Reader On Preaching Making Connections:

A Reader on Preaching David Day, 2017-09-08 Every Sunday all over the world people rise up and claim to speak in the name of God. It is an astonishing thing to do and an astonishing claim to make. It is small wonder that the sermon has been the focus of debate, discussion and investigation. It has been dismissed as irrelevant in today's culture and has become the butt of numerous jokes and caricatures. Yet the claim persists that these human words in some way can become God's message to these hearers. This collection of twenty-nine articles by international experts in the area of homiletics coincides with the revival of interest in preaching over the last twenty-five years. It is practical without being merely tips for preachers and it offers the necessary theoretical discussion for anyone who wants to take the art of preaching seriously. No important issue has been omitted and taken as a whole, the book constitutes a first-class introduction to the principles, processes, context and theology of preaching. Contributors include Walter Brueggemann, David Buttrick, Fred Craddock, Edward Farley, John Killinger, Richard Lischer, Thomas Long, Elaine Lawless, Jolyon Mitchell, Cheryl Sanders and Thomas Troeger.

The Future Shape of Christian Proclamation Cleophus J. LaRue, Luiz C. Nascimento, 2020-08-03 Christianity is turning brown and moving south. The Christianity the West has known is in recession and has all but dwindled out of recognition in the opening years of the twenty-first century. Well over half of the world's Christians now live in the Global South: Africa, Asia and Latin America. They are, according to Aberdeen missiologist Andrew Walls, the new Representative Christians. What they think about Christianity will matter more and more and what North America thinks about Christianity will matter less and less. This massive shift in geography and theological point of departure will have a major impact on Christian preaching now and into the future. *The Future Shape of Christian Proclamation* seeks to begin the conversation about how preaching in the Global South will inform the whole of Christian preaching in the coming years.

A Preacher's Tale Jon Russell, 2018-02-23 Many clergy receive little training in the arts of preaching and it is assumed that they will learn

by gaining experience The renowned American preacher Herbert O Driscoll suggests that congregations do not want to be given a map showing them how to get to the coast they want to be drenched in the spray Narrative preaching is a means of achieving such immediacy By dramatic story telling it invites listeners into enter the text imaginatively and enables them to experience sermons as transformative events This book aims to provide not just a theoretical introduction but a resource that uses sermons in the narrative style to reflect on how to prepare and construct them and how to deliver them effectively in the context of worship Igniting the Heart Kate Bruce,2015-09-30 Kate Bruce argues that imagination can help to engage the hearer in a sermon which seeks to evoke rather than to inform Imagination frames how we see the world and ourselves in it As such it has a vital role in how preachers see the preaching task itself which in turn affects how we go about the task

SCM Studyguide: Liturgy, 2nd Edition Stephen Burns,2018-09-07 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic buliding blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd edition of the popular Studyguide is fully revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context **In Season and Out of Season** Jeremy Davies,2014-05-06 A wise and practical guide to preaching in the Anglican tradition illustrated with examples that will inspire confidence and hone skills It explores key aspects of preaching including the importance of Scripture the use of story preaching at rites of passage preaching through the liturgical year and engagement with the wider world **Scripture and Its Readers** Vincent K. H. Ooi,2015-02-13 That readers and biblical texts are somehow linked in a mutually transformative relationship is hardly a novel perception especially in contexts where the Christian Bible has been received as normative Scripture for faithful worship and living This study focuses on an aspect of this relationship and wrestles with it not only in theory but also in practice by asking How may a reader who wishes to read the Christian Bible as Scripture well today be formed and how may interpretations of Scripture themselves inform such concern Vincent Ooi begins by showing that such concern is not only contemporary but integral to Christian traditions of reading Scripture and that it is only recently receiving some renewed scholarly attention He reviews some of these recent works before setting out his own approach from the perspective of theological interpretation of Scripture He then demonstrates his approach via close exegetical engagement with three biblical texts namely Nehemiah 9 6 37 Ezekiel 20 5 32 and Acts 7 2 60 which offer different inner canonical readings of Scripture in the form of distinctive retellings of Israel s story He first considers how these texts portray readers of Scripture and use scriptural traditions in relation to the wider context of the Christian canon he then discusses what they individually and in concert might suggest as significant for shaping readers seeking to faithfully appropriate

Scripture today The posture of prayer the pulse of liturgy and the patterning of Christ are among the things proposed as formatively significant **Six Biblical Plays for Contemporary Audiences** Robin Gallaher Branch, 2016-06-14 Fills a Need For biblically based thoroughly researched plays for a general audience Is Fun Laugh as members of the body of Christ sing and dance their way into your church See others and maybe yourself in the kindness of Heart the gossip of Ear the pride of Head and the independence of Eye Honors Women Lets Mary tell Joseph of the angel Gabriel s visit Recognizes Elizabeth s importance she tells Luke 1 from her perspective Is Funny Human beings get in fixes and messes Watch how God with gentleness humor and tough love delivers his people time and again Encourages Participation Suitable for actors ages nine to ninety nine Fosters Dialogue Each play ends with Questions for Discussion Shows Theology in the Making Do theology the Godly way with boots on the ground Consider this evangelism model The disciples have just seen the risen Lord Jesus ascend into heaven and can t wait to tell all Jerusalem Invites Imagination The characters in Proverbs gather in the marketplace and tell Simple Youth a first year university student about their lifestyles Which will he follow Promotes This Concept We all play our lives on stage to an audience of One God Religious Involvement in Hearing Sermons Theo Pleizier, 2010

Reforming Worship Julian Templeton, Keith Riglin, 2012-06-12 The Reformed tradition of worship in England has given the English speaking world the Westminster Directory for the Public Worship of God and the hymns of Isaac Watts In this collection of essays scholars and ministers who are inheritors of this tradition reflect on the continuities innovations and tensions in Reformed worship and their lived expression in contemporary church life Among the tensions explored is that between order and freedom in worship and the bold contention is made that ordered freedom is the scriptural mark of the church s worship and the character of all good liturgy for order is love in regulative operation Anglican Reformed International Commission This collection of essays on the theology history and practice of Reformed worship also includes examples of psalmody liturgy and a sermon Imaginative Preaching Geoff New, 2015-10-14 From generation to generation there has been an anguished cry from preachers about preaching there is no imagination The Scriptures present the wondrous hope and vision of Kingdom Come and yet contemporary preaching can often be mute and blind by comparison This book explores what is possible when the Scripture to be preached is prayed through the agency of two ancient prayer disciplines lectio divina and Ignatian Gospel Contemplation Through the experiences of eight vocational pastor preachers this study tracks the difficulties discoveries and delights as they commit to utilizing these prayer disciplines as part of their regular sermon preparation The reader will be orientated to what a biblical imagination entails and how praying the Scriptures affects the preacher sermon and listener Careful explanation of how to pray using lectio divina and Ignatian Gospel Contemplation is included This work is in places a raw examination of the forces that regularly conspire against the preacher as they endeavour to faithfully expound the Scriptures The study is a rousing exclamation of the joy experienced when a preacher s imagination and their preparation is formed by the Spirit bringing the Scriptures to bear on all who speak

and hear it **The Faith Lives of Women and Girls** Nicola Slee, Fran Porter, Anne Phillips, 2016-03-16 Identifying illuminating and enhancing understanding of key aspects of women and girls faith lives The Faith Lives of Women and Girls represents a significant body of original qualitative research from practitioners and researchers across the UK Contributors include new and upcoming researchers as well as more established feminist practical theologians Chapters provide perspectives on different ages and stages of faith across the life cycle from a range of different cultural and religious contexts Diverse spiritual practices beliefs and attachments are explored including a variety of experiences of liminality in women s faith lives A range of approaches ethnographic oral history action research interview studies case studies and documentary analysis combine to offer a deeper understanding of women s and girls faith lives As well as being of interest to researchers this book presents resources to enhance ministry to and with women and girls in a variety of settings

Encountering the Bible Andrew Village, 2016-06-17 Seeking to ask the questions which people ask about the relevance of the Bible to today s Church this book aims to equip those who want to make the Bible more useful and to help them explore the difficulties of trying to use an ancient text as a guide for contemporary faith **Church at Church** Ronald Andrew Rienstra, 2022-01-01 Jean Jacques von Allmen s work was animated by three key insights the Church both learns and becomes what it truly is when it gathers to worship worship tells the story of God s salvation history and invites God s people into it and by doing so the church offers the world both a stern warning and a hopeful promise The Swiss Reformed pastor and professor is among the most admired liturgical theologians of the twentieth century but his work is largely and lamentably unknown to most worship leaders In Church at Church Ron Rienstra provides an introduction to this important thinker He offers methodological and biographical context and then explores von Allmen s most generative insights concerning the church as it engages in its most foundational activity worship Viewed through the lens of the Nicene marks Rienstra s exploration yields the outlines of a liturgical ecclesiology a way to help the church think more deeply about its identity and to help its leaders shape the worship they prepare and lead today **Before the Face of God** Hanneke

Schaap-Jonker, 2008 All over the world millions of people attend services every week and most of them will hear sermons What happens between the sermon and the listener Does the sermon become meaningful to listeners The present study in the fields of practical theology homiletics and psychology of religion combines quantitative and qualitative methods to offer an empirically based approach to the study of preaching Highlighting the psychological factors influencing how a sermon is heard this study draws theoretical insight from the works of D W Winnicott A M Rizzuto and D Bonhoeffer in its examination of the relationship between the meaning of the sermon and the hearer s God image personality and affective state SCM Studyguide: Preaching Peter Stevenson, 2017-02-20 A step by step guide to learning about preaching and more importantly how to craft and deliver a sermon It offers a student friendly jargon free introduction that requires no prior knowledge of the subject **Theological Reflection and Education for Ministry** John E. Paver, 2016-02-17 A major and continuing

problem for theological education and the practice of Christian ministry is how to best achieve a genuine integration between theory and practice theology and experience The key claim of this book is that theological reflection beginning with experience is a method of integration and that pastoral supervision is a vehicle for theological reflection In establishing this claim John Paver demonstrates that the model and method have potential to be a catalyst for reform within theological colleges and seminaries Three different theological reflection models are developed and critiqued in this book and their capacity to be developed in particular contexts is explored This book does not stop at ministry cultural and personal integration but is bold enough to make recommendations for structural integration within the theological institution

Evangelicals Etcetera Kelvin Randall, 2017-11-28 The ordination of a gay bishop in the USA revealed sharp differences in the Anglican Church world wide The Church of England is seen as torn apart by divisions Evangelical churches and clergy threaten separation Behind the conflicts lies churchmanship Anglo catholic Evangelical Liberal Charismatic and similar labels are in regular use those who stand for particular churchmanships use labels both as battle cries and as accusations Evangelicals Etcetera is a comprehensive and authoritative guide to clergy churchmanship Four major questions are asked and answered in this book What is churchmanship Can it be measured Are particular kinds of people drawn to particular forms of churchmanship What difference does churchmanship make to the way Anglican clergy believe and behave

Engaging with Contemporary Culture Martyn Percy, 2016-04-29 Theology and the churches are often considered to be at the margins of contemporary culture frequently struggling for identity and attention In this important new book Martyn Percy argues that a rich form of practical theological engagement is needed if the churches are to comprehend their situation in the modern world thereby enabling them to engage more confidently with society Drawing on a range of perspectives in the religion culture debate and from case studies in the USA and Europe the book explores the myriad of ways in which culture is now shaping contemporary Christianity and how vital an appreciation of this dynamic is for the self understanding of churches and theology This book explores the crucial and continuing contribution that theology can make to public life in an era that is often perceived to be dominated by consumerism and secularity It will especially appeal to scholars of contemporary religion practical theologians and all those who are engaged in ministerial formation
