents Marian S. Harris, 2023-05-26 Millions of children around the world continue to be adversely impacted when they suffer the loss of a mother or father due to incarceration. Nothing is more powerful than being up close and personal with children of the incarcerated who share their real-life stories in this poignant and insightful book. Their first-hand accounts help the reader to put a face to the numbers and see life from their vantage point. Judges, social workers, prison superintendents, corrections department administrators, formerly incarcerated fathers, incarcerated mothers, and fathers and caregivers, including mothers and grandmothers, also share eye-opening stories. This powerful book provides an opportunity to learn about international programs as well as programs in the US that are making a difference in the lives of these children and to learn about policies and best practices for engaging with children of the incarcerated, their parents, and caregivers.

The Reading Aloud Resource Book Katie Walsh, Maria Bracken, 2023-05-11 This practical guide is the ideal tool for the busy practitioner or speech and language therapist to provide an effective, meaningful, and contextualised approach to language development using picture books. Drawing from up-to-date evidence-based research, each chapter shows you how to get the most out of picture books to support language development, with a focus on the range of opportunities that reading aloud can bring. The guide offers a complete package to promote speech, language, and early literacy and to enrich language comprehension, vocabulary, phonological awareness, and oral language, all by using books to provide a context for meaningful language learning. The resource also includes advice on how to develop intervention goals and outcome measures for reading aloud, with practical suggestions covering topics from creating a reading routine and book nooks to encouraging reluctant readers and reading aloud challenges. Language skills are essential for academic, social, and communication success, and this reading aloud resource will be valuable reading for early-year educators, primary teachers, and speech and language therapists working with young children aged 0-7.

A Personal Odyssey Thomas Sowell, 2002-02-05 This is the gritty story of one man's lifelong education in the school of hard knocks, as his journey took him from Harlem to the Marines, the Ivy League, and a career as a controversial writer, teacher, and economist in government and private industry. It is also the story of the dramatically changing times in which this personal odyssey took place.

The Science Fiction of Mark Clifton Mark Clifton, 1980 This collection of the best short stories of Mark Clifton makes these fine tales readily available for the first time in two decades. Winner with Frank Riley of the 1955 Hugo Award for *They'd Rather Be Right*, Clifton has, for a variety of reasons unrelated to the quality of his writing, all but disappeared from the awareness of today's science-fiction audience.

Never a prolific writer he had published only about twenty five short stories before his death in 1963 But with those stories and his three novels he irrevocably altered the course of contemporary science fiction Almost single handedly he introduced the full range of psychological insights to the commonly occurring themes of the genre alien invasion expanding technology revolution against political theocracy and space exploration and colonization to ever more truthfully portray how humanity would react to a future that could be either mindless or intellectually stunning With his first published story What Have I Done Clifton initiated the theme of a starkly realistic world in which at its best humanity is inalterably vile a theme that became an inextricable part of all his subsequent works In his later works Clifton occasionally clothed his bitter indictment in the garb of comedy The stories collected here include What Have I Done Star Bright Crazy Joey What Thin Partitions Sense from Thought Divide How Allied Remembrance and Reflection Hide Hide Witch Clerical Error What Now Little Man and Hang Head Vandal

The Journeys of Brothers Murray A. Tucker, 2013-11 For twenty year old Meyer Stein the word pogrom strikes fear into his heart At the age of five he witnessed one firsthand bringing on destruction wrought by peasants Cossacks and the army Hearing the word again as an adult Meyer feels trapped His whole world has centered on his small isolated Russian village where he and his wife Rachel are comfortable But that is about to change Meyer knows he must leave or suffer the same atrocities of others before him He worries how his pregnant wife will cope and he wonders how he will handle the harrowing journey with his rascal of a younger brother Ephraim As the two leave Russia in 1903 they experience perils both from nature and people bent on betraying them for a reward A work of historical fiction The Journeys of Brothers reflects a composite of the experiences of many Jewish immigrants from Russia at the turn of the twentieth century It describes pioneering in Saskatchewan spying for the British in World War I and assisting Jews to flee the problems of Eastern Europe A story of the personal courage and sacrifice of European immigrants it narrates an engrossing saga of immigration and personal development

Notes on Blindness John Hull, 2017-02-09 A rediscovered modern classic a life affirming account of one man's journey into blindness A gift to the whole of humanity Cathy Rentzenbrink Days before the birth of his first son writer and academic John M Hull started to go blind He would lose his sight entirely unable to distinguish any sense of light or shadow Isolated and claustrophobic he sank into a deep depression Soon he had forgotten what his wife and daughter looked like In Notes on Blindness John reveals his profound sense of loss his altered perceptions of time and space of waking and sleeping love and companionship With astonishing lucidity of thought and no self pity he describes the horror of being faceless and asks what it truly means to be a husband and father And eventually he finds a new way of experiencing the world of seeing the light Based on John's diaries recorded on audio tape this is a profoundly moving wise and life affirming account of one man's journey into blindness Poignant and wise Andrew Solomon Published in partnership with Wellcome Collection
