Readers Adviser Vol4 The Best In Philosophy And Religion Readers Adviser:

The Reader's Adviser Marion Sader, 1994 Heartily recommended Since not even a reference librarian par excellence can come close to knowing the best in any given discipline no library should be without access to this set for its patrons Booklist impressively meets a quite formidable task providing basic material on many subjects for the nonspecialist student librarian Choice From age old classics to the writings of today The Reader's Adviser 14th Edition helps you and your patrons select and appreciate the world's greatest books This monumental work features hundreds of authors and thousands of works new to this edition plus updated entries and revised material in every chapter updated critical and biographical profiles reflecting the latest understanding and scholarship more women writers and more culturally diverse writers from around the world title name subject indexes in every volume Order the complete 6 volume set for only 500 00 a savings of 160 00 if you purchased each volume separately *The Reader's Adviser*, 1994 **Christianity & Western Thought** Colin Brown, Steve Wilkens, Alan G. Padgett, 1990 From Socrates and the Sophists to Kant from Augustine to Aquinas and the Reformers Colin Brown traces the turbulent often tension filled always fascinating story of the thinkers ideas and movements that have shaped our intellectual landscape Is philosophy the handmaiden of faith or the doctrine of demons Does it clarify the faith or undermine the very heart of Christian belief Brown writes This book is about the changes in preconceptions world views and paradigms that have affected the ways in which people have thought about religion in general and Christianity in particular in the Western world It is a historical sketch written to help students and anyone else who might be interested to get a better grasp of the love hate relationship between philosophy and faith that has gone on for close to two thousand years Students pastors and thoughtful Christians will benefit from this rich resource The first in a proposed three volume work Brown's easy to read hard to put down introduction to Christianity and Western thought focuses on developments from the ancient world to the Age of Enlightenment **World Philosophies** Ninian Smart, 1999 World Philosophies is a comprehensive survey of the world's philosophical and religious traditions by one of our foremost religious thinkers Ninian Smart discusses notable figures such as Plato and Kierkegaard in the West the Buddha and Mao Zedong in Asia Tempels and Knibanga in Africa and Rodo and Royce in America Covering a wide range of topics including Indian ideas of testimony and evidence Chinese notions of moral development Buddhist concepts of cosmology and Latin American critiques of materialism Smart sheds new light on the astonishing diversity of philosophies that have developed throughout history *Philosophy* Hans E. Bynagle, 2006-05-30 A newly reorganized up to date overview of key reference works in philosophy reflects a veritable explosion of reference sources both print and online published over the past decade Nearly 300 of the 700 entries consist of new material with an additional 50 entries substantially revised and updated English language sources are emphasized but important non English works are also well represented For professional philosophers philosophy educators students from beginning to graduate and librarians This guide represents a substantial updating and

complete re organization of the author s 1997 Philosophy A Guide to the Reference Literature 2nd edition 1st edition 1986 It reflects a veritable explosion of reference sources both print and online in the field of philosophy over the past decade Nearly 300 entries or 40 percent are entirely new An additional 50 or so entries have substantial revisions recording new editions changes in serial publications series and websites or additional volumes completed in multi volume sets In addition it has been entirely re organized along topical lines Each of its twenty three chapters is divided into four sections 1 general sources 2 history of philosophy 3 branches of philosophy and 4 miscellanea This new arrangement accords better with the greatly expanded range of philosophy reference sources and makes it easier for the user to identify related sources of different types bibliographies dictionaries web gateways etc on the same topic Like its predecessor Guide to Reference Sources in Philosophy the 3rd edition aims to serve a diverse audience of professional philosophers philosophy educators students from beginning to graduate and librarians All entries include generous annotations that are often evaluative as well as descriptive English language sources are emphasized but non English works important to researchers or of interest to users with facility in other languages are also well represented
