With a portrait Theodore PARKER, 1856 Sermons of Theism, Atheism, and the Popular Theology Theodore Parker, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1859 edition Excerpt the Hebrew prophets atheists for they denied all the God that Gentile knew Paul in the New Testament more of a theist than the Greeks and Asiatics about him with a larger religious development than they dreamed of said an Idol is nothing That is there is no divine being which corresponds exactly to the qualities ascribed to any material idol Their idea of God said Paul lacked actuality it was a personal or national whimsey not a perfect subjective representation of the objective fact of the universe but only a mistaken notion of that fact If a man has outgrown the Hebrew or common Christian idea of God he may say what Paul said of the Idol It is nothing He will not be an atheist but a theist all the more The superior conception of God always nullifies the inferior conception Thus as the world grows in its development it necessarily outgrows its ancient ideas of God which were only temporary and provisional As it goes forward the ancient deities are looked on first as devils next as a mere mistaken notion which some men had formed about God For example a hundred years ago it was the custom of the learned men of the Christian church to speak of the Heathen deities Jupiter Apollo Venus and the rest as Devils They did not deny the actual existence of those beings only affirmed them to be not Gods but devils or fallen angels at any rate evil beings Some of the heretics among the early Christians said the same of the Hebrew Jehovah that he was not the true God but only a Devil who misled the Jews Now a days well educated men who still use the terms say that Jupiter Apollo Venus and the others were only mistaken notions which men formed of God They deny the actuality of the idea **Theism, Atheism, and the Popular Theology** Theodore Parker, 1853 Theism, Atheism, and the Popular Theology, Sermons by Theodor Parker,...
