Choices, Choices!

Hurray! Spring break is here! Tommy's mom and dad are also on vacation from work all week. They want to plan all kinds of fun things to do, like biking, hiking, fishing, swimming, and tennis. They are hoping for some warm, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast in the newspaper before making final plans.

When you make predictions, you use information from a story to determine what will happen next.

Monday	Tuesday	Wednesday	Thursday	Friday

- Tommy and his dad want to spend one whole day fishing. On which day(s) might they not want to go fishing?
- Which day would be the best day for swimming?
- On which days do you think the family might wear jeans and jackets?
