Long Term Care Federal Oversight Of Growing Medicaid And Community Based Waivers Should Be Strengthened

**United States. Congress. Senate.
Committee on Finance**

Long Term Care Federal Oversight Of Growing Medicaid And Community Based Waivers Should Be Strengthened:

Long-Term Care Kathryn G. Allen, 2003-10 Home 2 state quality assurance approaches including available data on the quality of care provided to elderly individuals through waivers 3 the adequacy of federal oversight of state waivers Charts tables Long-term Care United States Government Accountability Office, 2017-10-19 Long Term Care Federal Oversight of Growing Medicaid Home and Community Based Waivers Should Be Strengthened Medicaid Home and Community-Based Waivers John E. Dicken, 2009-02 Deaths of individuals with developmental disabilities DD due to poor quality of care have been highlighted in the media There have been concerns raised about inadequate safeguards for such individuals receiving care through state Medicaid home and community based services waivers CMS approves and oversees these waivers Safeguards include the review of and follow up action to critical incidents events that harm or have the potential to harm waiver beneficiaries This report examines the extent to which states 1 include as a critical incident deaths among individuals with DD in waiver programs 2 have basic components in place to review such deaths and 3 have adopted additional components to review deaths Tables **The Future of Medicaid** United States. Congress. Senate. Committee on Finance, 2005 *Handbook of Long-Term Care Administration and Policy* Cynthia Massie Mara, Laura Olson, 2008-03-27 Attitudes toward long term care contain a strong residue of negativity in today's society and current problems with the system augment such perceptions Unless dealt with now this will only get worse as the 85 and older crowd is the fastest growing part of the population and the first wave of Baby Boomers is approaching 60 Exploring and delineating **Assisted living examples of state efforts to improve consumer protections : report to congressional requesters.** ,

Long-term Care United States. General Accounting Office, 2003 Ethics, Law, and Aging Review, Volume 11 Marshall B. Kapp, 2005-09-01 We are now engaged in a movement that de-emphasizes the reliance on institutional forms of long term care for disabled persons needing ongoing daily living assistance and converges on the use of non institutional service providers and residential settings In this latest edition of Ethics Law and Aging Review Kapp and ten expert contributors help us examine the forces and potential for changing the long term care industry both positively and negatively and address this paradigm shift from the impersonal public psychiatric institutions of the 1960s and 1970s to the present day assisted living environments that have been fueled by economic social political and legal forces Most importantly this volume identifies obstacles to change and enlighten service providers advocates and key policy makers to the pitfalls that can largely interfere with positive outcomes as a result of long term care deinstitutionalization Topics explored include Community based alternatives for older adults with serious mental illness Failing consumer directed alternatives to nursing homes Ethics of Medicare privatization *Intergovernmental Management for the 21st Century* Timothy J. Conlan, Paul L. Posner, 2009-11-01 A Brookings Institution Press and the National Academy of Public Administration publication America's complex system of multi layered government faces new challenges as a result of rapidly changing economic technological

and demographic trends An aging population economic globalization and homeland security concerns are among the powerful factors testing the system s capacity and flexibility Major policy challenges and responses are now overwhelmingly intergovernmental in nature and as a result the fortunes of all levels of government are more intertwined and interdependent than ever before This volume cosponsored by the National Academy of Public Administration NAPA defines an agenda for improving the performance of America s intergovernmental system The early chapters present the current state of practice in intergovernmental relations including discussion of trends toward centralization devolution and other power sharing arrangements The fiscal underpinnings of the system are analyzed along with the long term implications of current trends in financing at all levels The authors identify the principal tools used to define intergovernmental management grants mandates preemptions in discussing emerging models and best practices in the design and management of those tools In intergovernmental Management for the 21st Century applies these crosscutting themes to critical policy areas where intergovernmental management and cooperation are essential such as homeland security education welfare health care and the environment It concludes with an authoritative assessment of the system s capacity to govern oversee and improve Contributors include Jocelyn Johnston American University Shelley Metzenbaum University of Maryland Richard Nathan SUNY at Albany Barry Rabe University of Michigan Beryl Radin American University Alice Rivlin Brookings Institution Ray Sheppach National Governors Association Frank Shafroth George Mason University Troy Smith BYU Hawaii Carl Stenberg University of Nor

Medicaid Waste, Fraud, and Abuse United States. Congress. Senate. Committee on Finance,2005

Assisted Living United States. General Accounting Office,2004 **Evaluating Coordination of Care in Medicaid** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health,2004 *Medicaid Politics* Frank J. Thompson,2012-09-19 Medicaid one of the largest federal programs in the United States gives grants to states to provide health insurance for over 60 million low income Americans As private health insurance benefits have relentlessly eroded the program has played an increasingly important role Yet Medicaid s prominence in the health care arena has come as a surprise Many astute observers of the Medicaid debate have long claimed that a program for the poor is a poor program prone to erosion because it serves a stigmatized politically weak clientele Means tested programs for the poor are often politically unpopular and there is pressure from fiscally conservative lawmakers to scale back the 350 billion per year program even as more and more Americans have come to rely on it For their part health reformers had long assumed that Medicaid would fade away as the country moved toward universal health insurance Instead Medicaid has proved remarkably durable expanding and becoming a major pillar of America s health insurance system In Medicaid Politics political scientist Frank J Thompson examines the program s profound evolution during the presidential administrations of Bill Clinton George W Bush and Barack Obama and its pivotal role in the epic health reform law of 2010 This clear and accessible book details the specific forces embedded in American federalism that contributed so much to Medicaid s growth and durability during

this period It also looks to the future outlining the political dynamics that could yield major program retrenchment The Politics of Medicaid Laura Katz Olson,2010-06-02 Examining the social political and economic factors that have shaped Medicaid the author of *The Political Economy of Aging The State Private Power and Social Welfare* helps readers understand the powerful interests that cause costs to swell and hold elected officials hostage **Protection and advocacy agencies involvement in deinstitutionalization lawsuits on behalf of individuals with developmental disabilities.** , **Jonas and Kovner's Health Care Delivery in the United States** Anthony R. Kovner, PhD,James Knickman,2005-06-22 How is health care understood and assessed in America What are the characteristics of those institutions which provide it Over the short term how are changes in health care provisions affecting the health of the population the cost of care and access to care This eighth edition discusses these and other core issues in the field Strategies to Improve Access to Medicaid Home- and Community-based Services United States. Congress. Senate. Committee on Finance,2004 **Long-term Care** United States. General Accounting Office,2003 **The Future of Disability in America** Institute of Medicine,Board on Health Sciences Policy,Committee on Disability in America,2007-09-24 The future of disability in America will depend on how well the U S prepares for and manages the demographic fiscal and technological developments that will unfold during the next two to three decades Building upon two prior studies from the Institute of Medicine the 1991 Institute of Medicine s report *Disability in America* and the 1997 report *Enabling America* The Future of Disability in America examines both progress and concerns about continuing barriers that limit the independence productivity and participation in community life of people with disabilities This book offers a comprehensive look at a wide range of issues including the prevalence of disability across the lifespan disability trends the role of assistive technology barriers posed by health care and other facilities with inaccessible buildings equipment and information formats the needs of young people moving from pediatric to adult health care and of adults experiencing premature aging and secondary health problems selected issues in health care financing e g risk adjusting payments to health plans coverage of assistive technology and the organizing and financing of disability related research The Future of Disability in America is an assessment of both principles and scientific evidence for disability policies and services This book s recommendations propose steps to eliminate barriers and strengthen the evidence base for future public and private actions to reduce the impact of disability on individuals families and society **Creating Livable Communities** National Council on Disability (U.S.),2006
