Connecting Reading & Writing in Second Language Writing Instruction Alan Hirvela, 2004-08-20 Academic writing often requires students to incorporate material from outside sources like statistics ideas quotations paraphrases into their own written texts a particular obstacle for students who lack strong reading skills In Connecting Reading and Writing in Second Language Instruction Alan Hirvela contends that second language writing students should be considered as readers first and advocates the integration of reading and writing instruction with a survey of theory research and pedagogy in the subject

area Although the integrated reading writing model has gained popularity in recent years many teachers have little more than an intuitive sense of the connections between these skills As part of the popular Michigan Series on Teaching Multilingual Writers Connecting Reading and Writing in Second Language Instruction will provide invaluable background knowledge on this issue to ESL teachers in training as well as teachers who are already practicing *TRANSFORMING OUR TEACHING THROUGH READING/WRITING CONNECTIONS* REGIE. ROUTMAN,2021 *Reading/writing Connections in the K-2 Classroom* Leah Mermelstein,2006 Reading Writing Connections in the K 2 Classroom demonstrates how through careful explicit assessing planning and teaching every student can understand the relationship between reading and writing The text is filled with practical classroom strategies based on both theory and research Focused on the goal of understanding the relationship between reading and writing the text demonstrates how to move students between the two to become more skillful readers and writers In three parts the text explores the essential understandings needed to use the reading writing connection demonstrates how planning helps to use the reading writing connection and outlines teaching strategies to use the connection to strengthen your everyday encounters with students Assessment is integrated into each chapter providing a clear image of what it looks like to assess in the service of student learning Practical ways to integrate phonemic awareness phonics word study and spelling into planning and teaching reading and writing are incorporated throughout Word study is integrated into every chapter to ensure a systematic approach to the topic Reading and Writing Connections Jana M. Mason,1989 **Reading-Writing Connections: From Theory to Practice** Mary Heller,2002 **Connecting Reading & Writing in Second Language Writing Instruction** Alan Hirvela,2016 In this substantively revised new edition Hirvela moves beyond the argument he made in the first edition of the value of connecting reading and writing This new edition explains various dimensions of those connections and offers a fresh look at how to implement them in L2 writing instruction It also provides both new and experienced teachers of writing with a solid grounding in the theoretical foundations and pedagogical possibilities associated with reading writing connections The new edition features two new chapters The first is a chapter on assessment because students are now being asked to connect reading and writing in the classroom and on formal assessments like the TOEFL The second new chapter is an argument for accounting for transfer elements in the teaching and researching of reading writing connections The goals of this revised volume are to provide resources for those wishing to pursue reading writing connections summaries of the beliefs underlying those connections ideas for teaching the connections in the classroom and information about the work others have done to develop this domain of L2 writing
