How to Act Right When Your Spouse Acts Wrong Leslie Vernick,2011-11-23 Experience the Blessings of an Imperfect Marriage We all at one time or another have the opportunity to act right when our spouse acts wrong There are no perfect marriages or perfect spouses We know that having a good marriage requires effort and hard work Yet we often don't know how to continue to love when we are angry hurt scared or just plain irritated Nor are we sure what that kind of love is supposed to look like Should we be patient Forgive and forget Do something else entirely

Acting right when your spouse acts wrong will not necessarily guarantee a more satisfying marital relationship nor will it automatically make your spouse change his or her ways although both could occur It will however help you see how God is stretching you in the midst of your marital difficulties teach you to respond wisely when wronged and lead you into a deeper relationship with Christ as you yield your will to his plan for your life and learn to be more like him *Prayer Warrior Mom* Marla Alupoalicei,2013-04-01 Moms are you struggling with patience Worrying about your children s spiritual development Concerned about their social or behavioral issues Wondering how to get it all done when there s just never enough time Author Marla Alupoalicei knows that today s Christian moms want to be the parents God intended They desire to pray boldly and stand in the gap for their kids But many mothers haven t been equipped with the prayer skills scriptural knowledge and practical strategies to fight the spiritual battle for themselves and their children Marla is no stranger to these trials She has felt the simmering frustration and discontentment that come from the constant tension of trying to do it all for her family But as Marla began to turn everything over to God in prayer He granted her an attitude of gratitude the antidote to despair When you and I choose to praise the Lord He will be fully present in our hearts in our homes and with our children she says In *Prayer Warrior Mom* Marla invites you to walk with her through fifteen life transforming principles that will empower you to effectively intercede for your children Learn to cultivate your own attitude of gratitude pray Scripture be persistent pray with power and authority be your children s 1 advocate hear God s voice above the noise of daily life and much more The only real power we have on this earth is the power of prayer Our potent prayers for our kids connect them with the reality of God and His will for their lives Marla says Mom this is your year Your year of spiritual breakthrough Your year to see your children start loving God and living for Him What are you waiting for Become a Prayer Warrior Mom today *Living in the Lamplight* Hans Boersma,2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W Goheen Christopher D Marshall Arnold E Sikkema John G Stackhouse Jr Rikki E Watts John R Wood **The Parables** Douglas D. Webster,2021-03-30 A comprehensive study of Jesus s parables that emphasizes personal reflection and application Jesus s parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we re not careful we can easily miss details in the parables that

reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus s parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus s parabolic teaching to be a feast for both the mind and the soul

Bread for the Journey Thomas W. Currie,2015-08-31 Preparing for ministry involves more than the acquisition of certain skills The shape of a disciple s soul as he or she embarks on this journey is as important if not more so than learning how to exegete a text or engage in pastoral care Ministry is not easy and the preparation for this form of Christian discipleship is open to a variety of temptations not least of which is a kind of despair over the paucity of one s own resources or worse the illusion that one is better off relying on one s own talents and virtues What is needed is bread for this journey not necessarily exhortations to work harder but words of encouragement and grace that bear witness to the surprising reality that ministry is in fact a joyful gift These notes from a dean who sought to help his students discover that joy in their study and preparation bear witness to the One whose life provides bread for every journey especially for the journey of pastoral ministry

Breaking Free Beth Moore,2007-04-01 Do you want to know God and really believe Him Do you want to find satisfaction in God experience His peace and enjoy His presence Do you want to make the freedom Christ promised a reality in your daily life In *Breaking Free* Beth Moore embarks on a study of selected passages from the book of Isaiah drawing several parallels between the captive Israelites and today s Christians in order to show how to make freedom in Christ a daily reality Moore teaches readers to remove obstacles that hinder freedom by identifying spiritual strongholds in their lives and overcoming them through the truth of God s Word truth that will set us free

Abba's Whisper Alan Davey,Elizabeth Davey,2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba s voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself
